JOHN M. DUVAL IS DEAD

Passed Away Sunday at his Home in Genoa

FUNERAL IS LARGELY ATTENDED

Was Father of Eleven Children of whom Seven Reside in the Immediate Vicinity—Well Liked

John Martin Duval, a resident of this vicinity for the past twenty five years, passed away at his home in Genoa last Sunday morning at 8:30 o'clock at the respected age of seventy-four years.

The deceased was born at Strelow, Germany, October 5, 1829,

JOHN MARTIN DUVAL

and it was there that he received his early education in the German Lutheran school, and from this institution he was confirmed at the age of sixteen.

In his early manhood while yet a resident of Germany, he was united in marriage to Miss Christine Becker. To this union four children were born, three of whom survive. Mrs. Duval passed away in Germany. The deceased remained in Germany until the year of 1862, when he came to America and settled near Elgin. Before leaving Germany, he was united in marriage to Christiane Washer. To this union nine children were born of whom eight survive.

About twenty-five years ago, Mr. Duval came to Genoa to make his home on a farm north of town. He lived here until old age compelled him to retire and he then made his residence in Genoa, living on north Sycamore street where he died.

In religious circles, Mr. Duval was very high, and he is remembered by some of the older members of the German Lutheran Trinity church of Genoa as one of the first members of that church when organized in Genoa. He was a man widely known in this vicinity and his departure is mourned by many.

There are left to mourn: a wife, eleven children, forty-three grand children and six great grand-children. Those of the immediate family are Mrs. Fred Turner of Bartlett; Mrs. Aug. Niss of Fairmont, Minnesota; Mrs. Ed. Niss of Wheaton, Minnesota; Chris Duval of Wanachee, Washington; Mrs. Ed. Pierce, Mrs. Geo. Geithman, Mrs. Chas. Prain, F. W. Duval, William Duval, Charles Duval and Lewis Duval, all of Genoa.

The funeral services were held Tuesday at 1:30 from the home and at 2:30 from the German Lutheran Trinity church. Interment took place at the Genoa cemetery. The services both at the home and church were very impressive and were largely attended. Rev. J. Molthan conducted the services at the home, church and grave.

MARRIED AT MARENGO

Miss Zoe Sears and William White, Jr., Were Married Wednesday Evening

On Wednesday evening at the home of the bride at Marengo occurred the wedding of Miss Zoe Sears of that place and Wm. White, formerly of Genoa, but now of Sunnyside, Washington.

The wedding was very largely attended, in response to the issuing of one hundred and twenty invitations.

The ceremony took place at 6 o'clock, when Rev. T. E. Ream, pastor of the Genoa Methodist Episcopal church, spoke the words that made them man and wife. The plain ceremony was used, and the bridal party entered the parlors to the strains of the wedding march from "Lohengrin" played by Mrs. Raymond Wixson.

The bridal party entered from the corridor preceded by Myrtle and Myrtle Dunnwoody, Connie Cah and Blanche Pollock acting as ribbon bearers. After the ceremony, Mr. and Mrs. White received congratulations, followed by an elaborate wedding supper.

Miss Margaret Corson of Genoa and Miss Ollie Sears of Marengo received at the door.

The bride was beautifully attired in a gown of white crepe de chene over white taffeta silk and carried bride's roses. The decorations of the home were artistic, palms and chrisanthemums being used.

Mrs. White is the daughter of Mr. and Mrs. Adelbert Sears of Marengo and is a young lady possessing the esteem of that community.

Mr. White is the son of Mr. and Mrs. Wm. White of Genoa, and while he has not made his home here of late, he is known to be a young man of sterling qualities.

The many Genoa friends of Mr. and Mrs. White join the Republican in wishing them success and happiness through life.

Mr. and Mrs. White leave November 3 for Sunnyside, Washington, where they will make their future home.

Doty-Clausen Nuptials

The marriage of Lewis Doty to Miss Emma Clausen will take place on Saturday afternoon at 2:30 at the home of the bride. Rev. T. E. Ream will speak the words that will make the happy bride and groom one.

It will be a home wedding and only immediate relatives will witness the ceremony.

WAS ROUSING MEETING

Prominent Men Discourse on the Court House Question Wednesday Evening

POINTS OF INTEREST ARE BROUGHT OUT

Col. I. L. Ellwood Makes Eloquent Talk and Is Received with Hearty Applause-- The Opera House Is Packed

The Genoa opera house was packed to the doors Wednesday evening in response to the announcement that on this date the people of the north end of the county would be given an opportunity to listen to the real facts on the court house question.

The meeting was presided over by Mayor H. A. Perkins, who introduced the speakers of the evening.

The controversy from a law stand-point was reviewed by A. G. Kennedy of DeKalb, and the facts that he brought out regarding the coming election proved interesting, as they constituted points that had never before been revealed to the people of Genoa and the north end of the county.

The Hon. W. M. McEwen of Chicago was the next to address the gathering, and the manner in which he brought out the fact that the people of DeKalb county would have a chance to vote on the question appealed convincingly to every one present. Mr. McEwen expressed himself to the effect that he did not see the cause of Sycamore making a fight if they were safe, and why they should not set back and laugh instead of following up the DeKalb campaigners and endeavoring to keep the people from the polls by threats.

A volume of applause rang forth when Col. I. L. Ellwood, DeKalb county's grand old man, took the stand. Mr. Ellwood's talk was what the people of the north end of the county wished to hear and this was evident from the manner in which his truthful statements were received. The informal way in which Mr. Ellwood talked to the people placed him on a level with the most common person present, and his words went into the heart of every voter and taxpayer present.

MAYOR H. A. PERKINS
Chairman at the Genoa Mass Meeting

In the fore part of the evening, the Third Regiment Band, which accompanied the speakers to Genoa, gave a band concert between the hours of seven and eight o'clock. The street at the corner of Emmett and Main was blocked during this hour and the crowd showed much appreciation of the select program rendered.

The DeKalb Male Quartette proved delightful entertainers and their appropriate songs were repeatedly encored.

Those who accompanied the speakers from DeKalb arrived during the afternoon and early in the evening. A party of ten arrived about three

o'clock, and the vehicle which conveyed them proved a curiosity to the people of Genoa. It was in the form of an old stage coach drawn by four horses.

GENUINE CHRISTIAN WORK

The Ladies Aid Society of M. E. Church Has Been Active During Past Year

At the last meeting of the Aid society held at the home of Mrs. Renn Robinson on Genoa street, a report was read by the secretary giving in detail an account of the work done by the society for the past year.

The report showed that the ladies and friends of the society had been doing real genuine and practical Christian work by aiding in support of the local church and contributing to the various Christian benevolences both local and abroad. During the year, the sum of \$350 was earned by the society and all but \$80 had been judiciously given for the support of the gospel in various ways.

The treasurer's report showed a balance of \$80 on hand which makes a working nucleus for the coming year.

Much of the success of the society is due to the ability of the officers and the response on the part of the friends of the society to aid in its noble work.

The following officers were elected for the coming year:

President—Susan Shippee.
V. Pres—Jennette Wilcox.
Secretary—Emily Ide.
Treasurer—Francis McCormick.

The society will hold meetings every two weeks during the coming year and visitors are most cordially invited to all the meetings.

MARRIED AT MILWAUKEE

Miss Adeline Kent and Henry Leonard United in Marriage

A very pretty autumn wedding occurred at the home of Mr. and Mrs. Lewis Kent at Milwaukee, Wis., on Wednesday evening, October 21, when their daughter, Adeline, was married to Henry Leonard of Genoa, Ill.

The bride wore a beautiful dress of Sicilian cloth trimmed with Irish point lace and carried bride's roses.

Miss Elizabeth McMillan served as bridesmaid and John Leonard as best man. Miss Lottie Kent played the wedding march from Lohengrin. Rev. L. Kellar of Pilgrim church read the marriage service.

There were sixty guests present, among those from a distance being Mr. and Mrs. W. Kennelly, Mrs. J. Stover Adams, Mr. and Mrs. H. Kent and family and Miss E. McMillan of Chicago; Mrs. Leonard, Mr. and Mrs. W. Foote, John Leonard and Mrs. E. Cooper of Genoa and Mr. and Mrs. F. Kiehling of Chewelat, Wash.

The home was beautifully decorated with autumn leaves, palms and cut flowers. After the marriage ceremony, a wedding dinner was served. After a wedding trip, Mr. and Mrs. Leonard will be at home to their friends after December 1, at South Milwaukee, Wis.

The bride is a popular and well known young lady in Chicago.

Had Thumb Torn Off

Mrs. C. J. Peterson of Kirkland met with a peculiar accident, last Wednesday, as a result of which she is minus a thumb. Mrs. Peterson was leading a young horse, with the lead strap around the thumb. The horse became fractious and in its antics gave her thumb a twist which tore it entirely off at the first joint. Afterward the thumb was amputated that it might heal properly.

CLOSE FOREIGN CONTRACT

Eureka Electric Company Makes Big Deals

INSTITUTION IS VERY BUSY

Carload Shipment Went to Manila, Philippine Islands Last Week—Shipments to S. America

Among the many contracts lately filled by the Eureka Electric company by several large shipments of complete telephone exchanges, one shipped last week was forwarded to the government of San Salvador, Central America.

This installation is in addition to over thirty plants manufactured and shipped by the Eureka company for this government. Another foreign shipment, shipped on last Friday, is one to the city of Manila, Philippine Islands. Another very beautiful board of 600 capacity was shipped yesterday to the Davenport & Tipton Telephone company, to be installed at Tipton, Iowa. The company has lately closed contracts for new switchboards at Virden, Ill., Batesville, Ark., Eskridge, Kan., Cedar Bluffs, Neb., Huntinburg, Ind., Morgantown, Ind., Battineau, N. D., Simpson, Ill., and Wagoner, I. T., and many other points, making the number of telephone exchanges equipped by this company upwards of 4,000. In addition to furnishing regular equipment for exchanges, they report several large contracts with telephone manufacturers and assemblers for the different parts of their apparatus. The company has orders for upwards of 100,000 receivers alone. These parts are built for some of the largest telephone manufacturers in the United States.

It is the intention of the Eureka Electric company to begin the installation of a brass foundry to take care of their present wants. Part of the equipment has been ordered and as soon as same is received, it will be installed in their new plant. This will make the company independent, with the exception of the wood working plant to take care of their wants in their new line.

FROM ELECTRICAL WORLD.

The Eureka Electric company at its new factory at Genoa, Ill., has just perfected improved apparatus for the purpose of testing each and every magneto telephone generator manufactured by this company, and in addition to the testing of its generators it has devised a very ingenious instrument for the purpose of testing and computing lines of force obtained in a generator magnet. By this method it is enabled to manufacture each and every generator exactly alike and secure absolute and improved results from every one of their machines. First, after assembling the generator, it is tested for milliamperes output and then its voltage, and any machine falling below a given standard, which standard is a very high one, it is rejected. Before the magnets reach the assembling room, each and every one of them after being magnetized is tested for lines of force or, in other words, its strength in magnetism. The Eureka Electric company is now distributing its new No. 26 and 27 bulletins, describing its high-grade line of apparatus, beautifully illustrating the same, in addition to its splendid Catalogue No. 23.

The above is a scene in Eureka Park taken two weeks ago. In the Auto to the left is Jas. R. Kiernan, the popular threshing machine man of this vicinity. The three Advance Engines shown were sold by Mr. Kiernan.

Thursday was corner-stone day at Sycamore and many from Genoa attended, and, as has been talked of on the street, they attended a great event for which they will later pay dearly. Many witnessed the ceremony with interest, but at all times the hand of the taxpayer was on his pocket book, with a realization that if he did not turn out and vote it was only a question of time when he should divide his spoils to pay his part of the enormous expense of that elegant structure.

Upon glancing down the columns of the Sycamore papers a stranger would think that there was something out of the ordinary going on in the county that is stirring up unusual interest, and in this his thought would not be wrong. It appears that these publications are constantly setting forth and recommending the use of opprobrious names for those interested in the DeKalb side of the court-house question. In these lengthy articles it is strongly emphasized that the people of DeKalb county are trampling under foot the law when they turn out and vote on the court-house question. Does it not appeal to every fair-minded voter that if the law, as set forth by Sycamore is legitimate and will hold water, there is any need of attempting to inform the voter that he should not vote on the 10th of November? If Sycamore is safe and there is no danger of the court house being removed, why should they still advocate that the voter has no more interest in the matter than to pay his increased tax in the years to come, caused by the building of

this beautiful building at Sycamore, when it has been offered to the voters as a gift? If the question has been settled why does not Sycamore throw down her arms and say, "We are out of the fight, and no matter how or when DeKalb at acts they will gain nothing." But instead of this method, they still appeal to the people. This alone proves to the people of DeKalb county that there is something that Sycamore is not quite so sure of.

The many friends in Genoa of R. W. Hollembeck of Casey, Ia., will be pleased to read the following worthy comment which appeared editorially in the Fontan-

elle, (Iowa,) Observer of a recent date:

"There is entire satisfaction with the candidacy of R. W. Hollembeck for representative. He will bring good sense and good judgment to the consideration of the state's interests as they may appear in the legislature. Happily there is no factionalism in his candidacy, and being unhampered and unprejudiced, he will shun such encumbrance in his legislative career and stand for the whole party at all times. The situation is very fortunate for the party and for Mr. Hollembeck."

Married Here

Miss Martha Tunk of Fullersburg, Ill., and Louis Heinke of Lombard were united in marriage Wednesday afternoon at 3:30 o'clock at the home of the officiating clergyman, Rev. J. Molthan. The young people were members of Rev. Molthan's congregation while he was at Lombard, and as the bride was the first one confirmed by Rev. Molthan after he took his charge there it was her wish to be married by him. Those who witnessed the ceremony were Misses Emma Lembke, Wilhelmine Bauman and Louise Tunk and Messrs. Edward Duval and Rudolph Schmidt. Mr. and Mrs. Tunk left on the 3:54 train for Lombard, where they will reside.

THE KINGSTON COURSE

All Plans Are Now Complete for a Very Interesting Course here this Winter

All plans are now complete, and the course in full is arranged for. That the talent represented in the several numbers is first-class in every respect is vouched for by the working committee, and wise people will not be long in discerning that fact. The course as it now stands is as follows:

There are five numbers in the course. First, the Lulu Tyler Gates Concert company, which is said to be one of the finest numbers the Slayton Lyceum Bureau sends out, will be here November 14. Second, Dr. John P. Brushingham will lecture on "Ourselves, and Other People" on December 1. On December 18, H. M. Bannan will give his lecture, "Getting Married, or How to Keep Young." Dr. N. R. Hinds lectures on "Two Tenderfeet in Ireland" on January 21, and the closing number will occur some time in February with the Carolinian Jubilee Singers.

You can secure a ticket entitling you to all these entertainments with seat reserved for only one dollar. For children under fourteen years of age the price is seventy-five cents. The tickets are now on sale by the working committee and at Fred Smith's bakery. You can secure single admission to any of the numbers with reserved seat for 35 cents. The reserved seats will be submitted to the public next Saturday at 1 p. m. at Fred Smith's, when you can choose the seat you desire. We establish this date that it may be fair to all holding tickets now. If you want a good seat it will be well that you get your ticket early. The price of the course ticket is one of the unheard of things which we sometimes pleasantly encounter and there is no person so poor but that can avail himself of hearing some of the finest talent on the stage. Each number is first-class and is sold in other towns at more than twice the price that is asked. Posters announcing the initial number will be out in the near future.

It is Easy to Talk

—in a newspaper, and tell what you can do—but when it comes to proving what you say, with lots of people is a very different thing. You will find in trading with us that we *always do just as we say*—as we have the goods to do so. We have found that

"HONEST DEALING ALWAYS WINS"

For the next ten days--We will offer Special Inducements in our departments.

Clothing

Lots 518 and 3,000, one a black chevot and the other a fancy chevot, regular \$7.50 values; special price \$5.00

Overcoats

If you need a good Overcoat for winter something new and stylish call for lot for 6919, a regular \$15 value, our special 10 day price only \$12.00

Children's Clothing

It will pay you to call and examine our Children's department as words cannot describe the bargains.

See our Children's Overcoats at \$3.00

SHOES!!

When a person takes in consideration the fact that they live in their shoes two-thirds of their time people should watch out that their Shoes fit so that they can have comfort, for if a Shoe fits right it wears right.

A full line of W. L. Douglas Shoes at \$3 & \$3.50

\$10 Overcoats!

We beat the world on \$10.00 Overcoats. The less an Overcoat costs the more care is needed in buying. Cotton or bad making isn't nearly as likely to slip into a \$25.00 or \$30.00 as into a \$10.00 Coat.

We keep cotton out of all our clothes by making a hard and fact rule—Nothing But Wool and Good Wool.

We keep bad making out by picking our makers, watching their work all the time, and inspecting sharply every garment that comes in.

If you want the best values to be had in a Ten Dollar Overcoat, you can get it at the BIG BOSTON. We are One Price to all, and all wrongs righted without controversy.

50 Years of Success

This is our record. From a small beginning we have grown until our factories now cover many acres. Many of our machines sold forty to fifty years ago are still giving their users faithful service. Can anything be more convincing of their merits and durability? Did you ever hear of any other machine with such a record?

Note a few of the many superior points of the

Wheeler & Wilson No. 9 Sewing Machine

The Rotary Hook displaces the old, out-of-date, unmechanical and troublesome shuttle.

The Frictionless ball bearings and perfect mechanical construction enable it to be operated with one-third less exertion than is required by ordinary machines. It sews three yards of goods while a shuttle machine sews two.

It makes the most elastic and most perfect stitch whether sewing light or heavy goods.

With our superior attachments the greatest variety of work is possible.

Do not make the mistake of buying a sewing machine until you have given the Wheeler & Wilson No. 9 a trial.

Truth Is Mighty and Will Prevail

If some advertisers were compelled to establish the truth of their statements it would ruin many of them, since it would force them to be honest. No store can afford to give you something for nothing or two dollars for one. Yet you find stores advertising to do this very thing. We pride ourselves on never advertising something we can't back up. It is easy to distinguish between our values and false values. That is what has made our great business. How else could we sell more clothing than any other concern in DeKalb county? Wise people buy where they get the most for their money and are certain of satisfaction. The success of a store depends on what it does, not what it promises to do. Now is the time to get "rigged up" for winter, as every department is full of good values.

Fur Coats, Overcoats, Suits, Shoes, Underwear and all sorts of Furnishing Goods now on display.

D. 1903.

Notice is hereby given, that on Tuesday, the tenth (10th) day of November, A. D. 1903, at the office of K. Saves Two from Death

"Our little daughter had an almost fatal attack of whooping cough and bronchitis" writes Mrs. W. K. Aaviland, of Armonk, N. Y., "but when all other remedies failed, we saved her life with Dr. Kings New Discovery. Our niece who had the consumption in an advanced stage, also used this wonderful medicine and to day she is perfectly well." Desperate throat and lung diseases yield to Dr. Kings New discovery as to no other medicine on earth. Infalible for coughs and colds. 50c and \$1.00 bottles guaranteed by F. T. Robinson, trial bottles free.

Court house election, Nov. 10.

Do Good—It Pays

A Chicago man has observed that, "Good deeds are better than real estate."—some of the latter are worthless. Act kindly and gently, show sympathy and lend a helping hand. You cannot possibly lose by it.

Most men appreciate a kind word and encouragement more than substantial help. There are persons in this community who might truthfully say: "My good friend, cheer up. A few doses of Chamberlain's Cough Remedy will rid you of your cold, and there is no danger whatever from pneumonia when you see that medicine. It always cures. I know it for it has helped me out many a time." For sale by F. T. Robinson.

Remember the court house election, November 10.

A man went into a police court in a neighboring village the other day, carrying a friend on his back. The judge said, "What's the trouble?" The man said, "Judge, this man is a friend of mine and his name is Gun. Now Judge, Gun is loaded, and I know it is against the law to carry a loaded gun on the streets so I brought him in here." The judge said: "Gun, you are discharged," and the next day the report was in the papers.

Great 9-Day Sale of winter merchandise

THURSDAY, October 22 to 31, inclusive

You cannot afford to miss this opportunity to buy your winter supplies at these special low prices during this sale. Over 95 per cent. of our entire stock we own at the old prices and are able to sell at, and lots of them at less than last year's prices. This is made possible only by our immense buying power. With our twelve up-to-date stores doing a business of nearly half a million a year we now buy our goods direct from the makers, the same mills that supply the large city stores, and we pay the same prices they do, and as our expense to do business is much less, isn't it reasonable that we can sell as cheaply as they do? We do, and often cheaper. We earnestly ask you to bring your catalogues, or samples you may have received from any city store, and make a comparison. If our prices are not as low, we do not expect or do not want you to buy from us; and further, you do not have to pay express or freight charges when you buy here. You can afford to travel twenty miles to attend this sale. If you cannot come, send us your mail order and if not satisfactory return goods at our expense.
