NEW PRIMARY LAW

THE OLD-TIME CAUCUS IS A THING OF THE PAST

New Regulations Make Primary Election as strict as the Regular—Now in Effect

[CONTINUED]

33. The voter shall forthwith and without leaving the polling booth retire to one of the voting booths and prepare his ballot, unless the same has been prepared prior to entering the booth, by making a cross "X" in the square in front of and opposite the name of each candidate of his choice for each office to be filled.

34. Before leaving the booth a voter shall fold his ballot in such manner as to conceal the marks on such ballot. He shall then hand such ballot thus folded to one of the judges of election, who shall thereupon endorse his initials on the back of the ballot, so folded, and deposit the same ballot in the ballot box. The primary judges shall thereupon enter in the registry poll books the name of the voter, his residence and party affiliation.

35. Any primary voter who shall declare upon oath that he cannot read the English language, or by reason of any physical disability he is unable to mark the ballot, shall, upon request, be assisted in marking his ballot in the same manner as is provided by the general election laws of the State.

36. After the opening of the polls at a primary election, no adjournment shall be had nor recess be taken until all the votes cast at such primary election shall have been counted and canvassed.

37. The votes shall be canvassed in the room or place where the primary election is held and the primary judges shall not allow the ballot box or any of the ballots or the registry poll books or any of the tally sheets to be removed or carried away from such room or place until the canvass of the votes is completed and the returns carefully enveloped and sealed up. The candidates and challengers of each party shall have the right to be present during a canvass of the votes by the primary judges.

38. Immediately upon closing the polls, the primary judges shall proceed to canvass the votes polled in the following manner:

1. They shall first count the whole number of ballots in the ballot box. If the total number of ballots exceed the number of names entered on the registry poll books, they shall carefully examine the ballots and reject those upon which the initials of a primary judge do not appear.

2. If the remaining ballots exceed the number of votes entered on the registry poll books the judges of the primary election shall proceed to ascertain the number of names entered on the registry poll books under each party affiliation.

3. The judges shall thereupon arrange the ballots of each political party in separate piles, and count the ballots of each political party separately.

4. If the ballots of any political party exceed the number of names of voters of such political party entered on the registry poll books the ballots of such political party shall be folded and replaced in the ballot box and the box closed and well shaken and again opened, and one of the judges, who shall be blindfolded, shall draw out so many of the ballots of such political party as

shall be equal to such excess.

5. The primary judges shall then proceed to count the votes of each political party separately; and as the primary judges shall open and read the ballots each judge shall carefully and correct-mark down upon the tally sheets the votes which each candidate of the respected party whose name is printed or written on the ballot has received, in a separate column prepared for that purpose, with the name of such candidate, delegate, committeeman, etc., the name of his political party, and the name of the office to be filled at the head of such column.

39. As soon as the ballots of a political party have been read and the votes of said political party counted, as provided herein, the clerks shall foot up the tally sheets so as to show the total number of votes cast for each candidate of said political party, including the candidates for committeemen of primary and delegates to the county convention, and the total number of votes cast by said political party and certify the same to be correct, and shall also deliver the same to the county clerk. Thereupon the judges shall set down in the registry poll books, under the name of said political party, the name of each candidate voted for, written at full length, the title of the office to be filled, the total number of votes which said candidate received, and the total number of votes cast by said political party at said primary election, and the judges shall certify to be true and correct; said entry in the registry poll books to be made substantially in the following form.

41. The judges shall continue until all the votes of each and every political party shall have been counted, set down the sheets footed, the endorsements made, and the ballots strung and sealed up, as herein provided.

42. The primary judges shall make out, upon forms to be furnished by the county clerk, or by the clerk of any city, village or incorporated town and within twenty-four hours after the canvass has been completed, deliver a certificate of election to the candidate for primary committeeman of each political party receiving the highest number of votes of his respective party for that office; which certificate shall show the total number of votes cast by the respective party in the primary district for each candidate for primary committeeman. In case of a tie of such vote, the judges shall cast lots to determine who shall be committeeman. The county clerk of each county or the clerk of any city, village or incorporated town shall cause to be delivered the names of all primary committeemen of the respective parties, so elected, to the secretary of the county committee or the secretary of the city, village or incorporated town committee of the respective parties not later than 9 o'clock a. m. of the Wednesday next following a primary election.

Chief Engineer Turner of the Elgin-Belvidere Line Is Staking out Line Past Camp Epworth

The Elgin Canning Co. will put up 1,500,000 cans of corn this year.

The Elgin City Club will soon surrender its charter and disband. It was formerly the Elgin Cycling Club.

There are a great many people who believe in the use of printer's ink as long as it does not cost them anything.

Chauncey Whitney Lee, claiming to be the oldest Free Mason in the state with one exception, died Sunday at Aurora at the age of 85 years.

The city water of Elgin is unfit for use and many residents are compelled to use well water while others buy spring water which is delivered.

Elgin residents are to taste the delights of a century limited or a Pennsylvania flyer. The Milwaukee from Elgin to Chicago is taking a 45 minute service between the two points.

A fight between W. K. Rissiter and his son near Lee last week Monday evening resulted in the father stabbing his son with a knife and inflicting a wound which for a time was thought would prove fatal.

Marengo Republican—J. H. McAllister was before Justice Rogers, Monday, on complaint of Mayor Patterson, charged with selling liquor on Sunday and allowing gambling in his saloon. He pleaded guilty and was fined \$50 on each charge, which with costs amounted to \$105.

Marengo Republican—During a very severe electrical storm on Saturday morning, lightning struck the spire of the Zion Lutheran church of this city, setting it on fire and before anything could be done to save it, it had burned to the ground with all it contained. A new church to cost \$15,000 will be erected at once.

Chief Engineer Turner of the Elgin-Belvidere line was at Camp Epworth last week staking out the new right of way at the camp grounds. Mr. Thomas, who has charge of the construction work, is figuring on putting 150 teams to work in the near future. The plan is to get the grading well under way before January 1. At Camp Epworth the line goes just north of the dormitory, and it is not thought it will be necessary to move it.—Belvidere Northwestern

DeKalb Advertiser: Of course it is but natural that the saloon keepers should be a trifle slow in grasping the situation; but with two licenses revoked within a couple of weeks for Sunday selling it is gradually beginning to dawn on them that decency and the strict observance of the law as laid down in the city ordinances is the only price of safety under this administration. Once they get this notion firmly fixed in their heads it will save them a lot of trouble and be a good thing for all hands.

Butter Advances

Butter advanced half a cent on the Elgin board of trade Monday and was 21 cents firm. There were no offerings nor sales.

BURLINGTON PICNIC

ATTENDED BY THOUSANDS OF WELL PLEASED PEOPLE

Burlington People Spare no Pains in Making it a Day of Great Pleasure for the Guests

The annual picnic held at Burlington last Saturday was equal to any held in the history of the association in the point of attendance and general results.

Early in the morning the teams could be seen coming in from every direction and every train left its full quota of pleasure seekers. It is common for persons to drive twenty miles to attend this picnic and many drive even further. Genoa, Hampshire, Sycamore and Elgin always send large delegations, Genoa being exceptionally well represented this year.

There was nothing lacking on the grounds for the amusement of all. The dancing platform was a center of attraction for the young people, while the children enjoyed the swings and merry-go-round.

The old people found plenty of enjoyment in meeting old friends and neighbors. If this picnic did no more than bring the people of the community into closer friendship it has accomplished a result well worth the effort.

Many were disappointed not to hear Judge Sherwood of Elgin who had been engaged as the speaker of the day, it being impossible for him to reach the grounds in time. However, the disappointed ones had the pleasure of listening to Charles Potter, that big, good natured fellow from Elgin whom everyone likes, and Attorney Charles L. Abbott of the same city. Both gentlemen are good speakers and held the close attention of their audience.

The officers of the Burlington Picnic Association are deserving of congratulations for the success of the picnic, and the citizens of the place are also deserving of commendation for the spirit of hospitality always manifested.

Hurt at Epworth

Dr. Annie Alguire of Belvidere was seriously injured at Camp Epworth last Sunday evening, several ribs being broken.

Mrs. Alguire had gone to the camp meeting accompanied by two ladies, who are her guests, and a little child. When they started from the ground the wheel of the rig caught upon a board projecting from the gate and when this pulled back upon the vehicle and then broke the horses became frightened and plunged forward, the vehicle colliding with a tree.

When the tree was struck Mrs. Alguire was thrown from the seat to the ground striking upon her head and shoulders. The wheel then passed over her body causing painful injuries. The horse broke loose from the rig, the other occupants being uninjured.

Karl Rosenfeld

Karl, the infant son of Mr. and Mrs. E. C. Rosenfeld, born at 2:15 o'clock Saturday morning, Aug. 19, died on the following Monday evening at ten o'clock. The little body was interred in Genoa cemetery on Tuesday.

SONS OF VETERANS

Camp Being Organized in Genoa by Harry M. Platner

A camp of Sons of Veterans is being organized in Genoa by Mustering Officer Harry M. Platner of Rockford. The eligible in Genoa are responding readily and in all probability we will have a flourishing camp.

The same blood that coursed through the veins of the boys of '61 to '65, and prompted them to the support of the cause that meant the preservation of the Union, flows through the veins of their sons, who are organized that those deeds of valor and patriotism shall not be forgotten; that the priceless lives, the empty sleeves, and the precious blood with which treason was suppressed shall stand as a constant reminder of the perpetuity of our country's institutions as founded by Washington and so firmly re-established by the martyred Lincoln.

Help us to build up a society that teaches its members to

"Hunt the flag and stay with it,
"Hunt the flag and keep it flying!"— a society that teaches that no higher tribute can be paid to any one than that he loved and served his country and his God.

The principles of the organization are as follows:

A firm belief and trust in Almighty God, and a realization that under his beneficent guidance the free institutions of our land, consecrated by the services and blood of our fathers, have been preserved, and the integrity and life of the Nation maintained. True allegiance to the Government of the United States of America, based upon a respect for, and devotion and fidelity to its constitution and laws, manifested by the discountenancing of anything that may tend to weaken loyalty, incite to insurrection, treason or rebellion, or in any manner impair the efficiency and permanency of our National Union.

The Sons of Veterans have four objects in view as follows:

To keep green the memories of our fathers, and their sacrifices for the maintenance of the Union.

To aid the members of the Grand Army of the Republic and all honorably discharged Union soldiers, sailors and marines in caring for their helpless and disabled veterans; to extend aid and protection of their widows and orphans; to perpetuate the memory and history of their heroic death, and the proper observance on Memorial day and Union Defenders' day.

To aid and assist worthy and needy members of our order.

To inculcate patriotism and love of country, not only among our membership, but among all the people of our land, and to spread and sustain the doctrine of equal rights, universal liberty and justice to all.

If there are any who wish to join the camp and have not been visited by Mr. Platner, they may leave word at this office

Sunday School Convention

The Genoa township Sunday-school convention will be held next Sunday, August 27. In the afternoon at 2 o'clock a Sunday-school convention service will be held at the Ney M. E. church. In the evening the convention will be held at the Genoa M. E. church. At both these services there will be several speakers and workers from the DeKalb county association.

TWO SUPERB GAMES

GOATS WIN FROM KIRKLAND REDS SATURDAY

Lose at DeKalb Sunday thru Rank De-clensions of Umpire Murray—The Score Was 5 to 4

Again on Saturday and Sunday the Goats demonstrated beyond a doubt their ability to hold their own with the best amateurs in the state.

GENOA 5, KIRKLAND REDS 2

The game Saturday with the Kirkland Reds was the kind that causes the enthusiast to hold his breath during an entire inning. Four Genoa men made two baggers, while Ackerman and Kirby are credited with two double-plays. Furr pulled down four long ones in left field. The game was practically errorless as far as the Goats were concerned. Neurauter threw one wild in the seventh but the Reds gained nothing by it. One can appreciate the quality of the playing when it is considered that only two Reds struck out, the other 25 being put out by the men in the field. To handle the ball from the bat 25 times with only one error is a performance of which any team could be proud.

The score follows:

GENOA	AB	R	H	PO	A	E
Ackerman, 2b	4	1	2	3	2	0
Kirby 1b	3	0	1	10	0	0
Sager 3b	4	0	0	2	3	0

Earned runs—Genoa 3, Reds 2. Two base hits—Ackerman, Furr, Neurauter, Lauman, J. Pagles, T. Matthews. First on balls—off Neurauter 3. Struck out by Neurauter 2, by Matthews 8. Double plays—Fly to Ackerman to Kirby (2) Wild pitch—Neurauter (2). Passed balls—Crill 2. Stolen bases—Ackerman 4, Kirby, Sager, Drager.

DEKALB 5, GENOA 4

And thereby hangs a tale. A tale of day-light hold up that will long be remembered by the Goats and the fans who accompanied them last Sunday. Yes, a tale of which many DeKalb people are ashamed. In a previous game Umpire Murray gave the Goats the worst of it, but they had no idea he could overstep the bounds always conceded the home umpire. His decisions were so ridiculously partial in the last half of the ninth that the people of his own town blushed for him.

Up to the last half of the ninth when DeKalb came to bat the score stood 4 to 1 in Genoa's favor. The Goats had played an errorless game, had straightened out Heiter's twisters at will and Ackerman had allowed only four hits. No one looked for a victory for DeKalb, but they had not reckoned with the umpire.

It is probably the last time that Manager Goding will be taken in by the DeKalbites on their home grounds. He has made them an offer, however, to meet on neutral grounds and employ a neutral umpire. Without a doubt the DeKalb bunch would be beaten to a frazzle in such an event,

Public is Aroused

The public is aroused to a knowledge of the curative merits of that great medicinal tonic, Electric Bitters, for sick stomach, liver and kidneys. Mary H. Walters of 546 Clair Ave., Columbus, Ohio writes: "For several months, I was given up to die. I had fever and ague, my nerves were wrecked; I could not sleep, and my stomach was so weak, from useless doctors' drugs, that I could not eat. Soon after beginning to take Electric Bitters I obtained relief, and in a short time I was entirely cured." Guaranteed at Hunt's Pharmacy; price 50c.

FOR STEALING BRASS

Two Boys are Arrested in Genoa and held Under Bonds

Two boys about nineteen years of age were arrested in Genoa last week on the charge of stealing brass and are now awaiting the action of the grand jury, at the county jail.

The boys' actions were noted last Tuesday morning by employees at the Eureka Electric factory. Constable Spence and Officer Christensen were notified and made the arrest.

The thieves had forced the door and entered E. B. Millard's engine room, removing from the engine several brass lubricators, whistle and valves, worth perhaps forty dollars. The brass was found near the stock yards where the boys had left it.

They were examined before Justice D. S. Lord and held under \$500 bonds in default of which will languish in Sheriff Romp's boarding house until the October grand jury takes the matter up.

A Touching Story

It is the saving from death, of the baby girl of Geo. A. Eyles of Cumberland, Md. He writes: "At the age of 11 months our little girl was in declining health, with serious throat trouble, and two physicians gave her up. We were almost in despair, when we resolved to try Dr. King's New Discovery for consumption, coughs and colds. The first bottle gave relief; after taking four bottles she was cured, and now is in perfect health." Never fails to relieve and cure a cough or cold. At Hunt's Pharmacy; 50c or \$1.00 guaranteed. "DUE TO CARDUI is my baby girl, now two weeks old," writes Mrs. J. Priest, of Webster City, Iowa. "She is a fine healthy babe and we are both doing nicely. I am still taking Cardui and would not be without it in this house."

STRANGE ADVICE!

Dr. C. G. Green gives alert personal attention to his great humanitarian contract. In our Almanac for many years past we have given unusual advice to those afflicted with coughs, colds, throat or lung troubles or consumption. We have told them if they did not receive any special benefit after the use of one 75-cent size bottle of German Syrup, to consult their doctor. We did not ask them or urge them to use a large number of bottles, as is the case in the advertising of many other remedies. Our confidence in German Syrup makes it possible for us to give such advice. We know by the experience of over 35 years that one 75-cent bottle of German Syrup will speedily relieve or cure the worst coughs, colds, bronchial or lung troubles—and that, even in bad cases of consumption, one large bottle of German Syrup will work wonders. New trial bottles, 25c.; regular size, 75c. At all druggists.

A Warning to Mothers.

Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give the child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but use the old-fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to gripe. If this does not check the bowels give Chamberlain's Colic, Cholera and Diarrhoea Remedy and then a dose of castor oil, and the disease may be checked in its incipency and all dangers avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel trouble appears. This is the most successful treatment known and may be relied upon with implicit confidence even in cases of cholera infantum. For sale by G. H. Hunt.

THEIR ANNUAL PICNIC

Old Settlers of Northern Illinois and DeKalb County Farmers to Meet August 31

CHAS. E. FULLER ORATOR OF DAY

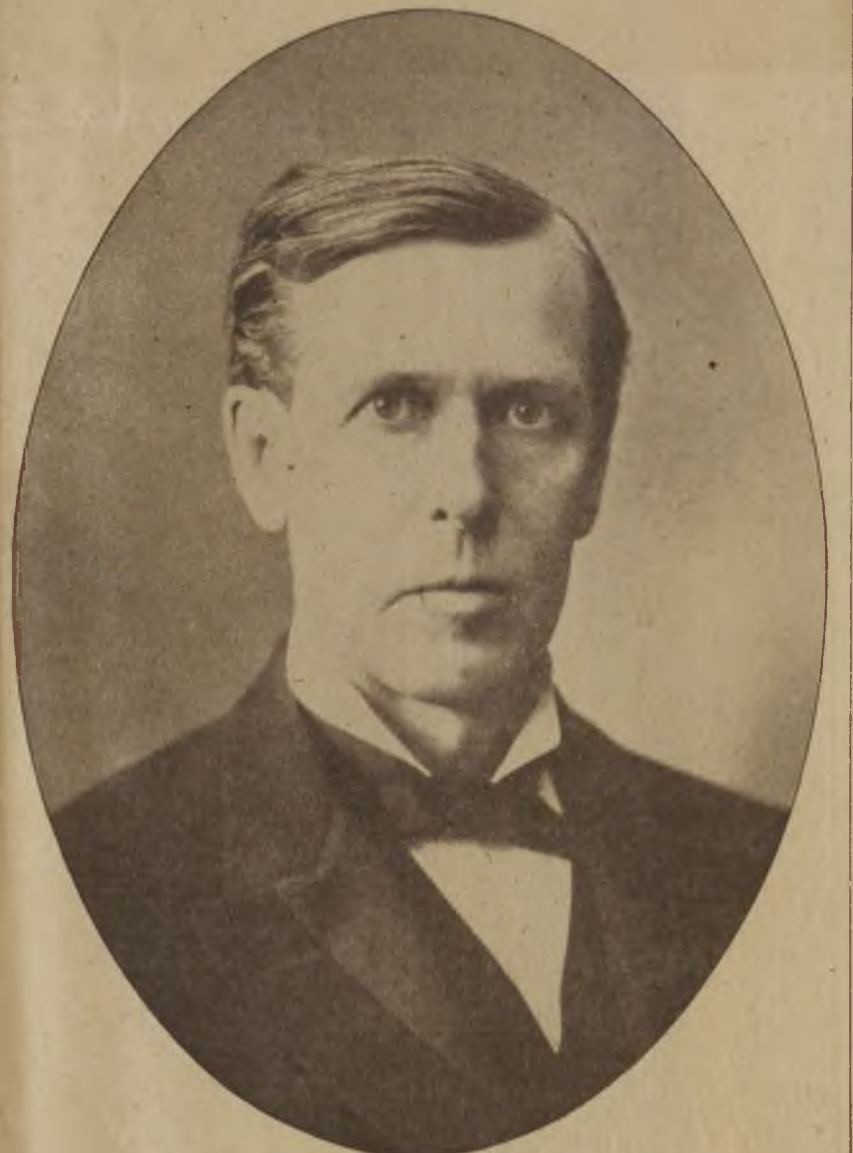

An Interesting Program Has Been Arranged and Thousands will come from Surrounding Towns to Spend the Day in Stuart's Grove

The old settlers of northern Illinois and DeKalb county farmers will hold their annual picnic in Stuart's Grove, Thursday, August 31.

The management is to be congratulated upon securing Hon. C. E. Fuller, member of Congress from twelfth district, as orator of the day. The program is as follows: forenoon devoted to visiting and amusements; afternoon, call to order by the president after which will follow an enjoyable program with Congressman Fuller.

Stuart's grove has long been known as an ideal spot for a picnic, and the old settlers and farmers of DeKalb county cordially extend an invitation to their friends to be present. The Kingston Cornet Band will furnish popular music throughout the day and no expense will be spared in making the day one long to be remembered in the history of the organization.

The officers of the association are M. W. Cole, president; L. C. Shaffer, vice president; A. E. Hix, secretary and D. B. Arbuckle, treasurer. Refreshments will be sold on the grounds. Plenty of hitching places will be provided in the grove and no charge made for the same.

HON. CHAS. E. FULLER

We learn that several of our young people are making plans to attend the Metropolitan Business College at Elgin this fall and winter. We cannot too highly commend their action. The college stands at the head and is endorsed by leading citizens. A course there will certainly prove a profitable investment for any young man or woman. There are many in this community who need such a course of training and we advise them to attend.

We sell and recommend this preparation." For sale by Hunt's Pharmacy.

EMBEZZLER CAUGHT
Extradited From British Jurisdiction to be Taken to Sycamore

An interesting story of crime, unflagging pursuit of the criminal for over a year, his final capture in a foreign country and the involved legal processes necessary for his extradition has been unfolded the last week. So far as known it is the only attempt ever made to extradite a criminal from a foreign country for a trial in DeKalb county. Success has been largely due to the energetic and well directed efforts of States Attorney Burst.

So great is the expense and so difficult is it to make way successfully thru the intricacies of the extradition treaties that the task is seldom attempted even in large cities.

This case was an attempt to extradite a man from British jurisdiction, and was based on a treaty between United States and Great Britain. It was necessary for our state's attorney to prepare the testimony, affidavits and various depositions, and submit copies to the governor of this state and to the state department at Washington and secure their request to the Canadian government for the extradition. Mr. Burst was called upon to act in the case of July 7 last, when representatives of the United States Fidelity and Guaranty Co. and the Westerholm Co., wholesalers and importers of liquors, 383 Austin avenue, Chicago, called on him and requested that he prepare the papers and obtain the extradition of Peter Gardiner, a former employe of the Westerholm Co. as traveling salesman and collector, who was charged with embezzlement.

EXCELLENT EXHIBIT
Motion Pictures Please Large Enthusiastic Audience

The Heber-Edson Motion Pictures at Hale's Opera House last evening pleased a large audience. Their way of producing the exciting scenes in motion is something new. The new English opera, Josephus the king, Shieks, Swordsmen, elegant Costumes, and Wild Egyptian scenery and camels, was grand.

Santos Dumont's Airship in flight from Paris to London at 90 miles an hour, Cripple Creek and traced by blood hounds, Looping the gap, holding up U. S. Mail train etc.

Everything interspersed with music, vividly described and up to the minute. No still pictures were exhibited. Come again—Gladstone Evening globe.

Will be at the Genoa opera house, Wednesday evening Aug. 30. Admission 10-20-30 cents.

THE OLD HOMESTEADS.

It is as natural for us to love the trees, the meadows, the old homesteads, as it is to want food and drink. Our ancestors built well when they erected those old mansions, the walls of which are in many cases as firm and good to-day as they were one hundred and fifty years ago. Our ancestors lived more simple lives than we do at the present day. They lived closer to nature. They lived in the sunshine and out of doors. As a rule they ate simple foods and easily digested them. To-day the American people eat fast, eat unwholesome foods and are shut up in dark and close offices, shops and ill-ventilated rooms. Nature provides us with all we need for life if we only can take advantage of the good air, sunshine and eat good fruits and vegetables. Nature also provides the remedy for ill-health and stomach troubles in its roots, herbs and barks. Some forty years ago Dr. R. V. Pierce, now chief of staff to the invalids' Hotel and Surgical Institute, at Buffalo, N. Y., found that certain herbs, roots and barks, when made into a concentrated extract, helped in the assimilation of the food and purified the blood. This "Golden Medical Discovery" of Dr. Pierce makes pure rich blood. Every bottle bears the stamp of public approval. When the druggist says he has something that is "just as good" as Doctor Pierce's Golden Medical Discovery, he says so because he hopes to make a better profit, but his own mixtures have not stood the test of long experience nor had the success that Dr. Pierce's medicines have had.

Made in the Golden Sunlight

It is conceded by the highest authorities that the soda cracker contains the life-giving elements of wheat in the best proportions.

This being so, then **Uneeda Biscuit** must at once take first place as the food of the world—a soda cracker, but such a soda cracker! Made by exact science in sunny bakeries so light, bright and clean, that they are a revelation. The flour is tested; the purity of the water is absolutely assured; the very air is filtered,—why even the temperature and moisture of the atmosphere is accurately regulated. The sponge is kneaded by polished paddles, not by hand. Indeed, **Uneeda Biscuit** are only touched once, and then by a pretty girl, from the time the flour leaves the bag until the beautiful package is placed on your table.

You ask why all this work, all this care in the making of a soda cracker? Because the soda cracker is the best of all food and **Uneeda Biscuit** is the most wonderful of all soda crackers. And with all of it the price is only 5¢ a package.
