

THE GENOA REPUBLICAN

OFFICIAL PAPER OF THE VILLAGE OF GENOA. ENTERED MAY 16, 1902, AT GENOA, ILLINOIS, AS SECOND-CLASS MATTER, UNDER ACT OF CONGRESS OF MARCH 3, 1879.

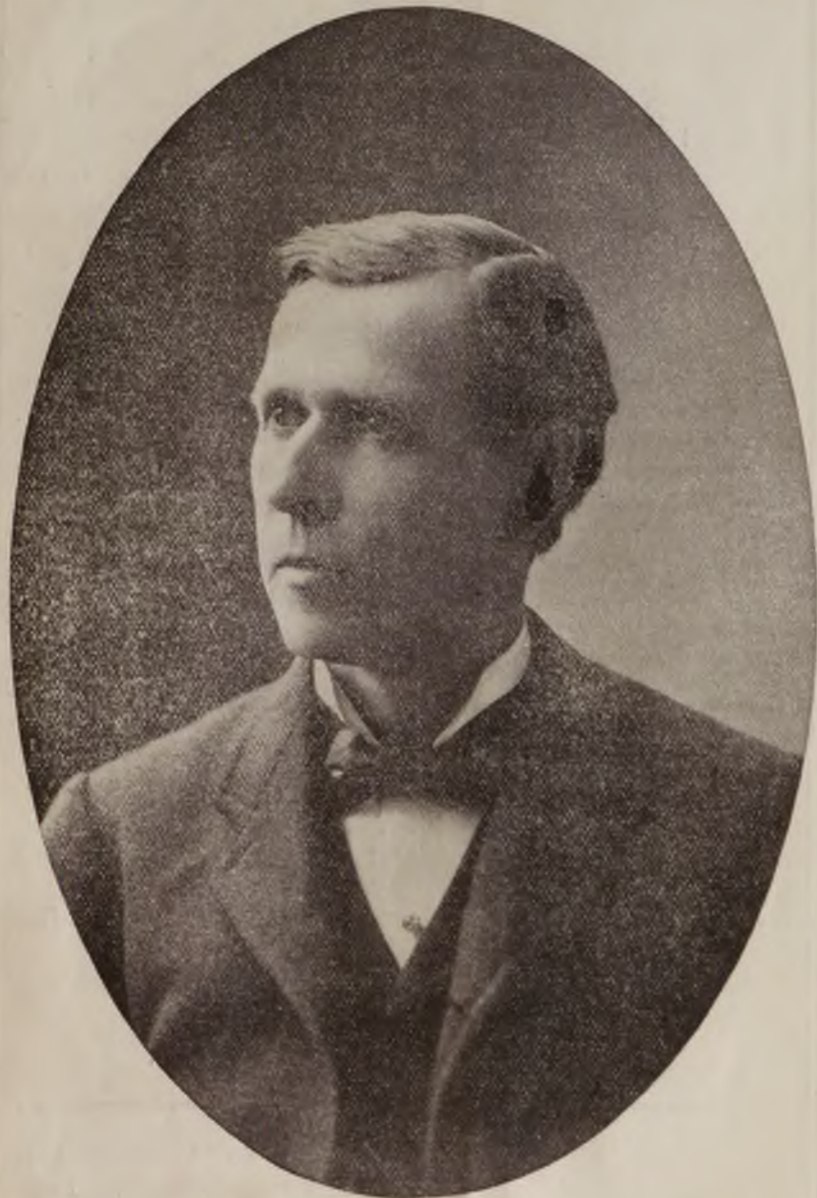

VOLUME I.

ONE DOLLAR PER YEAR.

GENOA, ILLINOIS, FRIDAY, NOVEMBER 7, 1902.

PUBLISHED EVERY FRIDAY.

NO. 26.

Congressman Charles E. Fuller

ROOSEVELT ENDORSED

Republicans Will Have Good Working Majority In Congress.

ILLINOIS GOES REPUBLICAN BY 50,000

DeKalb County Ticket Is Victorious.--Charles E. Fuller Is Elected to Congress.-- Everything Points Toward Complete Control by the Republicans.

It is estimated that the Republican plurality in Illinois will reach 50,000. In the state senate the party hopes to have thirty-three or more to the Democrats eighteen. In the state house of representatives it will be about eighty-five Republicans to sixty-eight Democrats. On joint ballot, the Republicans hope for a majority of nearly thirty. This will wind up poor mugwump Billy Mason in short order.

GENOA'S VOTE.

Although election day was a quiet one in Genoa and many were careless enough to stay at home, the result was a thorough endorsement of the Republican party. Genoa showed her regard for President Roosevelt by doing her best for Judge Fuller, the Republican nominee for Congress. As prophesied by this paper, this popular candidate ran ahead of the ticket here, receiving 132 votes.

A brief summary of the vote is as follows:

Republican—all "straight ballots".....	126
Democratic—free-silverites, free-traders, mugwumps, etc.....	22
Prohibitionists—always throw away their vote.....	12
Socialists—grand total of.....	4
Socialist Labor Party—only.....	1
Scattering and defective.....	22
Women's ballots.....	7
Total.....	194

Genoa showed her disapproval of any attempt to defeat a candidate after he was honestly nominated by the party by rolling up a total of 137 for Capt. Kinsloe for County Clerk; Judge Wm. L. Pond received 136; F. Rompf, 133; Treasurer Hohm, 134; Supt. L. M. Gross, 131.

John Hadsall received 24 votes.

DeKalb County

At this writing the county vote had not been officially canvassed. A Sycamore special states that A. S. Kinsloe has about 3,000 to Mr. Orr's

L. M. Gross, Co. Supt. of Schools

800, and that the rest of the Republican County ticket received about 3,500 votes. This result will surely satisfy the many faithful Republicans in the county.

County Clerk A. S. Kinsloe

Sheriff Ferdinand Rompf

DECLINE OF HALLOWE'EN.

Little Mischief Done in Genoa and Vicinity Last Friday Evening.—Boys Indulge in Quiet Night.

The record of its celebration in Genoa shows that Hallowe'en is rapidly losing its social as well as its religious significance, and bids fair to become an anti-social nuisance to be abated by the force of public opinion and even by the power of the law.

With the decay of belief in signs, omens, and divination, Hallowe'en became still more social and less superstitious in its observance. Thus by a natural process of decay Hallowe'en has passed from a religious festival to a social reunion, and from that to a mere saturnalia of mischief-making, generally harmless enough, but frequently destructive to property and dangerous to life and limb. Having lost first religious and then social sanctions, this ancient festival now bids fair to degenerate into practices distinctly anti-social. The fact that half a dozen persons were seriously injured in Chicago by Hallowe'en "jokes," and that hundreds were put in pain and fear, proves that the observance must be given a different tendency or abated altogether.

OFFICIAL BOARD MEETING.

First Meeting in the Conference Year Held in the Methodist Episcopal Church Last Thursday.

The first official board meeting of the M. E. church for the new conference year was held last Thursday evening in the church parlors. There was a good attendance and the following business was transacted.

Mrs. Eugene Olmsted was elected secretary of the board for the coming year; Mrs. Sarah Sumner was elected treasurer; Mrs. Della Stewart was elected statistical secretary, and Mrs. Frank Olmsted, S. S. Slater and A. V. Pierce were elected as committee on music. Mrs. T. E. Ream was chosen as organist of the church. Mr. Hewitt was hired for janitor for the coming year. The board voted to meet the second Tuesday of each month.

FLORA BUCK IN THE LEAD

DELLA KIERNAN IS SECOND

Over Five Thousand Votes Polled in Contest During the Past Week.—Kingston Candidate Gaining.

The friends of the contestants in the REPUBLICAN'S Diamond Ring contest have exerted themselves to some purpose during the past week.

The fourth count, made by the judges on Wednesday, shows a gain of over five thousand votes.

The leaders have again changed places, Miss Buck now having 366 more votes to her credit than any other contestant.

The people of Kingston have apparently made up their minds that their favorite shall not be left far behind in the race as Miss Gibbs is rapidly gaining strength.

The prize, now on exhibition at M. W. Cole's bank in Kingston, is attracting much attention.

The candidates now stand as follows:

Flora Buck.....	6114
Della Kiernan.....	5748
Mildred Gibbs, Kingston, 2016

PIONEER PASSES AWAY

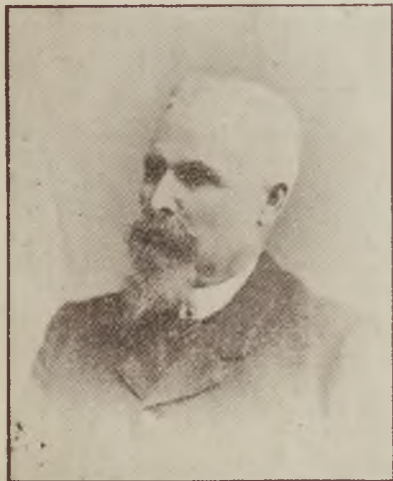

One of Genoa's Oldest Settlers Passed Away Sunday.

ALEXANDER CRAWFORD DIES

Was a Man of the People and His Departure From Earth Is Mourned by Many.—Funeral Services Held Monday.

Alexander Crawford, one of Genoa's early settlers, passed away at the home of his son, Burton Crawford, at two o'clock Sunday morning after a long illness.

Mr. Crawford would have celebrated his eightieth birthday anniversary the 22nd day of next December. Mercer county, Pennsylvania, was the scene of his birth, where he was born December 22, 1822.

ALEXANDER CRAWFORD.

In the autumn of 1839, he emigrated to Illinois, and for a time worked in the vicinity of Genoa and later resided on a farm near New Lebanon.

Twenty-seven years ago, Mr. Crawford became one of Genoa's leading merchants and for twenty years conducted a general merchandise store, after which he was compelled to give up his business on account of poor health. For the last seven years of his existence he has been slowly failing, but his demise caused by heart failure was a shock to many.

The accompanying likeness of Mr. Crawford is as he was when active in business and social circles.

His beloved wife and life-long companion died in 1900.

The deceased will be greatly missed, especially by the older people of the community in which he lived. God blessed him with a long and useful life and he was respected by all mankind.

In the spring of 1879, he was elected to the office of village president and served until the spring of 1882. Mr. Crawford served on the village board for a number of years and was at one time township assessor.

He leaves a brother, Woods Crawford, residing in California, and one sister, Mrs. Henrietta Peters, of Anamosa, Iowa.

Of the immediate family, he leaves four sons and one daughter. They are as follows: Mrs. Chas. Smith, of Genoa; Henry, of Storm Lake, Iowa; Howard of New Lebanon; Burton and E. C., of Genoa.

The funeral services were held Monday at 2 o'clock from the home and were conducted by the Rev. T. E. Ream of the Genoa Methodist Episcopal church.

The services were largely attended at the home and many of the business houses were closed to pay respects to the departed one.

The remains were interred at the Genoa cemetery.

MAY LOCATE IN GENOA

Two Gentlemen Representing Large Chicago Firm Here.

VIEW GENOA LAST SATURDAY

Were Favorably Impressed and Which Will Result in the Submitting of a Proposition in Near Future.

Favorably impressed were the gentlemen who were the guests of Mayor Stott last Saturday afternoon to view Genoa with the point in view of locating their plant here.

They were met at 3:39 with a carriage and shown picturesque Genoa to a good advantage.

It was a fitting afternoon for the occasion and the modern equipments of our village were visited.

Dinner was taken at the Commercial Hotel and at 7 o'clock many of Genoa's prominent citizens were entertained in the parlor and the qualifications of the institution were discussed.

Genoa and its splendid facilities could well afford a prosperous manufacturing plant.

With two of the best railroad systems running through it, its electrical power, its splendid city water and excellent advantages for drainage, Genoa should offer, with the backing of its citizens, inducements enough for any firm to locate.

HAD STREET CARNIVAL.

Kingston Celebrated Hallowe'en In Grand Style.

Hallowe'en occurred last Friday night and was celebrated here by the younger element.

Saturday morning, Main street had been elaborately decorated and had the appearance of a street carnival, the street being decorated with booths, ferris wheels and numerous other attractions, which it is said, completely put in the shade Oppenheimer's Midway and Carnival company which has been drawing large crowds at the near by towns during the autumn.

The general committee and officials of the carnival held last Friday night laid the preliminary plans for the festival during the early part of the week. One of the important matters of consideration was the selection of the King of the carnival, and, as nothing definite could be found of this, action was not taken until the parade was well under way. It was while the natives of the "German Village" were prancing about that they spied D. H. Prince and he was at once crowned king and given a ride up Main street in a Portland cutter. Mr. Prince thoroughly enjoyed the trip and was well pleased with his dignified position. The floral parade must have been beautiful if the decoration of the last car as seen Saturday morning was any indication.

The boys had a good time and nearly all the townspeople took the matter good naturedly.

BOUND FOR ZION CITY.

John Brooks, of Herbert, Will Soon Leave For Lace Factory Town.

John Brooks, who resides near Herbert, has offered his farm for sale and intends to move to Zion City. The Sycamore Advertiser says: 'Take our advice, John, and move to Sycamore. We have ten or eleven churches here and you will not be asked to turn all you have over to the ministers. You could take the proceeds of your farm and attend every church sociable and chicken pie supper given here in a lifetime and still have money left. Zion City may be all right as a residence town, but the head gazaboe, who sets himself up as not only the mayor and city council, but as a representative of the Almighty himself, is a schemer from way back, and he is looking for just such men as you are to swell his bank account. Better rent the farm, John, so you will have it if you decide to "come home."

Don't move to Sycamore, John, come to Kingston. It is one of the finest places in northern Illinois to run a lace factory. We only have two churches here and the amount that Elijah II will demand of you will help us out in pretty good shape. Come over, John.

MEETING OF WOODMEN.

Kingston Woodmen Should Hear T. G. Tate at Sycamore, Nov. 17.

T. G. Tate, of Colorado, one of the most prominent speakers along fraternal lines, will address the Modern Woodmen of America at Sycamore, Monday evening, November 17.

The topic under discussion is the readjustment of assessments and it is a matter which is debated upon to no small degree among members of the organization. It is realized that the time is not far distant when, under the present adjustment, the assessments, in order to meet the increasing number of deaths, must be increased. Some sort of a fund must be thought of that will serve to keep the rate now paid about where it is.

Mr. Tate's engagement in Sycamore was brought about by the influence of F. O. VanGalder, editor of the Modern Woodmen.

Mr. VanGalder, who is well known in Kingston, will give a chalk talk setting forth statistics of different plans in use by other fraternal organizations and those under consideration by this one.

It would be a wise plan for the Kingston camp to attend this big meeting of Woodmen and hear both sides of the question which is uppermost in the minds of the members of this organization.

FAREWELL RECEPTION.

Mr. and Mrs. A. J. Lettow and Family Given Reception Tuesday.

At the M. E. church on Tuesday evening, a farewell reception was tendered Mr. and Mrs. A. J. Lettow and family by the members of the church and congregation at large.

About 100 friends were present and spent a very pleasant evening.

The evening was partially devoted to an interesting program, in which the Kingston Mandolin club dispensed some very popular music.

Light refreshments were served in the parlor.

Mr. Lettow and family leave Kingston next week for El Paso, Texas, where they will spend the winter. They will also live in California before their return to this vicinity.

It is regretted that Mr. and Mrs. Lettow are to leave the community for the coming three years. Their popularity in the church has won them many friends who loathe to see them depart.

Strange what some women see in some men.

Will Take Coupons.

Cut out the coupon each week and hand it to F. P. Smith, who will see that it is properly signed for Miss Mildred Gibbs. Subscriptions may also be left with Mr. Smith. Remember 100 votes for every subscription.

Have YOU a favorite Candidate in the Diamond Ring Contest?

Confidence Is the Main Thing....

You Must Have Confidence in the Firm you deal with, or you can never feel safe. When a firm advertises to sell you gold dollars for fifty cents, or, in other words, offers to sell merchandise for half its value, there is something wrong, and you do not believe it for the simple reason that it cannot be done successfully. We don't do that kind of business. If we sell you a suit of clothes for ten dollars, fifteen dollars, or twenty dollars, as the case may be, or anything else in our line, you will find that it cannot be duplicated for any less any place, same quality of goods considered. Your Confidence in us and in our Clothing will be more than ever justified this Fall when you see the selection of

CASE TO BE TRIED.

Kirkland Parties Will Settle Slander Case Before Circuit Court in Sycamore At This Term Of Court.

The current court docket contains the entry "Dena McAllister vs. Margaret Kirk, case." This is the much talked of slander case, the parties both residing in Kirkland. It is said the evidence will be rather sensational.

A recent article in the Elgin Evening Press, referring to the suit as being brought by "Mrs. McAllister against Mrs. John Kirk" needs further explanation, as through a curious co-incidence, there are a Mrs. McAllister and a Mrs. John Kirk residing in Genoa. As most people are aware, however, the parties to the suit reside in Kirkland.
