## WOODMEN ATTEND PICNIC

Large Crowd from Parts of County Celebrate Day

## PROGRAM AT WILCOX GROVE

Ball Games and Sports of the Day Were Greatly Enjoyed—Kingston will Have Picnic Next Year

Woodmen and their friends to the number of 3500, representing camps and portions of camps, came from various parts of the county last Saturday and to assist in making the day one memorable in the history of the organization.

The early morning trains on all railroads leading into Genoa brought many excursionists who were bent on spending a pleasant day in the grove. Special connection was made by the Northwestern and Illinois Central roads thus enabling the pleasure seekers of DeKalb, Sycamore, Cortland and Malta to attend the picnic and return at a seasonable hour considered favorable to all. Kirkland sent over a large crowd in a manner reciprocating for what Genoa has done for them.

The forenoon was devoted to social conversation and renewing acquaintances in the order of woodcraft. In the sports, the Kirkland Reds had agreed to play a double-header with the Genoa team and in every sense of the word carried out the plans. The morning game started promptly at 10 o'clock, Miller and Ackerman being in the points for the Reds and Neurauder and Lawman for the locals. For nine innings the visiting team swatted the horsehide and galloped away with the game by a score of 6 to 1. Kirkland secured one in the first, four in the second and one in the eighth innings while Genoa had to be content with one in the second. It is the opinion that the local team did fairly good work when consideration is taken of the team they played against. The management of the Reds has been such as to make them strong in all departments of the game, their continued practice enabling them to know the finer points, and all in all, to win games.

Promptly at 10 o'clock the camps marched to the grove about a half mile west. The bands of the day were the Third Regiment and Burlington German bands who made the day seem more enjoyable by the rendering of their popular music. In the shade of the trees at the grove a speakers stand had been erected and at 1:30 p. m. the program was opened by a selection from the Third Regiment band of DeKalb. The male quartette gave several selections which were greatly enjoyed. Judge W. L. Pond of DeKalb, J. B. Stephens of Sycamore, Attorney Deputy Counsel Carson of Elgin and General Attorney Plantz of Warsaw, who were called upon for short addresses, all responding with an encouraged word for the growth of the order and a continuation of the good work will surely place the order in line for their watchword, "A Million Men for Milwaukee."

At the closing of the program nearly the entire crowd went to the ball park to again see the Reds defeat the home team by a score of 9 to 1. Burton of Kingston pitched superb ball for the Genoas until the sixth inning, the score then being 1 to 0 in Kirkland's favor, when by a few careless throws the Reds secured two

runs, 3 in the seventh and added three more in the eighth for good measure. Pagles and Rorabaugh was Kirkland's battery, who, backed up by the remaining members of the team, played gilt edged ball the entire way.

At 5 o'clock the street sports were declared the next item on the program, and the big crowd again assembled on Main street to watch the races. Following is the program:

- Fat man's race—Slaymaker.
- Barrel race—Lattenslager, 1st; Stott, 2nd.
- Shot put—Valentine.

## TO GIVE ROLL CALL

Will Be Held at the M. E. Church Sunday Morning

One unique and interesting feature of the services at the M. E. church next Sunday morning will be the roll call of the membership of the church. The secretary of the official board, E. H. Olmstead, will call the roll of members in full connection and also the members on probation. The calling of the names of the members will include all those who attend church services at the Genoa church, but not those of

But perhaps the greatest change is noticed in the great number of new faces seen at the services and the new names that have been added to the church records and it has been with great pleasure that the pastor of the church and the official members have noticed a steady increase of membership and a growing interest in all the services.

At the roll call service next Sunday morning, as each member's name is called he will answer "present" to the call or quote a short passage of scripture and the congregation will recog-

## DEATH OF MRS. SPANSAIL

Died at Her Home in Chicago Monday Morning

## EARLY RESIDENT OF ILLINOIS

Funeral Services Were Held Thursday at the M. E. Church, Rev. T. E. Ream Officiating

Mrs. Elizabeth Spansail, nee Vote, was born at Flat Rock, Ohio, March 30, 1837, and passed away Monday morning, June 27, 1904, at her home in Chicago. Deceased was sixty-seven years, two months and twenty-seven days of age.

At the age of sixteen years, she came to Illinois with her parents in which state she had spent the greater part of her life.

In 1857, she was united in marriage to Jacob Spansail. They lived in New Lebanon the greater part of their lifetime, and have been counted among the old settlers of this community. About thirteen years ago they left New Lebanon, moving to Chicago where they have since made their home.

Of her father's family there are left to mourn three sisters and two brothers. They are: Mrs. Morgan of Michigan; Mrs. G. W. L. Brown of Elgin and Mrs. Susan Marsh of California; Frank and Jacob Vote, residing in California. Of her own immediate family she leaves her bereaved husband, Jacob Spansail, of Chicago, three sons and three daughters. They are: G. H. Spansail and Frederick Spansail of Chicago and John Spansail of Forestville, Alabama; Mrs. Howard Crawford of New Lebanon, Mrs. G. A. Forler of Niles, Michigan; Mrs. Thomas Harrison of Rogers Park, Ill., all of whom are bowed in sorrow over the demise of a faithful, devoted wife and a sweet and an affectionate Christian mother. Besides her husband and children she leaves thirteen grand-children and one great grand-son.

Mrs. Spansail was a faithful Christian woman all her life. When quite young she gave her heart to God and was baptized in the Christian faith, uniting with the Methodist Episcopal church. She was a member of Church Society at New Lebanon for a great many years, later when she moved to Genoa she joined the M. E. church and united with the Sheffield Avenue M. E. church of Chicago upon her removal to that city. Her membership was with this church at the time of her death.

Her character was a beautiful one and all who knew her called her one of God's own children. She found her refuge from every trial in faithful prayer, she loved God's people and Christ's church, while the Bible was her guide by day and by night.

A short time before her death she repeated the "Shepherd's Psalm" and triumphantly prayed the Lord's Prayer and by faith Heaven became her blessed possession.

"There is a land mine eye hath seen  
In visions of enraptured thought,  
So bright, that all which spreads before  
Is with its radiant glories fraught."  
"A land upon whose blissful shore  
There rests no shadow, falls no stain;  
There those who meet shall part no more,  
And those long parted meet again."

The funeral services were held in the M. E. church at Genoa on Thursday, June 30, 1904, at 11 o'clock, Rev. T. E. Ream preaching a sermon full of comfort and hope. Interment at Genoa cemetery.

At the business meeting conducted in the M. W. of A. hall it was voted that the next county picnic would be held at Kingston at Stuart's grove. The citizens of Kingston will gladly welcome the order and without doubt will entertain them better than ever before.

The committees in charge of the several departments are to be congratulated upon the success of this picnic, each and everyone working in harmony and upon a basis producing the best of results.

the Ney or Charter Grove churches as a roll call of these two churches will be held later.

There are nearly two hundred members of the Genoa church alone and about one hundred at Ney and Charter Grove, making a total of about three hundred members in the entire charge. Rev. T. E. Ream is especially anxious that every member of the M. E. society residing within reasonable distance of the church should be present to answer the roll call.

During the past two years the church membership has been undergoing a change. Some of the members have moved to other places and taken their church certificates, while others have been summoned to their eternal reward by the messenger of death.

The service will be spirited and full of enthusiastic singing and while the members as far as possible are requested to be present, the public in general is also most cordially invited.

A few Things at the Fair

The Illinois State building continues to be a popular resort for all Illinois visitors, and to one who has been there it is no wonder that Prairie State callers take such a pride in their beautiful and commodious world's fair home.

It is under the management of a courteous custodian and his assistants, who take the utmost care in showing around and extending favors to all who make themselves known. The Illinois exhibit of minerals in the Mines and Metallurgy building contains much of interest to the people of our state. Of the eight different specimens of coal found throughout the state, there are fifty specimens exhibited from that number of different mines. The largest chunk exhibited is from the Chicago Virden Co. coal mines at Virden, Ill. In the Government Fishery building, the Illinois Fish Commission has a fine display in two pools, the only space that could be allowed for this purpose. In the Educational and Social Economy building is to be found a most interesting section representing the Illinois school for the blind at Jacksonville. There are two booths, one for boys and the other for girls, in charge of Prof. J. H. Freeman of Jacksonville.

A few big things at the fair are as follows:

A sixteen-inch breech loading rifle in the Government building. A monstrous motor to be run by the heat or rays of the sun. The many beautiful electric launches and Venetian dongolas on the pretty lagoons. Six of the largest electric dynamos ever made. A complete battleship in the Government building in which visitors are allowed to enter and inspect all departments.

A few 17-year locusts have made their appearance, but they are simply the advance guard of the army which is due next year. Some people claim that this is the year for the locusts, but it is not. They were here in 1854, 1871 and 1888, and will be due in 1905 if they are on time, and they surely are.

## Do You Know It?

### I am not Made by the Trust

I HAVE A CAR LOAD of fresh, clean and bright MINNEAPOLIS BINDERS ready for the 1904 harvest. It is the best Binder made, and I have been agent for them for 22 years and never failed in making the sale of the MINNIE STEEL BINDER when tried. The MINNIE will do all kinds of cutting and binding where any Binder will, and will cut and bind where some makes of Binders fail. The Minnie has never been misrepresented.

### Come in and Have a Look

A MATTER OF FACT is that the MINNIE will cut the tallest grain, the shortest grain and down grain in all conditions. The MINNIE will bind a bundle with less twine than any competing machine. All my competitors hate me. All they can say when they find a prospect sale against the MINNIE is, where can you get repairs when wanted? I have furnished repairs for about 200 MINNIE BINDERS, and not one man owning a Minnie Binder will say he failed to get what repairs he wanted when calling for them. The MINNIE is not made by the trust and is sold at prices that are right. If you are contemplating buying a Binder drop me a postal card and get prices. I also have some of the best makes of twine and prices are right. Now, if you buy a MINNIE Binder you won't make any mistake. Come in and examine them carefully.

Manufactured by firm having an unlimited amount of capital.

"I wish to say a few words in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Mrs. Mattie Burge of Martinsville, Va. Last summer one of my children was taken with cholera morbus, and I procured a bottle of this remedy. Only two doses were required to give her entire relief. One cannot say too much in favor of that wonderful medicine." This remedy is for sale by G. H. Hunt.

**Here, not There**  
A little boost to the living is better than many bouquets to the dead. Have you noticed that taking into consideration the time that the Genoa ball team has been organized they are playing good if not better ball than the average. I have and no doubt you have paid good money and more of it to see poorer games away from home. The way to get a first class team at home is to support it, not only with your attendance but with a kind word. "Not scorched on the edges." To a few break the heart and pocket book at the same time and you will see a resemblance to "O" and the old adage, "Misery likes company."  
**Samuel D. Whitney Insane**  
Samuel D. Whitney, a well-known citizen of Kingston, was examined before a commission in the county court last Saturday as to his sanity. He was committed to the Elgin hospital. There has never been insanity in the family, Mr. Whitney was of temperate habits never having been addicted to the use of alcohol or narcotics. He had cerebral hemorrhage causing paralysis which affected his mind, threatening to kill himself and to burn his barn. His condition had become such that it was necessary to have a constant attendant.  
**Married Friday Evening**  
An event creating no little surprise was that of Friday when Mallory Miller of this place was united in marriage to Miss Martha Olson of DeKalb. The ceremony was performed at 7 o'clock at the home of Rev. Claude Moore, pastor at Sycamore. Following the wedding ceremony Mr. and Mrs. Miller returned to DeKalb where a reception was tendered. The bride and groom are very favorably known in this vicinity.

## DOMESTIC SCIENCE

Conducted by the School of Domestic Arts and Science of Chicago

The above is the heading of an article in the Chicago Tribune under date of April 16th, 1904, signed by Arthur R. Reynolds, health commissioner of Chicago, which read in part as follows:

"Twelve-hour old milk is worth vastly more than twenty-four hour old milk, and twenty-four hour old milk is worth double that of forty-eight hour milk."

All of our bottled milk is guaranteed not to be over twenty-four hours old when delivered before five o'clock a. m. We bottle nothing but morning's milk never mixing the night's with the morning's milk. We are receiving one thousand cans of milk daily and it enables us to select from our choicest dairies nothing but morning's milk for our bottle trade. We also handle H. B. Gurler's Certified milk which is guaranteed not over twelve hours old if delivered before five o'clock a. m.

We have gone to some expense and a great deal of trouble to get our bottle milk to customers as fresh as possible, discontinuing the old method of mixing night's and morning's milk together, making all the milk from thirty-six to forty-eight hours old. Morning's milk being richer than night's, will also give our customers a better grade as well as fresher milk than you can obtain elsewhere on account of dealers continuing the old way of mixing night's and morning's milk together.

We also handle the finest creamery butter, made at our own creameries. If you are contemplating making a change in your milk and cream or butter, give us a trial. IRA J. MIN DAIRY CO., Chicago, Ill.

## Cleveland's Theater, Chicago

The acme of greater vaudeville as exemplified by Manager Cleveland at Cleveland's theater, Chicago, from week to week, is the talk of the country and as one glances over the list of artists he has presented, it is hard to realize how his shows of the recent past can be improved upon. However, it is a fact that each succeeding bill outweighs the previous one in point of excellency and feature acts.

For the week beginning Sunday matinee, July 3rd, the management offers the world's famous Sig. Sorentino and his Banda Rossa (Red Band) of sixty musicians, including 16 great soloists, each of whom is an acknowledged artist. This celebrated musical organization comes to Cleveland's theater direct from the World's Fair, St. Louis, where they have been the steller attraction of the Machinery Gardens. They will appear at each performance presenting an hours program of popular and classic compositions, changing their part of the program every performance.

Contrary to the methods pursued by other vaudeville managers, one big feature act is not enough for Mr. Cleveland to offer his patrons. He insists upon presenting all-star bills weekly. In addition to the Banda Rossa he has engaged nine big vaudeville features including the Rose Edyth Ballet, of thirty beautiful ladies in grand ballets. The intrepid animal queen, Adgie, whose thrilling performance in a den of fierce forest-bred Nubian lions. These lordly monarchs of the jungle are completely subjugated by the simple glance of this handsome woman's eye.

The great Everhart, hoopnologist, whose work is a revelation to the manipulative world, will return for a farewell engagement prior to his departure to Europe. Young and Devoie, present an original and artistic dancing specialty. Joe Bonnell, the favorite monologue comedian comes

direct to this theater from his successes in New York City. Dick and Alice McAvoy will present a character sketch entitled "De Pride of Newspaper Row." New and exclusive pictures will be shown in the wonderful biography. As usual there will be two performances daily. Ladies' and children's matinee prices 10, 15, 25, 35 and 50 cents. Evening prices 10 to 75 cents.

### No Pity Shown

"For years fate was after me continuously," writes F. A. Gullledge, Verbena, Ala. "I had a terrible case of piles causing 24 tumors. When all failed Bucklen's Arnica Salve cured me. Equally good for burns and all aches and pains. Only 25c at Hunt's Pharmacy.

### Many Women

Our stock is large, we carry all models in all representative lines, expert corset women select and fit the proper model without extra charge, 98c to \$4.98 each. Theo. F. Swan, Elgin.
