

THE GENOA REPUBLICAN

OFFICIAL PAPER OF THE VILLAGE OF GENOA. ENTERED MAY 16, 1902, AT GENOA, ILLINOIS, AS SECOND-CLASS MATTER, UNDER ACT OF CONGRESS OF MARCH 3, 1879.

VOLUME II.

ONE DOLLAR PER YEAR.

GENOA, ILLINOIS, FRIDAY, FEBRUARY 6, 1903.

PUBLISHED EVERY FRIDAY.

NO. 6.

THE ELECTRIC LIGHT PLANT

The Company Here Meets With Unusual Success in Year's Time.

1,000 INCANDESCENT LIGHTS

The Quality of Light Gives the Best of Satisfaction and Receives Words of Praise From Genoa's Visitors.

With 1,000 incandescent lights and twenty-seven arc lights in use, the present condition of the Genoa Electrical company is a prosperous one.

The company fills an important page in the history of Genoa's many modern conveniences. The plant surpasses any in DeKalb county, and by the manner in which it is conducted, our homes and streets are supplied with a service that cannot be equaled.

The Genoa Electrical company was incorporated under the laws of the state of Illinois on the 28th day of February, in 1902, and on this day the wheels turned for the first time, making the spark of electricity which was sent over our little city, making our streets and homes as light as day. It was a great improvement over the kerosene lamps which had supplied the light for many years in the past.

The company was composed of three stock holders and incorporated for \$10,000. The stockholders were Geo. W. Loptien, who held fifty shares; F. H. Alden who held twenty-five shares; J. Geiserowich, who also held twenty-five shares. The par value of the shares was \$100. Mr. Alden was president; J. Geiserowich, vice president and Mr. Loptien acted as secretary and treasurer.

After two months of successful operation, Mr. Loptien purchased the interests of Messrs. Alden and Geiserowich and became sole owner.

The plant, which is situated on the Chicago, Milwaukee & St Paul railway, covers 1180 square feet which is devoted to the engine and boiler rooms. The former is 16x30 feet, while the latter is 35x20 feet. The engine room, which is splendidly equipped, contains a 125 horsepower Shinner automatic, self-oiling engine made at Erie, Pa. The large dynamo, which is in this apartment, has a 100 horse capacity, delivering an alternating current of 2,200 volts primary, which is reduced for domestic use to 110 volts by transformers which appear on posts along the line of wire. When the plant was started, 250 incandescent lights were in use. In order that the company might be successful, it was necessary to have 500 of the domestic lights in use, but the service has been so satisfactory that 1,000 lamps are now in service. Twenty three arc lights were in use when the plant started and to this number four have been added.

In the boiler room can be found a 100 horse power tubular boiler, made by the Kewanee Boiler Works at Kewanee, Ill. An important part of the machinery in the boiler room is the 200 horse power heating and filtering plant for the purpose of heating and filtering the water before it is pumped into the boiler by a Gardner Duplex steam pump. The boiler shed, which joins the boiler room, has a capacity of 100 tons.

RESIDENCE OF A. V. PIERCE

Jas. J. Hammond, Builder.

If the wire which is used in lighting our streets and homes was stretched in one straight line it would be fifteen miles long.

The skilled mechanics of the Genoa Electrical company are Geo. W. Loptien, who is an able electrician and engineer, assisted by Amory Hadsall, who fills the position of assistant engineer and has charge of the power house in Mr. Loptien's absence.

SANDS MAKES PROMISE.

Creditors of Elgin Creamery Company to Be Paid in Full.

Creditors of the Elgin Creamery company have received word from Obadiah Sands that they will be paid in full if they will give him time.

This will be good news to hundreds of farmers in Boone county and surrounding counties. The receivers of the company will pay the creditors forty per cent. Now Mr. Sands proposes to pay the other sixty per cent in six installments, these installments to be paid on the pay days at the factories, beginning after the receivers have paid the forty per cent.

He proposes to those of his farmer creditors who have made contracts elsewhere that at the expiration of those contracts, if they will come back to him, he will follow out the same plan with them.

New Neckwear

and new belts. We won't try to tell you all about them. It would take a page to describe them. We'll simply say that they are the daintiest, handsomest creations we've ever had the pleasure to offer you. Fancy Goods Dept. Theo. F. Swan, Elgin.

Range Hard Coal For Sale.

As well as all kinds of soft coal at Holcomb Bros., Sycamore; also high grade soft coal at Charter Grove.

ELECTRIC LINE TO GENOA

DeKalb-Sycamore Line Will Probably Run to Genoa.

GREAT IMPROVEMENT FOR GENOA

Line Is Intended to Run West From Genoa Through Kingston to Kirkland.—Work Will Probably Be Started In Spring.

That Genoa and Sycamore will be connected by an electric line is being carefully considered by the owners of the Sycamore-DeKalb electric line.

The preliminary work of securing a right of way will be commenced in a few days.

The distance from Sycamore to Genoa is nine miles, and along this road the farmers will be consulted and if the authorities are favorably impressed the work will be commenced in the spring. There is some talk of the line being extended west to Kirkland, passing through Kingston.

The farmers along the line can then easily get to town to do their trading, and therefore it will benefit the merchants. The value of farm property will also be increased along the electric line.

If the line is built to Kirkland, it will bring the Kingston trade to Genoa, where much larger stocks of goods are carried.

It will help to make Genoa more modern in every respect, and will assist greatly in its future growth.

Underwear.

We find ourselves a trifle long on heavy underwear. It's yours at big price reduction. Men's \$1.00 and \$1.25 values in camel's hair—natural and tan wool garments—reduced to 79c; men's extra fleeced double front and back garments at 39c. Theo. F. Swan Great Dept. Store, Elgin.

ILLINOIS CENTRAL WRECK

Two Freight Trains in Rear End Collision.

ACCIDENT WAS AT CLOVERDALE

Six Stockman Probably Fatally Injured.—Assistance Long Delayed.—Seven Cars Completely Burned.

Three men killed and six seriously injured was the result of a rear end collision between two stock trains on the Illinois Central road at 2 o'clock Monday morning at Cloverdale. The wreck was caused by a dense fog that obscured the vision of the trainmen.

Seven cars were burned in a fire which started in the wreck. Thousands of head of cattle and hogs, maimed and wounded, cover the track and add confusion to the dismal scene.

The accident happened between Cloverdale and Smith's crossing, about twenty-five miles from Chicago.

There were eight stockmen in the caboose when the engine of the next section crashed into it. Only one man escaped injury. Two of the men were from Rockford and were but slightly injured. They were taken to Elgin and later sent to their homes in Rockford.

Mid-Winter Sale of White.

This sale is a presentation of everything that is practical, dainty, and servicable in muslin-wear, all marked at unusually low prices to induce early buying and keep our sales force busy during the dull months. Nightgowns from 29c to 2.98; petticoats from 24c to 1.98; drawers from 15c to 2.98; corset covers from 5c to 2.49. Theo. F. Swan Great Dept. Store, Elgin.

WILL BE ORATOR.

A. J. Hopkins Will Speak at Elgin on Memorial Day.

U. S. Senator A. J. Hopkins will be the memorial day orator in Elgin. John S. Wilcox, chairman of the committee on speaker for the Elgin Patriotic Memorial association, is in receipt of a letter dated January 30, from Senator Hopkins, who is in Washington, accepting the invitation sent him to speak there memorial day.

The committee is fortunate in securing the services of the distinguished statesman, and there no doubt will be an unusually large attendance at the exercises attracted by his presence.

GROUND-HOG SAW SHADOW.

Official Weather Prophet Decides on Late Spring.

Unfortunately for people with a short coal supply, the ground-hog, the official weather prognosticator of the world, found his shadow when he emerged from his winter home on Monday as the sun was shining, so a late spring is assured.

The marmot saw his shadow on this Candlemas day, and retreated to his home in the ground to remain six weeks longer until the severe winter weather has passed.

Mr. Ground-hog has occupied his position as weather prophet since the second century of Christianity, but who appointed him is a matter of conjecture.

Corsets

correctly modified and fitted. We are showing the very newest models in long hip corsets. Our expert will assist you in selecting a model suited to your figure and fit it to your form without extra charge. Theo. F. Swan Great Dept. Store, Elgin.

JURY SAYS "NOT GUILTY"

Case of People Versus James Miller and Dan Butler Tried at Belvidere.

VERDICT GIVEN LAST WEDNESDAY

First Ballot Was Evenly Divided and During the Night the Arguments Waged.—Mrs. Butler Called as a Witness.

It was nearly a year ago when Grocer Sheley and his son at Herbert were aroused from their slumbers by the burglar alarm in their store. This informed them that burglars were entering their place of business, and, arming themselves, proceeded to investigate and the result was a pitched battle in the darkness and snow storm.

The two burglars made a dash for liberty and escaped. A posse of men was quickly formed and tracked the two in the storm for many miles and finally the tracks led to the pumping station on the Illinois Central a short distance west of Genoa. The posse ordered the men to surrender but they did not. Steve Abraham of Genoa was sent for and capturing the men took them to Belvidere the following day. Since this time Miller has been boarding at the expense of Boone county at the county jail, while Butler has been out on bail.

The case of the People versus James Miller and Daniel Butler, charged with the burglary of Sheley's store at Herbert, was tried in Belvidere last Friday. The jury found the defendants not guilty.

LIBRARY IS OFFERED.

Sycamore Is a Little Afraid of the Consequent Controversy.

Sycamore, Ill., Jan. 30.—Sycamore received today a proposition from Andrew Carnegie in which he offers to this city the sum of \$10,000 for a public library providing the usual conditions are met.

A meeting was held here today of the library board and it is seen that the usual question of site will agitate the people. The proposition is similar to the one made by Mrs. Everell Dutton over a year ago. It is felt here that nothing should be done by the city council or library board without first consulting the wishes of the citizens.

It has been suggested that a portion of the Sycamore hospital which is a good location be bought. The price asked is \$2,000.—Belvidere Republican.

FOR DAUGHTER'S DEATH.

Judgment of the Circuit Court Sustained on Appeal.

The appellate court has affirmed the judgment of the DeKalb county circuit court against the Great Western railway company, in the case of H. D. Root of Sycamore.

Rose, little daughter of Mr. Root, was on her way to Elgin to join her mother, who was visiting there, when she was killed in a collision at Marshall's crossing, near Wasco.

The company tendered \$2,500 damages, but a jury fixed the amount at the limit of \$5,000.

THE GENOA REPUBLICAN.

By Dumser & Dougherty.

FRIDAY, FEBRUARY 6, 1903.

POLITICAL NOTES

For Collector.

I wish to announce to the voters of Genoa that I am a candidate for the office of collector and respectfully ask your support at the Republican caucus.

GEO. W. BURBANK.

I am a candidate for tax collector of Genoa, and will be thankful for the support of the voters.

CHARLES WHITE.

Senator-elect Hopkins has already named his private secretary, who is John Pepper of Aurora. Mr. Pepper is an able man and has figured prominently in Aurora politics for many years.

The twin-cities say they are going to have a base ball park half way between DeKalb and Sycamore on the electric line. Two tracts of land have been selected which seem suitable for a ball park. After the line is built from Sycamore to Genoa, they may want a ball park between Genoa and Sycamore.

Contract Let.

Joshua Siglin of Charter Grove on Saturday last let the contract to Jas. J. Hammond of Genoa for the building of a house and barn on his farm, which was recently purchased, near Charter Grove.

Woodmen Delegates.

The Genoa camp of M. W. of A., at their next regular meeting Thursday evening, will elect eight delegates to the county convention to be held at Sycamore, April 1. At the county convention delegates will be elected to attend the state convention to be held next June.

Very Low Rates.

To points in Montana, Idaho, Washington, Oregon, British Columbia, Utah and Colorado, in effect daily from February 15 to April 30, via Chicago Great Western railway. For full particulars apply to any Chicago Great Western agent, or J. P. Elmer, G. P. A., Chicago, Illinois.

Methodist Announcement.

The special meetings at Ney church will continue over the Sabbath.

Preaching services will be held as usual at the Genoa church at 10:30 a. m. and 7:30 p. m.

The official board of the church will hold their regular monthly meeting in the parlors of the church next Monday evening.

The ladies' aid society will meet with Mrs. Ream at the parsonage on next Friday.

The ladies'aid will hold their semi-annual fair in the church next Wednesday. A program will be given in the evening. All are cordially invited.

Herbert Notes

Alto Brainard is attending court at Sycamore this week.

H. N. Witt is in South Dakota looking up a car load of horses.

Bert Hower took the train for Baraboo, Wisconsin, to visit relatives.

Jack Lampard's new house is completed and they will soon move in.

George Wait brought twenty-one head of fine horses from the west last week.

Miss Lizzie McDonald writes from Golden, Colorado, that she is quite improved in health.

Mrs. Frank Brown has returned from a visit in eastern Ohio, where her parents and other relatives reside.

BUTTER IS FIRM.

Price Is Still Twenty-five Cents.—No Sales on Call.

Butter ruled firm at twenty-five cents. The offerings were but 1,500 pounds. The market was made as above by the price committee. The week's sales amounted to 505,400 pounds.

WAS A BLIZZARD.

Wind and Snow Storm of Tuesday Night Delayed Traffic.

The storm of Tuesday night, which hailed from Lake Michigan, looked as though Mr. Groundhog had not made any mistake after seeing his shadow.

The storm was very severe, and large drifts of snow were formed all along the highways.

The trains were from thirty minutes to five hours late. The Omaha on the C. M. & St. Paul was pulled by two engines, as was also the Omaha train on the Illinois Central.

FORGETS TO RETURN RIG.

Walter Humes Engages Rig at Dr. Danforth's Livery.

Walter Humes, who is supposed to be living at Marengo, engaged a horse and carriage at Dr. Danforth's livery Tuesday night at about 6 o'clock and since that time driver and rig have not put in an appearance.

The horse is an iron-gray in color and was hitched to a top buggy. Mr. Danforth telephoned to all surrounding towns but no clew to Mr. Humes' whereabouts is to be had.

Quietly Married.

On Wednesday evening at 7:30 o'clock occurred the marriage of Miss Cora Haines and Frank R. Reed at Charter Grove. Only the immediate relatives were present. The bride is very popular among her friends at Charter Grove, and the groom, who comes from Lilly Lake, is highly respected. Their many friends are extending congratulations.

START SUIT.

Roy Durham Sues Milwaukee Road For \$10,000.

Roy Durham, formerly of Genoa, has started a suit against the Milwaukee railroad company for \$10,000. Action has been instituted in the name of his nearest relative, Milton M. Durham, his father. The case has been set for trial in Kane county. Durham was injured on the evening of October 10. He had been here and was returning to his home in Elgin when the accident happened. The train stopped, and, supposing that it had arrived at the station, the young man attempted to alight. As he stepped from the train, it started forward and he was thrown under the cars. When picked up it was found that his leg had been severed from his body.

NEW STAMPS.

Old Design Discarded For a New and Better One.

The design of the old two cent stamp which has done veteran service for Uncle Sam for years has been changed, and a brand new design with a striking new likeness of Washington has been issued by the postoffice department. The old stamp has a profile view of Washington and has very little reading matter. The new stamp has a front view with the name "Washington" below the picture and below that the figures "1732-1799" appear.

As reported by Harry S. Heckman for THE GENOA REPUBLICAN of the week ending February 6, 1903.

FIFTH COUNT MADE

By Judges Shows a Grand Total of 2662 Votes.

Miss Jennie Ort is in the Lead With a Fair Majority.—Much Work to Be Done in Last Week of Contest.

The fifth count of THE GENOA REPUBLICAN'S Ladies' Diamond Ring contest was conducted in M. W. Cole's bank on Tuesday evening at 8 o'clock.

Owing to the severity of the weather, but four judges were present; they were Stuart Sherman, L. C. Shaffer, M. W. Cole and Roy S. Tazewell.

When the last vote had been counted, the judges reported Miss Jennie Ort in the lead with 800 votes to her credit, and with 216 votes more than her nearest opponent. Miss Anna Larsen has gained a new position in the race and now occupies second place with 584 votes to her credit. As the contest continues, the enthusiasm increases and no one is in a position to point out the winner.

The contest closes Saturday, February 14. On this date, an official count will be made at 12 o'clock and a bulletin will be issued. The final count will be made at 8 p. m., Saturday, February 14. If the contestants have friends who have several coupons they must have the votes in the ballot box before the final count. Below is the official count:

Jennie Ort.....	800
Anna Larsen.....	584
Katie Bassett.....	540
Etha Pierce.....	416
Lillian Hill.....	200
Hattie Gathercoal.....	122
Total.....	2662

Serious Damage Averted.

The fast mail on the Northwestern narrowly escaped serious accident east of Elgin last Thursday. Section Foreman Wallace McDonald was working along the track there, and, as he stepped aside to let the train pass, he noticed that the breakbeam under the front end of the mail car was hanging, a spring hanger having broken. He immediately tried to signal the engineer, who luckily looked back, and, seeing his motions, stopped the train.

It was discovered that the front end of the car was loose and the break beam hanging. The continual jarring would have probably shaken the car to such an extent that it would have dropped down and wrecked the train. Wilbur Raymond was the only mail clerk in the car.

The damage was partially adjusted and the train proceeded to a point where a new car was put on.

HURT BY SHREDDER

Charles Aves Has Narrow Escape From Serious Injury Saturday.

While Working on a Corn Shredder, His Clothes Were Caught in Machinery and Torn From the Body.

Charles Aves, a prominent farmer of Boone county, had his clothes stripped from his body last Saturday by a corn shredder with which he was working.

While working on the machine, his coat became entangled in the shredder and he was jerked forcibly against the side of the machine but by exerting all his strength held himself away while his clothes were being torn from the body.

He was badly bruised by contact with the machine, but not otherwise injured. Mr. Aves is a son of Mr. and Mrs. William Aves, who live near Colvin Park.

If all babies are cute, my! how some people must have changed! One swallow does not make a summer, nor one beau a marriage.

The Kingston News.

As reported by Harry S. Heckman for THE GENOA REPUBLICAN of the week ending February 6, 1903.

FIFTH COUNT MADE

By Judges Shows a Grand Total of 2662 Votes.

Miss Jennie Ort is in the Lead With a Fair Majority.—Much Work to Be Done in Last Week of Contest.

The fifth count of THE GENOA REPUBLICAN'S Ladies' Diamond Ring contest was conducted in M. W. Cole's bank on Tuesday evening at 8 o'clock.

Owing to the severity of the weather, but four judges were present; they were Stuart Sherman, L. C. Shaffer, M. W. Cole and Roy S. Tazewell.

When the last vote had been counted, the judges reported Miss Jennie Ort in the lead with 800 votes to her credit, and with 216 votes more than her nearest opponent. Miss Anna Larsen has gained a new position in the race and now occupies second place with 584 votes to her credit. As the contest continues, the enthusiasm increases and no one is in a position to point out the winner.

The contest closes Saturday, February 14. On this date, an official count will be made at 12 o'clock and a bulletin will be issued. The final count will be made at 8 p. m., Saturday, February 14. If the contestants have friends who have several coupons they must have the votes in the ballot box before the final count. Below is the official count:

Jennie Ort.....	800
Anna Larsen.....	584
Katie Bassett.....	540
Etha Pierce.....	416
Lillian Hill.....	200
Hattie Gathercoal.....	122
Total.....	2662

Serious Damage Averted.

The fast mail on the North-western narrowly escaped serious accident east of Elgin last Thursday. Section Foreman Wallace McDonald was working along the track there, and, as he stepped aside to let the train pass, he noticed that the breakbeam under the front end of the mail car was hanging, a spring hanger having broken. He immediately tried to signal the engineer, who luckily looked back, and, seeing his motions, stopped the train.

It was discovered that the front end of the car was loose and the break beam hanging. The continual jarring would have probably shaken the car to such an extent that it would have dropped down and wrecked the train. Wilbur Raymond was the only mail clerk in the car.

The damage was partially adjusted and the train proceeded to a point where a new car was put on.

KINGSTON CONTEST

For Miss _____

Can this be True?

Kellogg & Adams have just received the LARGEST SHIPMENT of new buggies, surries, runabouts, carts, spring wagons, etc., ever seen in DeKalb County!

WE have bought our goods from the leading manufacturers, such as the genuine COLUMBUS BUGGY Co. of Columbus, Ohio. We also handle the celebrated STAVER BUGGIES of Chicago and the BROOKVILLE BUGGIES of Brookville, Indiana. Ask dealers elsewhere for these goods, and they will tell you they are too high priced for their trade. We know these makes are THE BEST, and are selling large numbers of these famous makes. There is nothing too good for our trade.

If you are sure, however, that you want a low priced vehicle, don't order from a catalogue house until you see the snaps we have in low priced goods. We will trade buggies, or trade horses; we also buy and sell horses.

HARNESS SNAPS

We bought over One Thousand Dollars' worth of hand-made Harness from a concern that was being closed out. We bought these goods at less than cost and are selling them accordingly. We challenge the whole country to compete with our goods and prices.
