BLOOMER GIRLS PLAY BALL

The Editorial Association of this District Met in Belvidere last Thursday and Attended by Prominent Men

DeKalb Chronicle:—Last Tuesday evening, the home of Mr. and Mrs. V. A. Glidden was invaded by twenty young ladies, who came to surprise their daughter, Alpha, and leave tokens of their affection in the shape of dainty handkerchiefs to add to her wedding trousseau. The surprise was complete, but the hostess was equal to the occasion and tables were soon procured and cinch indulged in for an hour or two when refreshments were served.

Boone County Republican:—A. L. Burkett and Geo. H. Stockwell have purchased the livery business of Wyld & Son and will conduct it in the near future. The business has been a profitable one and brought a good round figure. Both of the proprietors are well known young men, and their many friends wish them abundant success.

Sycamore Tribune:—The Boston Bloomer girls defeated the DeKalb Stars by the score of 18 to 11, at Electric Park Sunday afternoon. A large crowd, estimated at 1400, witnessed the game, including many of the bald heads who enjoy a little fun now and then as well as the younger generation.

Elgin Courier:—"A liquor dealer properly licensed by the people, and who pays that license and obeys the laws governing this traffic, is entitled to certain rights." So quoth Rev. F. F. Farmiloe in a conversation with a Courier reporter this morning. Dr. Farmiloe said he told his congregation last night that he would not favor persecuting a dispenser of liquor who conducted his business in a proper manner.

Boone Co. Republican:—An editorial association of this district met in Belvidere Thursday and were entertained at dinner at the Julien house by Congressman Charles E. Fuller. The sixty guests sat down to the dinner at 1:30 and at the close of an elaborate spread listened to a short talk by Congressman Fuller, who introduced a number of those present, short talks being made by Mayor W. L. Pierce, John W. Fornan of Streator, president of the editorial association, Judge Wright, Judge Donnelly and Col. I. Ellwood of DeKalb.

At the close of the dinner, the whole party took street cars chartered for the occasion and made a tour of the city as well as a short inspection of the National Sewing Machine works and later a trip to Rockford over the interurban line. The money of the visitors was no good and they were not allowed to try to pass it, all the expenses of the occasion being arranged by their entertainer, Congressman Fuller.

EVENTFUL AFFAIR

Dance Given at the Opera House Thursday Evening was Popular Event

At the opera house last Thursday evening occurred one of the most select dancing parties of the season.

In response to invitations sent out by the Cleo Club those gathered enjoyed a most pleasant evening.

The young lady members of the club spent much time and pains in the decoration of the hall, and it was indeed a pretty scene. The stage was vested in the colors of the club—green and white. The affair was in the nature of an autumn party, and the decorations were mostly of the autumn foliage.

A select musical program was furnished by Gualano Bros. orchestra of Sycamore.

The grand march was led by Miss Mary Ryan and E. A. Sowers.

The Cleo Club is an organization of six young ladies and the seasonable dances which they have given have won wide comment. The attendance on last Thursday evening consisted of many from out of town.

The members of the club are Misses Della Kiernan, Libbie Brown, Mary Ryan, Margaret Corson, Blanche Patterson and Della Olmsted.

LARGE CROWD ATTENDS

Good Troupe Presents Play Entitled, "Ten Nights in a Bar Room"

A good company presented the play entitled, "Ten Nights in a Bar Room" to a packed house at the opera house last Friday evening.

The company is one of the best on the road staging this play, and the people of Genoa and vicinity who attended pronounced it to be the best of the productions they had ever witnessed.

The management of the opera house has some other good plays booked of which announcements will be made later on. They are endeavoring to book only the best plays that can be brought to Genoa, and the people are well protected as to good companies under the management of Crawford & Stott.

HAVE CAUGHT THE MAN

Horse and Rig Are Returned to Kellogg & Adams' Barn

THIEF HELD AT SYCAMORE

Man who Stole Rig Six Weeks Ago Is Captured in Chicago by a Detective, who Worked on Case

On Monday evening, a telegram was received from Chief O'Neil of the Chicago police department stating that the horse thief wanted here for stealing a rig of Kellogg & Adams some six weeks ago had been captured.

Marshal Fay and H. A. Kellogg left on an early train Tuesday morning for Chicago, and by noon were in charge of the rig and man. Marshal Fay returned on afternoon train with his man and Mr. Kellogg drove the rig home, arriving here Wednesday afternoon.

While in Genoa, the young man gave the name of Henry Walker, but upon being taken by the Chicago detective gave his right name which is John Tollefsen, with residence at 2219 South 41st Court where his parents reside.

The authorities were surprised to learn that he had not disposed of the rig, but had kept it at his home since his arrival in Chicago. The horse when taken was in a pitiful condition, and as he stated had not had grain to eat while in his possession but had been turned out to pasture when not in use.

His family and neighbors were at a loss to know how he came in possession of the rig, but when asked he told them that he had worked on a farm and when he left the farmer told him to take the horse as part of his pay. He stated that he had the horse rented out most of the time to a member of the police department.

After being brought here, he plead guilty and waived examination. He was taken to Sycamore Tuesday evening where he will wait the action of the grand jury at their next session. The father of the young man was here Tuesday evening, looking into the case but did not arrive at anything definite.

While in Genoa, prior to his departure with the rig on August 8, he worked in the Eureka factory, boarding at August Fite's.

MAKES FINE SALE

Stock at Chas. E. Burrows' Sale Brings Good Prices

S. Abraham made one of the best sales that has been made in this section on the Richard McCormick farm last Tuesday when he sold out the large farm equipment belonging to Chas. E. Burrows.

The prices which Mr. Abraham got for the goods were remarkable, and his good qualities as an auctioneer were brought out in so doing.

The forty-seven head of hogs brought big prices and the cows averaged \$45.

An Invitation to Visitors

You are cordially invited to visit the great department store and view the grand display of women's tailored suits, awaiting your approval in our ready-to-wear department. We are showing correctly made stylish autumn and winter suits at 10.49—12.49—15.49 and upwards. Theo. F. Swan, Elgin.

THE OPENING MEETING

Woman's Club Is Entertained at the Home of Miss Ella White

The Genoa Woman's Club was entertained at the first meeting of the season at the home of Miss Ella White on Wednesday afternoon.

The work for the coming year was outlined, and the usual routine of business done. Miss Ella White was re-elected president for the year '03 and '04. Five new members were voted in.

At 5 o'clock, Miss White entertained her guests at luncheon.

THIEVES IN KIRKLAND

Residence of Al. Goff Robbed of Considerable Booty

Thieves entered the home of Al. Goff in Kirkland Wednesday evening of last week, and after ransacking the house opened a safe and secured \$30 in cash.

The burglars were frightened away in some mysterious manner, for when the son, Robert, made a careful survey the silverware was found on the table tied in a bundle.

Mr. and Mrs. Goff were at Delavan Lake on an outing.

Against Butter Color

W. W. P. McConnell, state dairy commissioner of Minnesota, has issued an order effective January 1 next forbidding the use of aniline or coal tar colors for butter making. This action is taken under the new state pure food law, it being held that such colors are injurious.

CHILDREN ARE IN DANGER

School Children Are Careless Around Railroad Tracks

LOSS OF LIFE IS AVERTED

Lad Ventures too Near Fast Train and Has Narrow Escape—Other School Notes by Special Correspondent

There is considerable danger of loss of life to the school children on the railroad tracks near the school house. On Wednesday morning, a child of seven had a narrow escape and a terrible death was averted by the prompt assistance of a by-stander, who grappled the little fellow from the track just as the Pacific Coast Limited tore through Genoa at 11:03 a. m., going at a high rate of speed.

The parents should warn their children of the danger, for of lately they have become very bold and venture too near the traffic. The railroad officials are endeavoring to ward off any accident.

Albert Quick is suffering with neuralgia.

There is a larger number of tuition pupils this year than last. Miss Hattie Osborn of Sycamore visited the grammar room Tuesday.

The attendance thus far has been very good in all departments.

Blanche Shipman, Frank Shultz and Claude Senska have been promoted from the seventh to the eighth grade.

The work on the cupola has been completed and the remodeling adds to the appearance of the school house.

Thomas Franssen, who has been absent two weeks on account of a broken arm, returned to school Monday.

County Supt. L. M. Gross of Sycamore was here Monday, and at the close of school a teacher's meeting was held.

The boys' basket ball team was out for practice Tuesday evening, the ball collapsed in a fast play and the practice was discontinued to be followed by a short practice game at foot ball.

The system used this year to enforce prompt attendance is a good one. A telephone has been placed in the school building and those absent at the time of the roll call are at once located over the telephone or by truant officer, H. P. Edsall.

On Friday evening of last week, the girls of the high school department met with the Assistant Principal, Miss Esther Mohr, to bring up the question of organizing a basket ball team. It was found that there were enough who desired to play to form a team and a meeting was called for Tuesday evening of this week at which time the team was organized. The team was out for practice one evening this week.

NEW INDUSTRY

T. J. Hoover of Elgin will Open Large Machine Shops Here

That Genoa will have an up-to-date machine shop is assured by the foundation for a structure which has been completed and is located on the James R. Kiernan property on West Main street.

The building will be 24x40 feet and is being constructed along lines which are adapted to machine shops.

T. J. Hoover, who will be proprietor of the concern, comes highly recommended, and he leaves a responsible position with the Elgin Manufacturing company at Elgin where he has been for the past four years.

The equipment, which Mr. Hoover will put in, will be up-to-date in every respect and will consist of lathes, milling machines, drill presses and every machine necessary to turn out high class work.

All of the mechanical work now handled by Jas. R. Kiernan will be turned over to the new industry and this alone will help Mr. Kiernan greatly in his work.

Jas. R. Kiernan states that he will have the building completed for Mr. Hoover by the 10th of October, and the shop will be in running order in a few days thereafter.

BREAKS HIS LEG

James Greenfield of Marengo Jumps from Buggy and Leg Is Broken

While driving a horse, attached to a buggy, in the west part of town last Sunday morning, James Greenfield, a farmer living near Marengo, jumped from the buggy to get away from the kicking horse and broke his leg.

The injured man was taken to Kellogg & Adams' livery barn and Dr. Austin called. It was thought advisable by the physician to bandage the leg and take him to Marengo as soon as possible. The leg was broken just above the ankle.

Have New Quarters

Ellis' Modern Business College and School of Shorthand at Elgin has moved from 18 Douglas Ave., to the second floor, Town's Block 9, 11 and 13 Grove Ave., where 2,400 square feet of floor space has been placed in order to accommodate the large attendance. Graduates from this school are sought after by business men, because they have learned from experience that they are well prepared to fill responsible positions. The demand for book-keepers and stenographers during the past year has been far greater than the school could supply. One Chicago firm writes that they will place every graduate sent them from Ellis' school; that they find them superior to graduates from Chicago, and other schools.

MANY HICKORY NUTS

Season for Harvesting this Crop Opens Early

There seems to be an unusually large crop of hickory nuts this year, and many bushels were gathered Saturday and Sunday from the nearest groves in the vicinity of Genoa.

Usually the time for nutting parties arrives with the first few hard frosts, or about October 1, but for some reason the season has arrived early this year, and already the nuts are falling in great numbers.

In the Sycamore True Republican of a recent date appeared an article in which the following statement was made:

"As to the result, there is but one opinion among the attorneys of this city, all of whom have familiarized themselves with the county seat removal laws during the two years and over this fight has been on, and they all are of the opinion that there is nothing the higher court can do but to overrule the county court, and that there will be no further vote on this question this year."

The above is a portion of an article censuring Judge Pond. Upon glancing through the article mentioned, the editor of this publication thought it strange that ALL the attorneys of Sycamore should be unanimous in their opinion of Judge Pond's views. Thinking an injustice had been done one of Genoa's products, the editor made it a point to call upon a number of the most prominent attorneys of Sycamore, and in no case did he find any attorney practicing in Sycamore, who would express himself as to Judge Pond's views. Therefore, we call upon the Sycamore True Republican to corroborate the above lines in quotations.

The Genoa Republican is a handsome paper. This verdict is given after an examination of several recent issues. Set in large type, printed on special book paper, with job ink, it makes an appearance to justify the expense of the additional outlay and care. The Fourth of July edition was printed in red and blue, a large "Old Glory" occupying the entire front page. The Republican's advertisements are set in late faces of type, with modern borders, and well displayed.—Publishers Auxiliary.

The year of 1903 has been a most gratifying one from the business man's point of view, and more money has changed hands, and changed more freely than ever before in the history of Genoa. More building is being done, more vacant lots being bought and builded upon. Workmen of all trades are busily engaged, for work is plentiful and every able bodied man and woman willing to work is working under better rules, shorter hours and receiving more pay than in years before.

The DeKalb Review says that Col. Ellwood of DeKalb was called upon and made one of his characteristic speeches at the old settlers' picnic in Kingston on September 12. In justice to Rev. E. D. Hull, orator of the day, we state that Col. Ellwood was not on the program for a speech, did not make a speech and further than this left the speaker's stand before the program was well under way.

M. E. Church Items

Choir rehearsal will be held as usual on Saturday evening at 7:45. All members are requested to be present.

There will be a very interesting Epworth League meeting held in the league rooms Sunday evening at 6:30.

The ladies' aid society will hold a very important meeting at the home of Mrs. Wm. Holroyd Friday afternoon.

Preaching services will be held next Sunday afternoon at Ney M. E. church at 2 o'clock. Communion services will also be held.

Services will be held next Sunday morning and evening at the usual hour. Rev. Ream will preach at 10:30 a. m. and 7:30 p. m. Special singing at the evening service.

The Charter Grove church is growing and prosperous. Last Sunday afternoon, Rev. Ream baptised two persons and received three new members into the church in full connection.

MARRIED THURSDAY

Alexander Smith and Miss Florence Cree Married at South Elgin

On Thursday evening at 7 o'clock at the home of the bride's parents at South Elgin occurred the wedding of Alexander Smith of this place to Miss Florence Cree.

The ceremony took place in the presence of the members of the families of the contracting parties. Rev. E. L. Conklin, pastor of the Universalist church of Elgin, officiated, using the ring ceremony.

After receiving congratulations Mr. and Mrs. Smith sat down to a wedding dinner.

Mrs. Smith is a daughter of Mr. and Mrs. Wm. Cree of South Elgin, and does not come to Genoa as a stranger, for her wide acquaintance here was gained during her six years' service as a teacher in the Genoa public schools.

Mr. Smith is the only son of Mr. and Mrs. Chas. Smith of Genoa, and has a wide circle of friends who join the REPUBLICAN in wishing the couple much happiness. Mr. Smith holds a responsible position as stock clerk in the Eureka Electric company here.

Mr. and Mrs. Smith departed on an evening train for a short honeymoon, and will be at home at Genoa, Illinois, after October 1.

WED AT ROCKFORD

Miss Grace Reams and John Wahl Were Married Wednesday

Miss Grace Reams and John Wahl were united in marriage at the home of the officiating clergyman, Rev. E. K. D. Hester, on Wednesday afternoon at 2 o'clock.

The news comes as a surprise to their many friends in Genoa, and on their return after a short honeymoon they will be greeted with wishes of much happiness through life.

After the ceremony, they departed for a short honeymoon, and will be at home to friends at Genoa, Ill.

Mrs. Wahl is the daughter of Mr. and Mrs. Henry Reams of this place, and is a young lady possessing a wide circle of friends. Mr. Wahl is employed in the shoe factory, and is a prosperous young man.

Special Assessment Notice

GENOA, ILLINOIS, Sept. 15, 1903.
You are hereby notified that there is now pending in the county Court of DeKalb County, Illinois, proceedings for the levying of a special assessment for the following local improvement in the Village of Genoa, DeKalb County, Illinois, viz:—

An extension to the system of water mains and fire hydrants in said Village, in accordance with Ordinances of said Village, approved July 10 and August 14, 1903.

A petition was filed by said Village of Genoa in the office of the County Clerk of said County on August 31, 1903, for an assessment of the cost of said improvement according to benefits.

The Assessment Roll was filed in the office of the Clerk of said Court on September 1, 1903.

The total amount of the cost of said improvement is \$453.00

The total amount assessed as benefits upon the public is \$53,000.

Said assessment is payable in four installments, and all installments, except the first, bear interest from and after the date of confirmation of the assessment roll until paid, at four per cent. per annum. Application will be made to said County Court for confirmation on the 5th day of October, A. D. 1903, at 10 o'clock a. m., or as soon thereafter as the business of the Court will permit.

All persons desiring may file objections in said Court before said day, and may appear on the hearing and make their defense.

G. E. STOTT

Officer appointed to make said assessment.

New Fall Suits for Women

As charming effects have never been attained in women's tailor-made suits as the present season unfolds. The style of the garments, the graceful lines, the many new materials and the excellent workmanship, fit and finish make the standard of value very high. Fashion demands the most careful consideration of every small detail in the making of tailored garments, and these minor details though small in themselves are often the secret of a perfect fitting garment. We have used extraordinary care and good taste and judgement in the selecting of the garments we offer and whether a business suit at \$10.98 or an elaborate dress affair at \$35.00, the same good style, fit and workmanship is apparent. LIFE'S JOURNEY IS OVER

Mrs. W. H. Hughes Succumbs to Lung Trouble

Remains Brought to Kingston from Belvidere and Interred Last Sunday—
Rev. E. D. Hull in Charge

Mrs. Willis H. Hughes passed away at her home in Belvidere last Friday afternoon at 5 o'clock. Owing to a tuberculosis affection and an attack of lagrippe, the many friends of the deceased had anxiously awaited tidings as to her condition, hoping that she would safely pass through this siege of illness. But, when the mournful tidings came that she had breathed her last, a wave of sadness passed over the community, yet the shock was tempered with the knowledge that it was but the inevitable.

Mary Belle Poust was born in Kingston, October 8, 1868. On February 2, 1893, she was united in marriage to W. H. Hughes.

About six years ago, Mr. and Mrs. Hughes moved to Chicago, at which place the deceased was ill some time with typhoid fever, which left her lungs affected in consequence. They removed to Colorado, and later to DeKalb and Belvidere, where the husband has employment as ticket agent at the Northwestern depot.

Those who are left to mourn are: the mother, Mrs. L. J. Poust, two sisters, Mrs. Wm. Virgie of West Chicago and Mrs. Myron E. Cole of Belvidere; three brothers, Walter and Frank Poust of Sandwich and Byron Poust of Itasca.

Short funeral services were held at the home in Belvidere at 12 o'clock Sunday. The remains were brought here and at 3 p. m. services being held in the M. E. church, Rev. E. D. Hull of Belvidere speaking words of hope to the many relatives.

Miss Perkins of Belvidere rendered a number of vocal selections.

Interment was in Kingston cemetery.

Fearful Odds Against Him

Bedridden, alone and destitute. Such, in brief was the condition of an old soldier by name of J. J. Havens, Versailles, O. For years he was troubled with kidney disease and neither doctors nor medicine gave him relief. At length he tried Electric Bitters. It put him on his feet in short order and now he testifies. "I'm on the road to complete recovery." Best on earth for liver and kidney troubles and all forms of Stomach and Bowel complaint. Only 50c. Guaranteed by F. T. Robinson, druggist.

Land Seekers

I. A. McCollom conducted a party of land seekers to Lake Preston, South Dakota. Those in the party were Jos. Aurner, E. Fulkerson and Geo. Moore, the latter gentleman stopping over at Gary, S. D., to visit his brother.

What is Life

In the last analysis nobody knows, but we do not know what it is under strict law. Abuse that law even slightly, pain results. Irregular living means derangement of the organs, resulting in constipation, headache or liver trouble. Dr. King's New Life Pills quickly re-adjusts this. It's gentle, yet thorough. Only 25c at F. T. Robinson's Drug Store.

To repeat an untruth is almost as bad as to originate it.

MORPHINE

Can Morphine and Other Drug Habits be Cured?

It has been long contended by physicians that there is no cure for the drug habit. This is true so far as the rank and file of the medical profession are concerned.

The reason, therefore, is that they are ignorant of the full scope and nature of the disease; but fortunately for the cause of suffering humanity we have demonstrated that the morphine or other drug habits can be cured and guaranteed an absolute, permanent and painless cure to those addicted to the use of drugs if they will take our treatment and follow our instructions.

Each case submitted to us receives individual attention and treatment from an experienced nerve specialist. We give immediate relief. Appetite for drugs is destroyed and an appetite for food is restored.

Write today for our free booklet and free trial treatment. All correspondence strictly confidential in plain envelopes. Address MANHATTAN THERAPEUTIC ASS'N., Dept. B., 1135 Broadway, New York City.

Proper Treatment for Sprained Ankle
As a rule a man will feel well satisfied if he can hobble around on crutches two or three weeks after spraining his ankle, and it is usually two or three months before he has fully recovered. This is an unnecessary loss of time, for in many cases in which Chamberlain's Pain Balm was promptly and freely applied, a complete cure has been effected in less than one week's time, and in some cases within three days. For sale by F. T. Robinson.

Bucklin's Arnica Salve

Has world-wide fame for marvelous cures. It surpasses any other salve, lotion, ointment or balm for cuts, corns, burns, boils, sores, chapped hands, skin eruptions; infallible for piles. Cure guaranteed. Only 25c at F. T. Robinson.

Broke His Leg

Alfred Whitacre, living near Charter Grove, on last Sunday fell a distance of twenty-five feet from a tree and received a fracture of the hip. He was taken to the Sycamore hospital, where he is now under a physician's care.

A Boys Wild Ride For Life

With family around expecting him to die, and a son riding for life, 18 miles, to get Dr. King's New Discovery for consumption, coughs and colds, W. H. Brown, of Leesville, Ind., endured death's agonies from asthma; but this wonderful medicine gave instant relief and soon cured him. He writes: "I now sleep soundly every night." Like marvelous cures for consumption, pneumonia, bronchitis, coughs, colds, and grip prove its matchless merit for all throat and lung troubles. Guaranteed bottles 59c and \$1.00 Trial bottles free at F. T. Robinson's drug store.

The optimist thinks all eggs good.

50 Years of Success

This is our record. From a small beginning we have grown until our factories now cover many acres. Many of our machines sold forty to fifty years ago are still giving their users faithful service. Can anything be more convincing of their merits and durability? Did you ever hear of any other machine with such a record?

Note a few of the many superior points of the

Wheeler & Wilson Sewing Machine No. 9

The Rotary Hook displaces the old, out-of-date, unmechanical and troublesome shuttle.

The Frictionless ball bearings and perfect mechanical construction enable it to be operated with one-third less exertion than is required by ordinary machines. It sews three yards of goods while a shuttle machine sews two.

It makes the most elastic and most perfect stitch whether sewing light or heavy goods.

With our superior attachments the greatest variety of work is possible.

Do not make the mistake of buying a sewing machine until you have given the Wheeler & Wilson No. 9 a trial.

The McCormick Vertical Corn Binder

is without question one of the greatest labor saving machines ever invented for the farmer. Only by means of the corn binder can farmers successfully handle their corn crops and save the stalks which equal the grain value of the crop. Buy the McCormick and save not only the ears but also the stalks.

We shall be pleased to explain this machine if you will call and see the sample.
