TO FIGHT LOCAL OPTION LAW

It is Announced that Liquor Dealers will Fight the New Local Option Law in the Courts

The smokestack which the Borden company will build for its new factory at Huntley, Ill., will be 125 feet high.

Beginning June first station agents and telegraph operators on the Burlington road were given an advance in wages of from seven to fifteen per cent.

Claiming that liquor sold to her husband caused his death, Mrs. Agnes Kiedle has brought suit against August Deltman of Carpentersville in the sum of \$5,000.

At Creston it is reported the saloon license has been raised from \$600 to \$1,000 and the saloons have refused to stand for the raise and are going out of business.

The legislature at its recent session passed a statute granting the State Normals to confer degrees upon students who continue the work after finishing the Normal course. This will add importance to the DeKalb school.

A little girl was twitted by her companions that she was only an "adopted girl and did not belong to her papa and mamma." She retorted: "My papa and mamma picked me because they wanted me and yours had to take you whether they wanted to or not."

Readjustments of postmaster's salaries take effect July 1. DeKalb, Batavia, Aurora and Elgin get an increase of \$100 per year, while Mendota and Sycamore each get a decrease of \$100, and the postoffice at Leland has been reduced from a presidential office to the fourth grade, from which it was raised not long ago.

Springfield Journal—The announcement comes from Peoria that the liquor dealers are combining to fight the new local option law of the state in the courts and that they have already formed a temporary organization to carry on the work. This announcement will be read with astonishment by the people of Illinois. It indicates an unwillingness on the part of the liquor dealers to allow the municipalities of the state the right of self government.

The smallpox situation in Aurora is assuming proportions beyond the expectations of those fighting the disease, and they are alarmed for fear that a general order will have to be given instructing all to be vaccinated. The disease has been prevalent there for the past several months, and during the latter part of the winter the schools were closed on this account. It was thought, however, that the epidemic was checked, but it seemingly has broken out again, and is growing each day.

FIRST DIRT TURNED

Construction of Piano Factory is Now Under Way

The first shovel full of dirt was turned on the piano factory site last Monday, and the trench in which the foundation will rest is now ready for the stone.

It has been a long wait and the people of Genoa will hail with joy the first car load of brick which is placed on the new side track which is now completed. Contractor Hammond has received bills for several car loads of material now and the cars may be put in before this article is in type.

Catholic Services The services at the Catholic chapel next Sunday will be at the usual hour, 10:30 a. m. The public is always welcome.

GENOA'S \$400.00 CELEBRATION

The program for Genoa's big celebration is now arranged in detail and all that remains to make the thing a huge success is the crowd. From present indications the crowd will be here. Everyone who has seen the day's program is well pleased with it. Not a cent less than \$400.00 will be expended in defraying the day's expenses, including the liberal prizes.

The Water Fight The water fight means more fun for the spectators than anything during the day. This event will be pulled off near the city water station. Two sets of men, probably the two fire companies, will fight with water by turning the hose on. The company which stands the ducking longest will receive a prize of \$10.00, the losers to take \$5.00.

The Parade The parade of business floats, fantastics and farmers' rigs will start promptly at 10:00 o'clock. Those who wish to enter will meet on Railroad street, near the stock yards at 9:00 o'clock. The line of march will be thru the principal streets of the city. Farmers particularly are urged to enter the parade and take a chance at the prize.

The prizes offered are as follows:

- FARMERS' DOUBLE HITCH First Prize \$5.00 Second 2.00 Best Single Hitch 3.00 INDUSTRIAL FLOATS First Prize \$6.00 Second 4.00 Third 2.00 CALLITHUMPIAN First Prize \$6.00 Second 4.00 Third 2.00

Street Vaudeville The vaudeville will take place on an open platform on Main street during the afternoon and

BALL PLAYERS PILED UP

Bus Turns Over into Ditch Sunday Evening

In returning from Sycamore Sunday evening the bus in which the Genoa White Sox were riding was turned over into the ditch and badly smashed. The boys escaped with only a few bruises.

When a short distance out of Sycamore on a narrow pike, they met an automobile. The horses jumped to one side just far enough to let the wheels on one side slide over the embankment. In an instant the bus was on its side and the ball players thrown into a heap that would put to shame a regulation football scrimmage.

There was a little water in the ditch, which had it been deeper would have been the undoing of Fred Reuhlman. His face was forced into the pool and it was some time before those on top of him could move. Had the water been deeper he could not have held his head above it. Roy McKee received an ugly gash on the head, his being the most severe injury.

The top of the bus was smashed to kindling on one side.

Paper Day Earlier

The Republican-Journal will be published one day earlier next week, the regular publication day falling on the 4th of July. We could, of course, get the paper out on the 4th, but the members of the office force desire to pluck a few feathers from the eagle's tail themselves, hence the rush.

Advertisers and correspondents are requested to send in copy one day earlier than usual.

THE CORSON PICNIC

Attended by About 175 Members of the Family

The annual Corson picnic was held at the farm home of Jos. L. Corson at Ney last Thursday, and was attended by about 175 people, nearly all of whom were connected either by birth or marriage with the Corsons.

The day was ideal and the event was greatly enjoyed by young and old, the former in making a "rough house" of it, while the older people indulged in pleasant reminiscences of past years.

There was Corson blood present from Marengo, Genoa, Dundee, Chicago, Belvidere, but the neighborhood of Riley and Ney furnished the greatest number.

A dinner was served at a long table on the lawn—and such a dinner! If there is anything in the cook book that was not represented there it isn't worth mentioning. Later in the afternoon a fifteen gallon can of ice cream was opened, while during the entire day the little ones had their fill of fruit, candy and nuts.

At the business meeting held in the afternoon M. J. Corson was elected president of the association, J. L. Corson was made vice president and Clarence Corson of Marengo took the office of secretary and treasurer.

Next year the picnic will be held at the farm home of James Corson in Riley. The date will be set later.

Ed. Rogers of South Dakota was here this week calling on friends.

NOW, ALL TOGETHER!

Let Genoa Appear at its Best on the Fourth of July

Genoa will or should have the biggest crowd in its history on the fourth of July. There are two reasons why this should be the case. It is the only celebration in the county and the attractions are better than ever before.

Now, let us all pull together and make Genoa shine like a new silver dollar on that day. The city council will no doubt see that the grass and weeds on public property and streets are cut, and citizen's should make an effort to have their yards, both front and back looking the best possible.

All who possibly can should decorate their homes or business places with flags of some kind. Let us make an impression that will stay with our guests for all time. Let every man and woman consider himself or herself a member of the entertainment committee and endeavor to make it as pleasant as possible for the hundreds of visitors who will be here as the guests of Genoa.

Sox Defeat Sycamore

The Genoa White Sox defeated Sycamore at Electric Park last Sunday, the score being 7 to 2. The Sox put up a good game in every part of the field and diamond. The game with Kirkland Saturday was called in the fifth inning on account of rain, with honors about evenly divided. Four innings of the five were played in the rain, making it impossible for either team to do well.

JUNE WEDDING BELLS

MR. F. W. DUVAL MARRIES A FAIRDALE LADY

RICKNER-SCHMIDT NUPTIALS

Mr. L. W. Duval and Miss Annetta O'Berg Married at Charter Grove Wednesday

Another quiet wedding ceremony took place at the home of Mr. and Mrs. Wm. Schmidt, Sr., last Wednesday evening at eight o'clock when their daughter, Ella, became the bride of Mr. George Rickner, formerly of Hampshire. Rev. J. Molthan, pastor of the German Lutheran church officiated.

It was a strictly private affair. Only members of the family being present.

The bride has resided in Genoa all her life and has always been a favorite among her associates, being full of life and possessing a pleasing disposition.

Mr. and Mrs. Rickner will make their home in Elgin.

DUVAL-GILCHRIST

Mr. F. W. Duval and Miss Leafy Gilchrist of Chicago were married in that city last Wednesday and are now in Genoa receiving the congratulations of friends.

The groom is one of Genoa's most successful business men and that he is popular was demonstrated this spring when the voters elected him supervisor over two strong opponents.

The bride is the daughter of the late Warren and Mrs. Gilchrist who formerly resided in Fairdale. She is a woman of charming personality, being an excellent musician and entertaining conversationalist.

Mr. and Mrs. Duval will soon begin housekeeping in the rooms over the meat market, which are now being remodeled.

HUTTON-BUCK

The marriage of Mr. W. L. Hutton, formerly of Canada and Miss Cora Buck, daughter of Mr. Alfred Buck, took place at the home of the bride this (Thursday) afternoon at four o'clock, Rev. T. E. Ream officiating. Mr. and Mrs. Hutton will reside in Hyde Park, Ill. Particulars of wedding will be published later.

DUVAL-O'BERG

At the home of the bride's parents at Charter Grove on Wednesday evening of this week occurred the marriage of Mr. Louis W. Duval and Miss Annetta O'Berg. The ceremony was performed promptly at eight o'clock, Rev. Frykman, pastor of the Sycamore Swedish Lutheran church, officiating, the ring ceremony being used.

The groom was attended by Mr. Emil O'Berg of Charter Grove, brother of the bride, and Miss Minnie Nelson of Sycamore acted as bride's maid. Miss Gladys Wood of Charter Grove was ring bearer. It was a pretty ceremony and the decorations were in keeping with the general beautiful effect.

After the ceremony a five course dinner was served. There were numerous costly and beautiful gifts and overwhelming congratulations had been sent out to friends.

After a week or two in the west Mr. and Mrs. Duval will commence housekeeping on Sycamore street in Genoa.

The groom is a partner of F. W. Duval in the meat business and a man of sterling qualities. The bride, daughter of Mr. and Mrs. N. O'Berg, conducted a millinery establishment in Genoa for some time and made many friends who will be pleased to welcome her as a permanent resident of Genoa.

WEEK OF FUNERALS

BODY OF HARRY BALDWIN BROUGHT FROM VIRGINIA

DEATH OF HENRY DURHAM

Julius Sell Passed Away Monday Morning—Funerals Held Wednesday and Thursday

Julius Hermann Sell was born June 7, 1835, at Boshpohl, Germany. Forty-two years ago he married Miss Amalie Henrietta Rosenke. To them twelve children were born. In 1861 he came to America with his family and at first lived in the vicinity of Genoa and during the last years of his life in the village itself. During the 6 or 8 years previous to his death he was quite feeble due to hardships incurred in his younger years in Germany. His death was caused by a fall down a few steps at the rear of his home, Sunday, May 26, breaking his right leg at the hip close to the joint. This put him on the sick bed and he passed away Monday, June 24, at 1:30 a. m. Just before the end came he folded his hands over his chest saying the Lord's prayer aloud and in a few moments his life ended. He died at the age of 72 years and 17 days, leaving behind him his widow, 5 sons, 8 grandchildren; 1 brother and 1 sister both living in Germany.

Henry Durham, who for several years past has been a resident of Louisiana, passed away at the home of his son, A. S., in this city at three o'clock Monday morning. Mr. Durham had been in poor health for some time and during the four weeks since he arrived in Genoa he was confined to his bed. The funeral services were held Wednesday afternoon.

The body of Harry Baldwin arrived here from Norfolk, Va., Wednesday and the funeral services held this (Thursday) morning. At this time the particulars regarding Harry's death have not been learned, but a full account will appear later.

Obituaries will be published next week.

HAD THEIR FUN But Two Boys from the South Pay Good Price for It

Chas. Byer of South Grove and John Crosby of Sycamore were arrested in Genoa last Friday noon while in the act of shamefully driving and abusing a horse. The animal was in a deplorable condition when taken to the stable and the young men were in a condition not much better as a result of too much Kishwaukee water.

They were brought before Magistrate D. S. Lord on the charge of "drunk and disorderly" and pleading guilty were fined ten dollars each and costs.

Facts About Firecrackers

The greater part of the almost \$2,000,000 worth of firecrackers annually exported by China comes to New York. And the United States stand next to China in its use of them.

Thousands of Chinese men, women and children work at the making of firecrackers, for there are no manufactures there, the work being done by hand. They receive only about \$1.40 for making 10,000 firecrackers, laboring from six in the morning until 11 at night seven days a week.

So a Chinese woman or child works like a slave for two days to earn what is spent on a few bunches of firecrackers by the urchin bent on doing justice to the Glorious Fourth.

**CLASS OF 100 CONFIRMED**  
Ceremony Performed at Hampshire Saturday by Archbishop Quigley

Archbishop Quigley confirmed a class of about one hundred children at Hampshire last Saturday. Those from Genoa who were confirmed were:  
Dillon J. Patterson J. Edwin Dempsey  
Earl A. Shattuck Frank J. Moan  
John P. Hoisker Frank A. Brennan  
William J. Sullivan T. Edward Hennehan  
Agnes M. Hoisker Frances A. Sullivan  
Anna M. Sullivan Mary A. Canavan  
Anna Kierman

Their badges were unique besides being a souvenir of confirmation. They represent that the children now belong to the great Catholic Total Abstinence Society of America, organized in 1872, having pledged themselves to abstain from intoxicating drink. This society is strictly within the Catholic church. It is firstly and chiefly a religious body. Its primary aims are to advance the cause of religion. It is blessed by the Holy See. Its spiritual director is the Bishop of the diocese where its president is a priest. Its convention always begins with Solemn Mass. Its chief officers are priests. In every sense it is a Catholic body. It has for its objects to purify public opinion, to give courage to an honest press, to encourage the passing of good laws, and strengthen the people to elect honest officers, to execute laws, to arouse private effort. These are some of the cardinal features of this large national society which was organized in 1872.

No man is stronger and no man is wiser for indulging in strong drink. The truly wise and strong men will abstain from even its moderate use. In spite of its defiance of this wholesome law, drunkenness has wrecked more homes, filled more graves with human wrecks, made more widows and orphans, broken more hearts, blighted more hopes, rent asunder more family ties, than all other causes combined. Against an evil so wide-spread, so pernicious, so destructive to human happiness, should cause a united effort especially with the Catholic and protestant world for its eradication.

**NEW AUTO LAW JULY FIRST**  
Some of the New Rules to be Observed by Auto Owners

This office has received from Secretary of State Rose a copy of the new automobile law, passed at the last session of the legislature and which takes effect July 1.

People nowadays, it has been said, are divided into two great classes—those who own automobiles and those who dodge them. The provisions of the new law will therefore be of general interest, and here are some of them:

The new law will compel the owners of all automobiles to obtain license from the secretary of state, the fee being \$2.00. The license once issued is good in any part of Illinois and all city ordinances governing the use and speed of autos are killed by the new act. The new law provides that each automobile must exhibit its number in three places on each machine, one in the rear and one on each of the front lamps. The number in the rear must be separate Arabic numerals not less than four inches in height and at least one-half inch in width and also as part of such number, the letters ILL. Such numbers and letters shall be black on white background. To keep tab on the owners the Secretary of State shall furnish the County Clerk of each county the list of licensed cars frequently. The use of a fictitious number makes an owner liable to a fine of \$25. Non-resident owners who have taken out numbers in other states shall not be compelled to do so in Illinois.

The following rates of speed are permitted:  
Six miles an hour turning corners of intersecting streets or crossroads.  
Ten miles an hour through closely built-up business streets.  
Fifteen miles an hour in residence streets.  
Twenty miles an hour on country roads.  
Racing on the public highway subjects the guilty persons to a fine not exceeding \$200.  
All motorists must come to a full stop when given a signal by the driver of a horse or team to do so or when it appears that the horses are frightened.  
Professional chauffeurs are re-

quired to secure a special license and wear the badge on their hats or coats but this section does not apply to owners or friends driving their cars.  
All fines are to be turned over to the Commissioners of Highways for improving the roads.  
Penalties ranging from \$25 to \$200 are provided and ten days time given for application for licenses.

The new law gives complete protection to the drivers of horses and will probably meet with general approval.  
Automobiles are entitled to half the road only, and drivers of horses are expected to let autos pass them by turning out, upon proper signal from the approaching automobile.

Fred Raymond and his excellent company appeared in "My Uncle from Japan" at the opera house Wednesday evening and pleased a full house. It was purely comedy and kept the audience in an uproar from curtain to curtain. This company will present "The Village Vagabond" next Wednesday evening.  
Charles Corson tripped and fell from his carriage in Genoa Wednesday morning when about to get out to attend to the horses which were inclined to be fractious. He landed on his shoulder and was dragged several feet before the team was stopped. No bones were broken but he was badly shaken up on account of his weight and will be sore for some time.  
**Unknown Friends**  
There are many people who have used Chamberlain's Colic, Cholera and Diarrhoea Remedy with splendid results, but who are unknown because they have hesitated about giving a testimonial of their experience for publication. These people, however, are none the less friends of this remedy. They have done much toward making it a household word by their personal recommendations to friends and neighbors. It is a good medicine to have in the home and is widely known for its cures of diarrhoea and all forms of bowel trouble. For sale by G. H. Hunt.

## The Great Question

That confronts a man about to do his spring repairing or the one who's to make some extensive additions to his farm buildings is this:

What is the best place for me to patronize—where shall I go? Now, to the man thus puzzled, we just want to say, briefly, that for years before our name had come to stand for all that is best in the way of lumber, people who had been customers of our competitors and those who hadn't been anybody's customers, were troubled the self-same way as you are. Now—We've solved the problem for them; why can't we for you? It'll cost nothing for you to find out. Let us send you an estimate on what you say you need.
