TWO DEATHS AT KINGSTON

John Tumbleton Died Saturday and Mrs. Ludwig Sunday

REVS. CLAY AND BRITTIN SPOKE

Mr. Tumbleton Taken to Sterling for Interment Mrs. Ludwig Ill the Past Year with Brights Disease

MRS. J. B. LUDWIG

After a lingering illness extending over a period of a year, Mrs. J. B. Ludwig, wife of Dr. J. B. Ludwig of Kingston, passed to the life beyond last Sunday afternoon at 1:30 o'clock.

The intelligence of her demise came as a shock to the many friends in the community, inasmuch as she had shown marked improvement since her last illness and because of such, friends and loved ones had placed confidence in the expression that recovery was a possible thing. For weeks Mrs. Ludwig had gradually failed. During this period she was at times confined to the bed and at others able to take a drive into the country or for a short walk about the village. Her final illness came last Wednesday.

Mrs. Belle Young Ludwig was born at Tweedside, Ontario, Canada, July 12, 1866. Her school life was spent at Alma College, Ontario, from which she graduated and later took a musical course at Northwestern, Evanston. During the fall of 1893 she became a teacher in the North Belvidere schools, remaining one year. On June 20, 1894, she was united in marriage at Belvidere to Dr. J. B. Ludwig and to them was born a daughter, Margaret, who died in infancy. Mrs. Ludwig has made her home at Kingston since 1894.

Mrs. Ludwig was a woman of brilliant intellectual attainments and was accomplished in many other ways having devoted much time to the study of music and being a fine pianist. In the social and church work she will always be remembered as a tireless worker, doing all in her power toward the uplifting of the Christian faith. Those who know her speak of her loveable qualities and noble Christian character.

Mrs. Ludwig leaves to mourn besides the husband her mother, Mrs. James Young, and two brothers, John and William Young of Arbingdon, Canada.

The funeral services were held Wednesday at 1 o'clock from the M. E. church, Rev. B. L. Brittin, pastor of the Presbyterian church of Belvidere, officiating. Those who sang were the Misses Pearl Kepple and Vera Laing of Belvidere. The pall bearers were the male members of her Sunday school class. The floral tributes from friends were beautiful. Interment at Kingston cemetery.

JOHN TUMBLETON

The death of John Tumbleton, father of Mrs. S. C. Holm of Kingston, occurred Saturday, July 2.

Deceased has been a short resident of Kingston, having made his home here with Rev. and Mrs. S. C. Holm since their removal from Kirkland during the past year. The funeral services were conducted Tuesday from the home at 10 o'clock, Rev. C. S. Clay of the M. E. church officiating. The remains were taken to Henrietta and interment occurred at Sterling at Riverside cemetery. Services were conducted at Fourth Street M. E. church.

John Tumbleton was born in Tuscarawas county, Ohio, July 24,

1820. On March 30, 1843, he was married to Miss Cyrena Arford, who passed away March 3, 1903, at Rock Falls. About the date of their wedding Mr. and Mrs. Tumbleton moved to Indiana and in the year 1857 came to Illinois, settling on a farm near Sterling in Whiteside county. Mr. Tumbleton was a progressive farmer and later in life moved to the city of Sterling where they remained one year, thence to Rock Falls and lastly to Kingston where he made his home with his daughter. Deceased was a member of the M. E. church for sixty-five years, being faithful to all its demands and duties.

How uncertain is life. None can escape this doom, and so the old and the young shall pass away. In the early as in the late walks of life, God's voice is ever heard. Our earthly life may waste away like the dropping sand but the inner life can never waste and wear. It is a blessed thought that there is One who holds us in everlasting remembrance and that He will gather together the children of men that are scattered abroad.

Those who are left to mourn are three sons, one daughter and one adopted daughter.

P. O. DEPARTMENT SERVICE

Rural Carriers Must not Solicit Business

AN ARTICLE BY H. C. PAYNE

Provisions in Connection with the Appropriation for the Pay of Rural Carriers Beginning July 1

The Act of Congress making appropriations for the service of the Post-Office Department, for the fiscal year beginning July 1, 1904, in connection with the appropriation for the pay of rural carriers, provides that:

"On and after said date (July 1, 1904) said carriers shall not solicit business or receive orders of any kind for any person, firm or corporation, and shall not, during their hours of employment, carry any merchandise for hire; Provided, That said carriers may carry merchandise for hire for and upon the request of patrons residing upon their respective routes, whenever the same shall not interfere with the proper discharge of their official duties, and under such regulations as the Postmaster-General may prescribe."

In pursuance of the above provision, it is ordered:

That rural carriers are not permitted to solicit business or receive orders of any kind for any person, firm or corporation.

No mailable matter may be handled by rural carriers while serving their routes, unless the proper postage has been prepaid, with the single exception of county newspapers, which, under the law, are permitted to be carried free throughout the county in which they are published, to actual subscribers, and such newspapers addressed to subscribers, residents on rural routes, must be deposited at the post-office the same as papers for other subscribers.

The hire for merchandise carried on request of the patron of rural free delivery must be paid by the patron. Carriers will not be permitted to receive any compensation from the seller of such merchandise.

Articles or packages, which are mailable, which are handed to the carrier or deposited in the post-office or in a rural letter box or in a collection box located on a rural route, with request that the rural carrier deliver same, are subject to the rules regulating mail matter, including the payment of postage thereon.

Articles or packages, which are not mailable, which the patron desires the rural carrier to carry must be delivered to the carrier in person, and in carrying merchandise for hire rural carriers are not permitted to leave their routes as officially laid out or to accept anything that will in any way delay the delivery of mail, or in any way interfere with the efficiency of the service.

Carriers, while on duty, are not permitted to carry spirituous liquors either for themselves, for sale or for the accommodation of their patrons.

Rural carriers are required to permit post-office inspectors or other duly accredited agents of the Post-Office Department, to accompany them on their regular trips over their routes. They must not carry other passengers nor permit any person, other than authorized postal officials, to ride with them or to have access to the mails.

Rural carriers must not engage in any business during their prescribed hours of service, or conduct any business after hours which offers the temptation to solicit patronage on their routes, or which, by reason of their position in the Government service, gives them special advantages over competitors, such as book canvassing, soliciting insurance, selling sewing-machines, or other kindred occupations.

Carriers must not, either in person or through others, directly or indirectly, by any other method whatever, solicit money, gifts or presents; nor issue for profit, souvenirs or postal handbooks; nor co-operate with or assist the publishers of same to secure the patronage of the public; nor compile directories for public use or assist publishers to compile them; nor furnish the names and addresses of patrons of their routes, for pay or favor, to any business establishment, or to any individual, except to those departmental officials who, under the regulations, are entitled to the same.

Mail matter, such as letters on the rural route cost two cents, many people having the idea that one cent is sufficient.

People who wish to send mail matter of any description out on the rural routes must have the same in the postoffice at 7:30 a. m. as the carriers leave promptly at 7:45 a. m.

HIED AWAY TO ST. JOE

Miss Edith Carpenter and William Jones Married Sunday

O'BRIEN-ROCKWOOD NUPTIALS

Miss Katherine O'Brien and Norman Rockwood of Dane, Wisconsin Were Married in Chicago Saturday

Imagine a lake trip of 100 miles. Grand? Such a voyage was the lot of Miss Edith J. Carpenter and William H. Jones of this place last Saturday evening enroute from Chicago to St. Joe, Michigan, where on Sunday they were united in marriage at the residence of Justice Church.

The news of the wedding came as a surprise to their many friends in this community. The happy couple left Genoa Saturday afternoon and after a pleasant lake trip on the City of Chicago arrived Sunday at the city now famous for the number of marriages performed in a year. The service was performed at 6 o'clock in the evening and the Genoa couple represented a town among 100 others.

Enjoying the pleasures of this resort over the Fourth, Mr. and Mrs. Jones returned to Genoa Tuesday morning and received best wishes for a bright and happy future.

The bride is one of Genoa's popular young ladies and is the daughter of Mr. and Mrs. N. A. Carpenter. The groom, who lately came from Chicago, is employed in the Eureka Electric factory.

Mr. and Mrs. Wm. Jones will make Genoa their future home.

ROCKWOOD-O'BRIEN

One of the surprises in matrimonial circles for the month of July came to Genoa friends this week when it was learned that Miss Katherine O'Brien was united in marriage to Mr. Norman Rockwood of Dane, Wisconsin.

The wedding occurred in Chicago last Saturday, July 2, and witnessed by a few intimate friends of both bride and groom.

After spending a few days in Chicago sight seeing, Mr. and Mrs. Rockwood departed for Dane, Wis., where they will make their permanent residence.

The bride is a daughter of Mrs. Chas. Gleason and has been employed at the Eureka Electric factory. She is quite popular among her Genoa friends who extend to them congratulations of the day.

Brutally Tortured

A case came to light that for persistent and unmerciful torture has perhaps never been equaled. Joe Golobick of Colusa, Calif., writes, "For 15 years I endured insufferable pain from rheumatism and nothing relieved me though I tried everything known. I came across Electric Bitters and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." Just as good for liver and kidney troubles and general debility. Only 50c. Satisfaction guaranteed by Hunt's Pharmacy.

THE SCHOOL CENSUS

Population of Genoa Is 1280—Gain of 100 in Past Year

The following common and uncommon facts regarding school district number one were learned by H. F. Stout in taking the school census. The figures may not be exactly correct on account of the transient nature of some of the population but they are nearly so. Population of Genoa is 1280. This is a gain of about one hundred in the last year. Number of children of school age, that is between six and twenty-one, 325. Children under six, 107. Average number who attended school in district number one public school 178. Number who attended Lutheran school 22. (Last two figures do not include those who attend from outside of district.)

Number of voters in district number one, 387. The Pattersons and Browns lead with seven votes each and the Holroyds are a close second with six votes. The palm for voting power should go to the Pattersons upon the technicality that one Brown spells his name with an e on the end leaving only six "Simon pure" Brown votes.

There are three empty houses in town. One of these is very small and the other two are not for rent. There are nine houses in which there are two families under separate family organization. On the other hand there are fifty-eight houses in town in which but two people are living, and in eight houses or suites of rooms there is one lonely occupant each. Worse than this there are about one hundred people in the district who are boarders, most of whom are young unmarried men.

Will Have to Show Certificate

According to a recent ordinance passed by the village council, it will be necessary that all pupils who attend school this coming school year show a physicians certificate to the effect that he or she has been successfully vaccinated. It is therefore requested that each pupil who contemplates school attendance this coming year go at once to his or her family physician and secure such certificate. If it is attended to now it will not injure the attendance at the beginning of the term. All children who have a good scar from a former vaccination can secure a certificate free of charge by applying to their family physician and showing the scar.

Defeated the Normals

The Genoa base ball team won from the DeKalb Normals last Saturday by a score of 8 to 7. No extra innings, were played, nine being sufficient to make a satisfactory decision. A feature of the game was a three-sacker by Foote bringing in three runs.

The Fourth of July game at Kirkland ended in defeat for Genoa by a score of 6 to 1. The game was replete with many brilliant plays, the score remaining 1 to 1 until the commencement of the eighth inning which resulted in their undoing.

We would further report that we find the front porch on the main building to be in a satisfactory condition.

We also directed said contractor to remove the blind window in third story in jury room and change partition between jury rooms and put in frame and window like others in said third story, at an additional cost of \$25.00. All of the changes in said building, above mentioned, were referred to your committee to be necessary and add to the value and appearance of said building. We respectfully ask that the same be approved by this board.

We are assured by the contractor that the building will be completed about November 1 next. In view of this, it will be necessary to arrange for an early day for the construction of necessary furniture and fixtures for same. We have examined the furniture and fixtures in several court houses recently built and furnished and find the cost to be from \$12,000 up. We have prepared a plan for the proper equipment of all the rooms, quality and style in keeping with the building, which has been submitted to and approved by the several county officers, and which seems to be adapted to the wants of the several officers, and the convenience of the public in the transaction of business with the different offices.

Cleveland's Theater. Chicago
The pace set by W. S. Cleveland in presenting his original greater vaudeville is such that no other manager in the world can even hope to follow in his footsteps. The bills offered at Cleveland's theater in Chicago get larger and greater. For the week beginning Sunday matinee, July 10, Mr. Cleveland has succeeded in engaging a number of acts of such startling merit as have never been seen together on any one bill before.
First and foremost are the Hengler Sisters, Chicago society's favorite vocalists and dancers. These two charming young women have been feted by the "400" time and time again. Their costumes are magnificent and their work is of the highest order; their following alone will insure big houses for the coming week. Mr. and Mrs. Sidney Drew of the famous Drew Family, will present a society sketch; Harrigan, the renowned tramp juggler, the original of this peculiar style of vaudeville act, will make his first appearance at this house; Billy (Single) Clifford, the matinee idol, without a doubt the most graceful dancer in vaudeville today, will present his latest specialty; Cooke & Hayes, well known as "The Captain and Kidder" will also be present; Adgie and Lions, who scored such a tremendous hit last week, has been retained and will offer her thrilling act at every performance. Adgie, while in the cage with these forest-bred kings of the animal world, executes a Spanish dance and sings "LaPaloma." She uses neither whip, stick or revolver. This is unquestionably the most sensational act of its kind before the public today. Rose Edyth's big Ballet, of thirty handsome Parisiennes will continue to delight the crowds with their gracefully executed pirouettes. Their terpsichorean exhibition is well worth going miles to see. As usual there will be two performances daily. Matinee prices 10, 15, 25 and 50 cents. Evening prices 10 to 75 cents.
