L. Holroyd's residence to corner of Mrs. Dean's residence, 150 feet; 300 feet on Main street from the Whitney building west. Moved by Browne, seconded by Malana, that street commissioner measure the water mains on First street, and the bills be made out and presented to the property owners for payment. Motion carried. Moved by Schmidt, seconded by Hammond that the sidewalk be built as recommended by street committee. All yes. Motion carried. Moved by Hammond, seconded by Malana that board adjourn. Motion carried.

Thos. M. Frazier, V. C.
ORDINANCE NO. 132.

An ordinance providing for the system of water mains and fire hydrants by laying and placing same in and on certain streets in the village of Genoa, Illinois. Be it ordained by the President and Board of Trustees of the village of Genoa, DeKalb Co., Illinois. That the system of water works of the said village of Genoa, Illinois be extended by construction and placing distributing mains and fire hydrants with all necessary appurtenances in certain streets in said village as hereinafter provided.

Section Two. That distributing mains or pipes be laid in the streets hereinafter named and of the internal diameter as follows: beginning at a point on the main on Genoa street and extending south to the north line of Hill street. Said main to be four inches internal diameter, all to be first class quality cast iron water pipe tested to a pressure of three hundred pounds to the square inch and to be laid in a trench six feet in depth below the present surface of the street with joints made of lead and oakum. All connections of one pipe with another shall be made with cast-iron ties or crosses of sizes to fit the pipe to be connected and all ends shall be stopped with cast-iron plugs carefully leaded in. All pipes and special castings and laying thereof shall conform strictly to the plans and profiles and specifications in that behalf now on file in the office of the village clerk, marked filed, this 11th day of May, A. D. 1903.

Signed
Thos. M. Frazier, Village Clerk. Section Three. There shall also be one two-way hydrant located on said water mains at the corner of Genoa and Hill street and said hydrant to be tested and set in full conformity with the specifications thereof on file in the office of the village clerk.

Section Four. The said local improvement shall be constructed in each and every particular in strict accordance with the terms of this ordinance and all plans and specifications thereof on file in the office of the village clerk aforesaid special reference to which plans and specifications detail erection description and matters therein contained is hereby made and the construction of said improvement shall at all times be under the direction and supervision of the superintendent (Continued on Last Page)

REPORT OF COMMITTEE

All Bills Are Paid and the Balance Is Paid Back

JAS. J. HAMMOND GIVES REPORT

List of Checks Paid by Treasurer and Balance of \$74.48 Paid Back 19 Cents on the Dollar---Complete List

The executive committee on the Fourth of July celebration held its final meeting Monday evening, and all bills were paid.

Upon deducting the amount of the bills, \$441.52, from the cash on hand, \$516, a balance on hand of \$74.48 was shown, which has been paid back to all persons subscribing \$5 or more, of which \$387.50 of the subscriptions made up the number who will receive a rebate of 19 cents on the dollar.

Following is the list of rebates:

NAMES	SUBSCRIPTION	REBATE
Eureka Electric Co.	\$50 00	\$9 50
Funk, Lawrence & Co.	50 00	9 50

EUREKA PARK LOTS

Information to Those who Have not Visited Genoa

To those who have not visited Genoa and Eureka Park recently, we again say come. Perfect natural drainage, gravel sub-soil under the entire additions, assuring dry basements. Second street in Eureka Park is the finest street in town. All the streets in Eureka Park are dry, wide, almost level and well graded. Nearly everybody concedes that Genoa will have a population of 5,000 in 5 years. When that time comes, Eureka Park will be almost the center of this beautiful little city, both for business and residences, as Genoa is now up to the Illinois Central R. R. embankment on the west, the grave-yard and hills on the south, so it can practically only grow east and north over the finest laying land the sun ever shown on. We started to sell these lots very much too low; we told you they would advance when the Eureka factory started up. They have advanced and some of those who bought have already been offered a dutchman's one per cent. on their investment. But we are still selling them too cheap, much less than their intrinsic value. But the present prices will prevail until the next factory in Genoa breaks ground which we hope will be early next month, when the prices will again advance; and when that factory is dedicated there will be still another advance. Take our advise and come to Genoa now, buy property while it is cheap; the doubters will come in too, but later, after you have made two or three profits. There is plenty of work for all who come and there will be more of it soon.

If you are a speculator, we say to you that you can double your money on Genoa real estate (properly selected) in twelve months time and we have the goods; we sell you property on easy payments too and without interest. What more do you want?

Houses built in Eureka Park bring 10 per cent. interest on the investment; 30 to 40 new houses needed at once.

GENOA IMPROVEMENT SYNDICATE, Funk, Lawrence & Co., Mgrs. Factory Locaters and Builders of Values. Genoa and Chicago.

Indian Bead Work

Is the latest art fad, we show a complete line of materials, looms, beads, needles, thread, and instructions how to do the work. Theo. F. Swan, Elgin.

I. O. O. F. Picnic.

Wednesday, July 22 the Kane County Odd Fellows and their families expect to enjoy their annual picnic at Lord's park Elgin.

A program has been arranged and races will be held.

Bids Opened

On Tuesday the bids for the new county court house were opened and are as follows:

Groth of Joliet, \$148,400; Tri City Construction Company of Chicago, \$144,700; Moulton & Company of Chicago, \$139,000; McAlpine of Dixon, \$137,964.

Change in Time

The Chicago Great Western has a new schedule in effect June 28. For the new figures, consult time card in these columns.

A marriage that lasts forever and ever is the only real and true marriage.

MISTAKE PROVES FATAL

Mrs. Ethel May Rafferty of Burlington Takes Poison

DIES SHORTLY AFTERWARDS

Thought She Was Taking Her Medicine—Sister Tries to Save Her Life, but of No Avail—Funeral Sunday

A mistake which cast a shadow of sadness over the entire community occurred last Friday morning at Burlington when Mrs. Ethel May Rafferty, wife of Thaddens Rafferty, in taking her medicine as she supposed, took a dose of carboic acid which caused her death within a few moments.

The deceased had risen early in the morning, and went to the living room of the home to take her prescribed medicine. Unconscious of the act, she took a teaspoonful of carboic acid. Owing to an attack of catarrh, she was unable to scent the acid or the mistake probably wouldn't have occurred. Instantly upon taking the dreadful drug, she realized that she was poisoned, and called her sister, who assisted her in applying homeopathic remedies, but death claimed its victim in a few moments.

The news spread over the little village like wild fire, and the relatives at once hurried to the sad scene.

Mrs. Ada Smith, mother of the deceased, upon hearing the terrible news could not wait for her horse and carriage to be made ready, but hurried to the scene arriving just after life had departed.

Friday noon Corner Mead held an inquest over the remains, and the verdict was accidental death, caused by carboic acid.

OBITUARY

Ethel May, oldest daughter of Ira and Ada Smith, was born Dec. 9, 1878, on the Smith homestead in Burlington township.

As a child she was ever a help and a comfort to her parents, taking a mother's place with the younger sister and brothers when her mother was ill to do for them; ever thoughtful and willing, comforting and helping those who were afflicted or in need.

Her education was obtained in the district school. At the time of her father's death, in 1895, which recalls to our minds a similar incident, she left school and began teaching to help her widowed mother care for and support the little ones. As a teacher she was beloved by pupils and parents alike.

She was one of the charter members of the Genevieve Ladies' garrison, No. 93, of the order of the Knights of the Globe, which was organized at Burlington in 1900.

She was chosen as the first worthy adjutant, an office which she filled with ability and loyalty until the time of her death.

On Nov. 27, 1901, she became the beloved wife of Thaddus Rafferty. Their union was a very happy one. But death, which, sooner or later, will claim us all, came.

She leaves a husband, mother, sister, and four brothers to mourn her loss. Rev. C. A. Briggs, Sr.

Cecil Smith formerly of this place is a brother.

The funeral services were held Sunday afternoon, conducted by Rev. C. A. Briggs, Sr., and were largely attended.

THE GENOA REPUBLICAN.

By Dumser & Dougherty.

FRIDAY, JULY 17, 1903.

The Genoa Republican last week was resplendent in red, white and blue; the first page especially was a stunner.—Marengo Republican.

A fourth of July number of the Genoa Republican has reached our desk. It is garbed in a patriotic dress, and on the front page is the American flag strikingly illustrated. The sheet certainly evidences enterprise and good taste in make-up.—Belvidere Northwest-ern.

NEW FACTORY STARTS

News of Interest Concerning Genoa's New Industry

Monday was an important day in the history of Genoa.

A gang of fifty employes under the personal supervision of President I. J. Kusel and chief engineer Hanson, started in to put the new Eureka factory into condition.

The many carloads of machinery recently shipped from Chicago were uncrated and erected in proper shape, and carpenters were busy making racks and other conveniences for handling the work.

The first place to be put to rights was the machine room, which occupies the ground floor of the main part of the building. This part of the factory will be in full worknig order this week, and the other departments will not be far behind. Sometime next week the factory will start full swing with 200 employes. The full product will be about 200 telephones and 250 drops for switch boards every day, the product being valued at between \$2500 and \$3000. A large share of the work will be piece work, and the workmen will make good wages. It will take about 60 days. Mr. Kusel said, before everything will be settled and the maxium product reached.

It now looks as if all the boarding houses in town would be full to veroflowing. Mr. Kusel is receiving applications for positions in the factory, and is looking for ambitions young men who want to master the telephone business.

A night school will be started in which the electrical principals upon which the telephone is built will be fully and carefully explained by the company's experts.

July 18 the force will be paid for work done up to July 15, and Aug. 3 checks will be handed out for work up to Aug. 1, making two pay days monthly.

Mr. Kusel hopes that during the summer a woodworking establishment and a brass foundry will be induced to locate here, as the Eureka Electric Co. has large contracts to let in these lines.

Within two years the Eureka managers hope to duplicate the present building on the other end of their lot, and employ 400 hands.

The toots of the new factory whistle have been scheduled and are as follows:

- First.....6:30 a. m.
- Second.....7:00 a. m.
- Third.....12 m.
- Fourth.....12:30 p. m.
- Fifth.....1:00 p. m.
- Sixth.....6:00 p. m.

In case of fire, whistle will be sounded in lengthy tones.

Cholera Infantum

This has long been regarded as one of the most dangerous and fatal diseases to which infants are subject. It can be cured, however, when properly treated. All that is necessary is to give Chamberlain's colic, cholera and diarrhoea remedy and castor oil, as directed with each bottle, and a cure is certain. For sale by F. T. Robinson.

Good advice has a monetary value. It's the other kind that is handed out by those who are running a gift enterprise.

WOODMEN'S NEW ASSESSMENT

"Iowa" Plan Which Was Adopted at the Indianapolis Meeting

In a nutshell, the new schedule of the Modern Woodmen adopted at Indianapolis, provides for an increase in the old rates ranging from about 35 per cent. on the younger members to as much as 90 per cent. on members up to the 45 year limit of admission to insurance department of that organization.

The old rates of assessment, which the "Iowa" schedule will replace are as follows:

Age	\$500	\$1,000	\$2,000	\$3,000
19 to 28 years	\$.25	\$.40	\$.80	\$1.20
29 to 33 years	..35	..60	1.20	1.80
34 to 37 years	..45	..85	1.70	2.40
38 to 39 years	..50	1.00	2.00	2.70
40 to 41 years	..60	1.20	2.40	3.30
42 to 43 years	..75	1.50	3.00	4.20
44 to 45 years	1.00	2.00	4.00	5.50

"The Iowa plan," rates to go into effect as soon as it is possible to make the change, are as follows:

Age at nearest birthday	\$500	\$1,000	\$2,000	\$3,000
18-25 yrs inclusive	..25	..50	1.00	1.50
26-29 "	..30	..60	1.20	1.80
30-31 "	..35	..75	1.50	2.25
32-33 "	..40	1.00	2.00	3.00
34-35 "	..45	1.20	2.40	3.60
36-37 "	..50	1.50	3.00	4.50
38-39 "	..60	2.00	4.00	6.00
40-41 "	..75	2.50	5.00	7.50
42-43 "	1.00	3.00	6.00	9.00
44-45 "	1.50	4.00	8.00	12.00

No reserve fund is provided for. Consequently will levy only enough to pay death claims. This means that there will not necessarily be twelve assessments each year, for if the accumulations of one or more assessments result in enough to pay two or more batches of claims, there will be a skip of one or more.

Special Summer Rates

For round trip tickets during the summer season to St. Paul, Minneapolis, Duluth, Ashland, Waukesha, Devils Lake, Gogebic, Lake Geneva, Madison, Lake Mills, Marquette, Green Lake, Lake Minnetonka, and other summer resorts of Wisconsin, Northern Michigan and Minnesota, Yellowstone National Park, Oregon, Washington and Alaska. Descriptive pamphlets "Colorado", "California" and "Hints to Tourists", given detailed information, mailed upon receipt of two cents each for postage, on application to W. B. Kniskern, P. T. M., Chicago, Ill. For rates and tickets apply to ticket agents Chicago & North-Western Ry.

Chicago's Centennial Celebration

The Chicago & North-Western Ry announces that much interest is being evidenced throughout the west in Chicago's celebration of the 100th anniversary of that city's settlement in 1803. The celebration will take place from September 26 to October 1, next, with the program that includes a series of commemorative events that possess many special features of interest. A great naval display will be a part of the program, together with regattas and the spectacular arrival in canoes, by way of the lake, of 400 Indians, the descendants of tribes formerly occupying this site, who will establish a village around a reproduction of old Fort Dearborn, on the lake front.

Athletic contests, parades, great fire works displays, patriotic meeting and religious services, a grand chorus, military maneuvers by government troops, and on the concluding day a reception to the president of the United States and other distinguished guests, all contribute to a most elaborate program.

Every energy is being employed to make the occasion typical of that spirit that has made Chicago one of the greatest cities in the world.

R-I-P-A-N-S Tabules
Doctors find
A good prescription
For mankind

The 6-cent packet is enough for usual occasions. The family bottle (60 cents) contains a supply for a year. All druggists sell them.

Nobody ever hurt his eyes looking for the bright side of things.

HOPKINS WILL SPEAK

At Epworth Grove on Flag Day, August 13, 1903

Flag Day, the opening day of the Epworth Camp meeting, will be made one of the big days of the meeting this year, and it is thought that the address of the day will be made by Senator A. J. Hopkins.

The people will be invited to make the day a big one, to bring their lunches and stay as long as they want to.

The meeting begins on August 13 and continues for ten days.

The evangelist for the year is Rev. E. J. Baskerville of Detroit. He will have charge of the bible meetings and will preach every day.

F. G. Fischer, who was here with Rev. W. A. Sunday will have charge of the singing during the meetings.

The meetings this year promise to be the biggest ever held on the grounds. New cottages are being built and people are asking for tents who have never attended these meetings before. Forty will come from St. Charles.

Thomas J. Cornwell of Belvidere has charge of the grounds and they are in good condition in every way. An effort is being made to secure a special train to and from the grounds to Belvidere every night so that people from that city can attend the evening services.

PUT ON NAME OF STATE

In Addressing Envelope Do Not Forget This Important Matter.

Postmasters all over the country are being notified from Washington to inform the general public of the necessity of writing the state on envelopes addressed to large cities.

It is the custom, the Washington officials say to address letters simply Louisville, New York, Chicago, etc., the average man not knowing that many states have towns bearing these names.

For instance, a letter addressed to Louisville could properly be forwarded to twelve states.

There is a Louisville in Kentucky, Alabama, Colorado, New York, Georgia, Illinois, Kansas, Mississippi, Missouri, Ohio and Tennessee, while a Louisville is also in New York. There are twenty-seven Lexingtons in the country.

Herbert Notes

The ladies aid society met with Mrs. C. G. Meyers last week.

Frank Brown has just completed a new horse barn for Dan Meyers.

Mrs. Boyer of Belvidere is visiting relatives in this vicinity.

Mr. Hawkins, secretary of the Y. M. C. A. at Belvidere, led the Epworth League at the church Sunday evening.

Charles Mott, who has been visiting relatives in this vicinity, returned to his home Thursday.

Fred Reed shipped several car loads of hogs last week.

The Royal Neighbors entertained the Genoa and Belvidere camps at their last meeting.

Work has begun on the pickle factory and the manager, Thos. Sheehan, expects to have everything in running order by the time the cucumber crop is ready.

Many a man goes to the bad because he attempts to pose as a good fellow.

At the age of 127 this country's remarkable vitality may be attributed to its wonderful constitution.

While the easy-going individual is trying to figure out which is the best foot to put forward the strenuous man gets there with both feet.

WATER IN MILK

Hampshire Shipper Held Responsible In Chicago

A milk shipper at Hampshire is held responsible for the water in sixteen gallons of milk that was thrown into a sewer at Claybourn place, Chicago, Monday, by inspectors of the health department acting under direction of City Chemist D. B. Bisbee. The milk was taken from a St. Paul train.

Two other eight gallon cans were regarded with suspicion by the chemist but their contents were not disturbed.

"The milk of several shippers has been found to contain water," said Mr. Bisbee. "We shall destroy the milk whenever it does not reach the standard. Milk is scarce but is improving in quality."

There is a disposition on the part of the health authorities to allow the milk dealers until Aug. 1 to paint their skim milk cans the vermilion hue required by the new city ordinance.

"The inspectors are keeping a sharp lookout for violators of the law," said Dr. Jaques. "Most of the dealers who depended on skim milk for their customers are now selling whole milk. These dealers have been in the habit of selling enough cream from the tops of their eight galon cans to pay for the milk and then coloring the remainder and selling it at 5 and 6 cents a quart. The 'red can' ordinance has killed their trade."

One north side firm on Monday received 1,400 orders for the red cans.—Elgin Courier.

No Pity Shown

"For years fate was after me continuously" writes F. A. Gullidge, Verbena, Ala. "I had a terrible case of Piles causing 24 tumors. When all failed Bucklen's Arnica Salve cured me. Equally good for burns and all aches and pains. Only 25c at F. T. Robinson's drug store."

Nowadays.

Charlie (after acceptance)—There's your father. Shall I speak to him now? Gladys—Mercy, no! Not to him! Charlie—Your mother, then? Gladys—No! You must ask the cook if she objects to one more in the family.

GOOD BREAD GOOD CHILDREN

EXCELSIOR is the flour that produces the bread that nourishes the child that makes the best citizen; and that's easily demonstrated. I have just received a car-load of this flour and can make you the best prices in town, quality considered.

BROWN & BROWN

Established in 1882. GENOA, ILLINOIS

Does a general banking business.

Buys and sells foreign and domestic exchanges.

Sells banker's money orders payable in New York, Boston, Chicago, San Francisco, New Orleans, Toronto, Montreal, Winnipeg, Vancouver and Mexico City.

Residence property—improved and vacant—for sale.

REPUBLICAN WANT ADS BRING RESULTS

The Kingston News

As reported by Harry S. Heckman for THE GENOA REPUBLICAN of the week ending July 17, 1903.

Jim Dumps and wife invariably had "Force" for Sunday evening tea. When cook went out that afternoon, "Tis but a saucer and a spoon To wash—a task not grim— And all are pleased," laughed "Sunny Jim."

FORCE
The Ready-to-Serve Cereal

pleases everybody in every way.

We Like It.
"We use 'Force' at home and like it exceedingly."
"H. R. SAUNDERS."

Leave orders or wait at the Republican office.

CELEBRATED "MINNIE"

The Best Binder in the Field for 1903

I am the "MINNIE"

that all competitors hate to see come into the field. The "Minnie" is not in any combine. This harvester has a reputation hard to beat, and can be purchased just as cheaply as any International harvester. I am made better than ever, and better than others. The Ellwood all steel Woven Wire Field Fence is a practical fence that will positively turn Cattle, Horses, Hogs and Pigs. A fence that is strong, practically everlasting, and proven thoroughly efficient under every possible condition. We sell it.

REPAIRS---All kinds of repairs may be had for the "MINNIE" Binder

J. H. UPLINGER, Kingston, Illinois

Very Remarkable Cure of Diarrhoea

"About six years ago for the first time in my life I had a sudden and severe attack of diarrhoea" says Mrs. Alice Miller, of Morgan, Texas. "I got temporary relief, but it came back again and again, and for six long years I have suffered more misery and agony than I can tell. It was worse than death. My husband spent hundreds of dollars for physicians' prescriptions and treatment without avail. Finally we moved to Bosque county, our present home, and one day I happened to see an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy with a testimonial of a man who had been cured by it. The case was so similar to my own that I concluded to try the remedy.

The result was wonderful. I could hardly realize that I was well again, or believe it could be so after having suffered so long, but that one bottle of medicine, costing but a few cents cured me." For sale by F. T. Robinson.

Via the C. M. & St. Paul R. R. June 1 to September 30, round trip tourist tickets limited for return until October 31, will be sold to Denver, Colorado Springs, Pueblo and Glenwood Springs, Colo., and to Salt Lake City and Ogden, Utah. One regular fare plus 50c for the round trip. Also to Hot Springs, Custer, Deadwood and Lead, S. D., and El Paso, Texas. Through trains, standard and tourist sleeping cars daily.

How Are These For Facts?

The cut is a scene taken in the harvest fields on the big "Wagner Ranch" near Herman. This is probably one of the largest farms in the state, and is owned entirely by H. Wagner & Sons. The farm consists of 2,240 acres, all of which was in crop this year. Just to show what can be done on Minnesota soil, we give a report of the crops raised on this ranch this year. 750 acres of wheat, 21 bushels to the acre and sold at 60 cents a bushel; 350 acres of flax, 14 bushels to the acre, sold at \$1.28 per bushel; 230 acres of barley, 31 bushels to the acre, sold at 50 cents per bushel; 310 acres of oats, 65 bushels per acre, and 320 acres of corn that matured and was a good crop. Some of the land is in pasture and the balance summer fallowed.

The ranch has made a profit for the owners of \$10 per acre and has increased in value about \$12 an acre. This is since last spring. Here is a record that is hard to equal, and we are of the opinion that it is impossible to beat it. Compare this with the results one would get from an investment in Dakota or Canadian lands and then come up and locate in the garden spot of the world. The Wagners will run this ranch another year on the same large scale, as they are satisfied that Minnesota can raise good crops and also that the land is sure to further increase in value. Ten men besides a foreman are regularly employed and during the harvest and threshing a large extra force was put in the fields. From seven to ten binders were at work harvesting the crop and finished it all up in about nine days. A threshing machine, owned on the farm, threshed out the grain in one month, and now the fifty horses that are kept on the farm are at work plowing and preparing for the next year's crop. The members of the firm of H. Wagner & Sons are: H. Wagner, of Ankeney, Iowa; A. W. Wagner, of Ankeney, Iowa, and the manager, H. E. Wagner, of Emmetsburg, Iowa.—Grant County Review, Oct. 30, 1902.

Farm Residence of H. H. Bristow, near Herman.

We Are Located

in the Extreme Southern Part of the Red River valley (nearly 100 miles southeast of Fargo) and owing to the fact of our being between the sources of the Red River, flowing north, and the Minnesota River, flowing southeast, we have as good and probably the best drainage in this state or any other.

School Census
Miss Ella White, who has just completed taking the census of this school district, finds that our population is on the increase. The figures are as follows:
Number of families.....304
Population.....1,383
Under 21 years of age.....431
Under 16 years of age.....329
Under 6 years of age.....116
Gain during the year.....97

Meet Here
The Charter Grove M. E. ladies' aid society met Wednesday afternoon at the home of Miss Lottie Brown in Genoa. About twenty were present and an enjoyable afternoon was the result. Light refreshments were served.

MONEY FOR CLERKS
C. F. Hall Company of Dundee Distributes Nearly \$400 Among its Employees
Our readers will remember that in July, 1901, the C. F. Hall Co. of Dundee announced that beginning with that date they would declare to their employes a semi-annual dividend of 1 per cent of their gross sales, same to be divided in the ratio of the wages which each received. This offer was made with no promise of indefinite continuance but the dividend has been declared at the end of 6 months and it is a significant fact that the firm's sales have steadily and rapidly increased.
On Wednesday evening last, the employes were entertained at the home of C. F. Hall, and after refreshments had been served the checks, fifteen in number and ranging in amounts from \$1.72 to \$56.26, were distributed. Business plans were also discussed and an appropriation made for the purchase of suggestions which any employe might offer at the next semi-annual meeting, when according to all indications, the dividend declared will be still larger.

Child Employment
Certificates are being issued from the office of the president of the board of education for the employment of child labor. Since the passing of the new law, July 1 it is necessary for the employer to possess a certificate signed by the child's teacher, parents or person authorized by the school board to approve certification.
Miss Elma Smock has been appointed by the school board to issue certification.

Rooms and Board Wanted
All those who will accept boarders or roomers (Eureka Electric company employes) please call at office.
FUNK, LAWRENCE & CO.

Night Was Her Terror
"I would cough nearly all night long" writes Mrs. Chas. Applegate, of Alexandria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but, when all other medicines failed, three \$1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 58 pounds." It's absolutely guaranteed to cure coughs, colds, la-grippe, bronchitis and all throat and lung troubles. Price 50c and \$1.00. Trial bottles free at F. T. Robinson's drug store.

AL. YALDEN INJURED
Met with Bad Accident on Thursday Morning
Al. Yalden met with an accident Thursday morning which might have taken his life.
The accident occurred at Co-hoon & Lawyer's elevator while Mr. Yalden was attempting to throw off the large power belt. His jacket caught in the belt and carried his arms in with it. By terrible force he tore the clothes from his back to release himself. His arms were badly bruised and his muscles strained. Dr. Hill attended him.

BOARD OF TRADE
No Change in Price of Butter—Steady, 20 Cents
There is no change in price of butter. The quotation committee decided on 20 cents steady as the market price of butter. No offerings were made. The output for this district was 832,900 pounds.

Freeport Driving Association
For meeting of the Freeport driving park association to be held at Freeport, the Illinois Central will sell tickets from Genoa to Freeport and return at one third fare.
Tickets to be sold July 28 to 31 inclusive; final return limit on August 1.

"Short Jaunts for Busy People"

50 Years of Success

This is our record. From a small beginning we have grown until our factories now cover many acres. Many of our machines sold forty to fifty years ago are still giving their users faithful service. Can anything be more convincing of their merits and durability? Did you ever hear of any other machine with such a record?

Note a few of the many superior points of the

Wheeler & Wilson Sewing Machine No. 9

The Rotary Hook displaces the old, out-of-date, unmechanical and troublesome shuttle.

The Frictionless ball bearings and perfect mechanical construction enable it to be operated with one-third less exertion than is required by ordinary machines. It sews three yards of goods while a shuttle machine sews two.

It makes the most elastic and most perfect stitch whether sewing light or heavy goods.

With our superior attachments the greatest variety of work is possible.

Do not make the mistake of buying a sewing machine until you have given the Wheeler & Wilson No. 9 a trial.

GENOA, ILLINOIS.

ORDINANCE NO. 132 (Continued from Page 1)

of water works of said village of Genoa, Illinois, and the same shall be done and completed in all particulars to his entire satisfaction and the contract or contracts of said improvement shall be let in all particulars in the same manner as provided by law.

Section Five. The said improvement shall be made and the cost thereof paid by special assessment to be levied upon property benefited thereby to the amount that the same may be legally assessed therefor and the remainder of said cost if any to be paid by general taxation as provided by law.

Section Six. The total amount of said special assessment shall be divided into five (5) installments and the division of said total amount shall be made so that all installments shall be equal in amount, except that all fractional amounts shall be added to the first installment so as to leave the remaining installments of the aggregate equal in amount and each a multiple of one hundred dollars. The first installment shall be due and payable on the second (2) day of January next after confirmation of the assessment and the second installment one year thereafter and so on annually until all are paid. Each individual assessment therein to be divided and made payable in five (5) yearly installments. All installments except the first shall bear interest from and after the date of confirmation until paid at the rate of four (4) per cent. per annum. The interest on each installment except the first shall be payable as follows: on the second day of January next succeeding the date of confirmation the interest accrued to that time on all unpaid installments shall be due and payable and collected with the installment and thereafter the interest on all unpaid installments then payable shall be payable annually and be due and payable at the same time as the installments maturing in each year and be collected therewith. In all cases it shall be the duty to collect interest thereon up to the date of such payment whether such payment is made at or after maturity. Any person may pay the whole of any assessment against any lot, parcel or piece of land or any installment thereof with interest up to the date of payment at any time before the bonds hereinafter provided are issued but after said bonds are issued payment shall not be received of any installment before its maturity unless interest thereon up to the second day of January succeeding is also paid at the same time.

Section Seven. For the purpose of anticipating the collection of the second and succeeding installments of said assessment for said improvement bonds shall be issued by the said village of Genoa payable out of said installments and bearing interest at the rate of six per cent. per annum payable annually which bonds shall be signed by the president of the village of Genoa and attested by the clerk of said village under the corporate seal of the village. Said bonds shall be issued in accordance with and shall in all respects conform to the provisions of an act of the General Assembly of the state of Illinois entitled, "An act concerning local improvements approved June 14, 1897 and all amendments thereto.

Section Eight. A. S. Holembek, attorney for said village of Genoa, Illinois, is hereby authorized and directed to prepare and file a petition in the county court of DeKalb county in the name of the village of Genoa praying that steps be taken to levy a special assessment for said improvement in accordance with the provisions of this ordinance and the laws of the state of Illinois applicable thereto.

Section Nine. All ordinances

and parts of ordinances of the village of Genoa in conflict with this ordinance shall be and the same are hereby repealed.

Section Ten. This ordinance shall be in force and take effect from and after its passage and approval.

Passed this 10th day of July, 1903.

Approved this 10th day of July, 1903.

Published this 17th day of July, 1903.

Attest: H. A. Perkins, president of board.
THOS M. FRAZIER, Village Clerk.

Brutally Tortured

A case came to light that for persistent and unmerciful torture has perhaps never been equaled. Joe Golobick of Colusa, California, writes, "For 15 years I endured insufferable pain from rheumatism and nothing relieved me though I tried everything known. I came across Electric Bitters and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." Just as good for liver and kidney troubles and general debility Only 50c. Satisfaction guaranteed by F. T. Robinson, Druggist.

A Warm Weather Bargain

We have just placed on sale 25 dozen women's summer waists, white lawn lace and embroidery trimmed. White lawn with neat black embroidery, white waists with ecru embroidery and applique, all waists that the manufacturer asked \$3 to \$6 each for early in the season, a fortunate purchase enables us to place them on sale at 1.49, 1.98, 2.49 and 2.79, they represent the best waist values that have ever been offered in Elgin. Theo. F. Swan, Elgin.

Electric Company May Settle

R. S. Egan, representing Mr. and Mrs. Elmer Day in the matter of obtaining damages from the DeKalb Sycamore Electric Railway company, held a conference with Superintendent Glidden and an attorney for the company at DeKalb Tuesday, concerning the accident which caused the death of Foster Day on the afternoon of April 16. The officials of the road are inclined to make a reasonable settlement and for that reason the matter will probably never be heard in court.

Young Day was on his way home from school at the time of his death. The accident occurred on the right of the Normal school grounds. The motorman of the car which struck Day says he rang the gong before the car run the boy down. Shortly after the unfortunate occurrence Day died in the office of Dr. Wilder.—Elgin Courier.

Working Night And Day

The busiest and mightiest little thing that ever was made is Dr. King's New Life Pills. These pills change weakness into strength, listlessness into energy, brain fog into mental power. They're wonderful in building up the health. Only 25c per box. Sold by F. T. Robinson.

Colorado--California

A handsome book of fifty-six pages descriptive of these two wonderful states has just been published by the Chicago, Milwaukee & St. Paul railway. It is illustrated by half tones and colored plates, and will form a valuable addition to any library of travel. Brief reference is made to the new through train service from Chicago to Nebraska, Colorado, Wyoming Utah and California via this line. The book will be sent to any address for six cents postage. F. A. MILLER, general passenger agent, Chicago.

Union Made Goods

cost no more than the ordinary kinds when bought here, the union label assures perfect honest made garments. Men's overall of excellent denim double-stitched and reinforced, 46c each. Theo. F. Swan, Elgin.

FIGURING ON A BINDER

Write for the McCormick book, "A MODEL MACHINE."

figuring on buying a binder should figure on buying the McCormick and be assured of a good and lasting binder—a binder that can always be depended upon in the harvest field.
