## OF GENERAL INTEREST

### ITEMS STOLEN FROM COLUMNS OF EXCHANGES

#### LOWDEN BUYS \$6,500 CALF

Prairie Chickens are becoming plentiful in Southern Part of State—See Shipped to Marengo

The Ohio legislature is attempting to pass a bill to raise saloon licenses from \$350 to \$1000.

About 4,000 tons of ice was shipped from Lake Geneva to fill the Borden ice house at Marengo.

The milk condensing companies of the dairy district in the vicinity of Dundee have signed contracts for an average price of \$1.01 2-3 per hundred pounds for the coming six months.

Some men are forever going around with a chip on their shoulder for someone to knock off, while others are going around with a block on their shoulders that someone ought to knock off.

J. B. Woodworth of Marengo the former owner of the grocery store just recently purchased by Mr. Carp, has failed, and it is believed is \$6,500 in debt. The Dairyman's State bank holds a mortgage for \$500 on his mother's home in Marengo.

Mrs. Ellen Fuller, an aged woman who lived alone in the outskirts of Earlville, was found dead in her home Tuesday morning. Her body was found tied to the stair banister, where she had been bound and gagged by robbers. The perpetrators of the deed secured about \$800, which Mrs. Fuller had in the house.

A new price for farm land in McLean county has been reached as evidenced by a deed for eighty acres of land in section nine and on the east side of Gridley township, which was sold \$205 an acre by Benjamin Miller and wife to Samuel Miller, for the total sum of \$16,400.

Wayne county is the banner state for prairie chickens, reports from the warden there stating that 3000 have been located. Sangamon county reports 2000 or more. It has been learned that the chickens have increased rapidly, especially in the southern tier of counties, since the law was passed forbidding the killing of the birds.

A certain young dry goods clerk in a nearby city has formed the habit of saying, "Yes I have often noticed that," in agreeing with what people say to him. The other day a gentleman was in the store buying some hose for his daughter and remarked that she always wore black hose. "Yes, I've often noticed that," said the clerk, from force of habit—but he has been industriously trying to get over the habit ever since.

Col. Frank O. Lowden recently bought of C. A. Saunders at the wonderful price of \$6,500 the latter's champion shorthorn white calf, known as "Cumberland Lass" which won second prize at the Chicago fat stock show last December. The animal was shipped to Col. Lowden's stock farm near Oregon, Ill., and will be a famous addition to his herd of blooded cattle, which is acknowledged to be the finest in Northern Illinois.

## TAX PAID IN COUNTY

Total Amount Will Foot Up About \$400,000

County Treasurer Hohm finished on Monday the settlements with all of the various township collectors, on which work he has been engaged for some three weeks.

The result is that there has been received into the county treasury the considerable sum of about \$387,000, which, added to the amount which is being received from the railway, telegraph and telephone companies, nearly \$43,000, will amount to a total of over \$400,000.

The amount levied on Genoa township was \$22,260.28, and the amount collected was \$20,165.80, leaving delinquent \$2,094.48.

The total tax in the county this year was about the same as that of last year, although the tax in most of the corporations was greater.

According to the returns there were only 1,902 dogs in the whole county. There were 18,203 horses, 43,771 "neat cattle," 227 asses and mules, 4,858 sheep, 39,011 hogs, 51 billiard and other tables, 7,624 carriages and wagons, 3,603 watches and clocks, 2,771 sewing (and knitting) machines, 1,000 pianos and 669 melodeons and organs.

#### HEIR TO A MILLION

Luther Long of Sycamore Made Happy By Word from the East

Luther Long who has for several years been engaged in the tea and spice business, recently fell heir to property valued at a million dollars. Luther is not riding over rough roads in his tea wagon now. He has a better job.

The property, located in Philadelphia, which comes to Long has been in litigation for years and only recently the courts settled the case.

The lucky man is well known in Genoa and his friends will rejoice with him in his good fortune.

## REV. REED HITS HARD

### SHOWS NO FEAR OF MAN OR DEVIL IN HIS SERMONS

#### METHODS NEW TO GENOA

Large Audience Hears the "Facts" Regarding the Dance Monday Evening—Men's Meeting

Evangelist C. Fenwick Reed who has been conducting meetings at the M. E. church during the past week has by his plain and fearless speaking set the whole town to saying things, complimentary and otherwise. Some have been made angry, some pleased, others don't know what to think and many have been too indifferent to attend the meetings at all. Rev. Reed has his ideas regarding the latter and does not hesitate to put his thoughts into words that hit hard. He first put the backward church members on trial for their seeming negligence and by so doing nearly stirred up a hornet's nest. There was no one stung, however, and now all are with him in the effort to bring about results.

Mr. Reed does not resort to methods adopted by "Billy Sunday" for the purpose of "advertising," nor does he use the same language that the base ball evangelist dared to throw at his audience. Mr. Reed has methods of his own and none can deny that he is one of the greatest living evangelists of the day. Few men can sway an audience as he does. He will have every person blinking and wiping away tears one minute and smiling the next while in another interval everyone before him will be angry enough to leave the meeting. But that power still holds them and they don't leave.

Such a man should, and, under ordinary circumstances, would be greeted with a packed house every night.

The largest crowd during the week attended the meeting on Monday when the dance was discussed. Mr. Reed handled the subject without gloves and in the opinion of many (not all) spoke nothing but the truth.

Thus far there have been but twelve conversions. More interest is being taken as the days pass and there will no doubt be many more converted before the meetings close next Monday night. On Sunday fifty-five children over ten years of age announced their intention to lead Christian lives.

If you have not attended any of the meetings you are missing an opportunity that may never be available again. If you have attended and been hit two hard for comfort, just rub the bump and think.

#### Struck By Horse

Kenneth, the eight year old son of Mr. and Mrs. Jas. Fur, was struck by a horse last Saturday and seriously injured. The boy entered the stall occupied by the horse and was found later with a severe gash in his leg, the flesh being cut to the bone. The horse was always considered a gentle animal and it is supposed that the accident was thru no vicious trait developed by the animal, but rather carelessness on the part of the boy.

#### ATHLETICS LOSE

In a Basket Ball Game at Belvidere Saturday Night

The Genoa Athletics were defeated at Belvidere last Saturday night. Regarding the game the Belvidere Republican says:

"The first game between our second team and the Genoa Athletic association was a surprise to everyone as a mighty close proposition was looked for with odds in favor of Genoa. Our boys turned the tables on them, however, to the tune of 40 to 12. All of the Belvidere boys did good work, particularly the substitute center, Georgian, who scored eight points. Georgian is on the regular substitute list for Chicago University and next year will without any question whatever play in the regular team."

The team from Genoa was a hurriedly thrown together bunch and had not practised for three or four weeks.

#### DELEGATES SELECTED

County Republican Committee Meet in Sycamore and Select Delegates

The DeKalb county Republican central committee met in Sycamore on Wednesday afternoon and selected 15 delegates to represent DeKalb county at the Republican convention to be held at Rockford on April 18 for the purpose of making a nomination for the office of judge of the supreme court in the sixth supreme court district. There are ten counties in the district. There will no opposition to the renomination of Judge Crabtree, who is considered one of the ablest jurists on the supreme bench of this state.

The following delegates from DeKalb county were selected: D. J. Carnes, H. A. Jones, J. B. Stephens, Joseph Dick, A. S. Earley, E. M. Burst, H. T. Smith, T. M. Cliffe, A. G. Kennedy, W. L. Pond, J. Matteson, C. G. Faxon, G. E. Stott, H. M. McEwen and George Brown.

#### The Senior Class

## USES THE SHOT GUN

### JIMMIE RYAN'S TEMPER GETS HIM INTO TROUBLE

#### TAKEN TO THE COUNTY JAIL

In Fit of Anger He Chases Jefferson Harris With Shot Gun and Fires at Close Range

"Jimmy" Ryan, the adopted son of Jefferson Harris who resides south of Genoa tore loose in a fit of anger last Saturday and gave Jeff a hot chase about the farm. Mr. Harris proved to be a good sprinter and it behooved him to keep in the lead for his pursuer had a loaded and cocked shot gun in his hands. Jimmy failed to catch Harris before he got to the house and taking no chance of losing his victim he pulled the trigger. It was later discovered that Mr. Harris had narrowly escaped injury for the door casing and side of the house was well peppered with shot. The boy claimed later that he did not shoot at the house, but aimed at a clump of bushes. The evidence proves, however, that if he aimed at the bushes he will not do to associate with Buffalo Bill's squad of crack shots. He also claimed that the gun went off accidentally.

On the evening in question Jim asked for money and not getting the amount he desired he became abusive and when reprimanded it made him ferocious. Mr. Harris finally went to the barn and was later followed by Ryan who carried a shot gun. The argument was continued until Harris started for the house with Ryan following when about half way the gun was discharged, but none of the shot took effect, altho Mr. Harris and his mother, who stood on the porch, were in direct line.

Deputy Sheriff Yalden was called and the young man was soon placed in the village bastille where he remained until Monday morning when he was taken to Sycamore.

Ryan, who was a charge in a New York home for boys, was adopted by Jefferson Harris in 1898, and altho he had previously shown evidence of a violent temper he had never before lost all control of himself. Mr. Harris at once notified the authorities of the home by telegraph of the affair and they will take the boy off his hands if the law does not take care of him. Persons adopting boys from the institution in question are under bonds to report at stated intervals and keep the boys in charge until they become of age. If they become unmanageable, as in this case, they are sent back to the home. The boy was taken to New York Tuesday.

## THREE TICKETS IN FIELD

Three Trustees and One Village Clerk to be Elected Tuesday

There are three tickets to be placed on the ballot for the village election April 17. P. A. Quanstrong is up for trustee by petition, his paper having been filed with the clerk on the second of March. There is also a complete petition ticket with L. M. Olmsted, H. A. Kellogg and John Lembke as trustees and T. M. Frazier as clerk.

At the regular village caucus held last Saturday about ninety votes were cast placing in nomination Frank Tischler, Kline Shipman and Conrad Dralle as trustees and T. M. Frazier as clerk on the citizens ticket. At the same caucus E. C. Crawford, J. M. Harvey and W. H. Sager were elected to serve on the citizen's committee during the coming year.

The prospects are that the contest for a seat in the village council will be spirited. Under the new law passed during the last session of the legislature the village clerk will hereafter serve two years as does the president.

T. M. Frazier will withdraw his name from the caucus ticket, as the law does not allow the name to appear twice for the same office on one ballot.

#### COMMITTEE MEET

Sycamore Selected as Place for holding the Congressional Convention

The Republican Congressional committee of the twelfth congressional district met in the Briggs House in Chicago on Thursday afternoon of this week. Prominent Republicans from all the counties in the district were present. The committee was pleased to meet Congressman Fuller, who entertained them at dinner.

It was unanimously voted to hold the convention at Sycamore on Wednesday, May 16, at 1:30 o'clock p. m.

There will be over 100 delegates from the six counties in the district, besides other men prominent in the party, in Sycamore on that day, and it is expected that a most interesting occasion will be made of it.

#### A Good Ordinance

The village board of Algonquin, Ill., has passed an ordinance requiring the "drawing" at the time of slaughtering of fowls and animals offered for sale. Failure to comply with this ordinance subjects the dealer to a fine or imprisonment, or both. The measure is an excellent one and is in the interests of the public health.

A fowl left on sale for days with a corrupting mass of filth inside is certainly contaminated, and not fit for food. The state board of health has taken the matter up, and is sending sample ordinances to every municipality in Illinois, urging the passage of some similar measure. Local physicians also heartily commend the suggestion.

#### Fuller is Silent

Congressman Chas. E. Fuller, was over from Belvidere this afternoon on business. He states that he is taking no part whatever in the contest in Boone county for United States Senator, as he is friendly to both Richard Yates and Senator Cullom. He says the people can settle the matter in the primaries without interference from him.

Judge Fuller will return to Washington next Tuesday and will not return for the primaries.—Rockford Register Gazette.

## THE VOTERS SAY NO

### DO NOT WANT HIGH SCHOOL THIS YEAR

#### H. M. CRAWFORD ELECTED

A Total of 439 Votes Cast for Township Officers and 425 Cast on High School Question

At the election held Tuesday the township high school was defeated by a majority of 110 votes there being 253 against and 143 for. Several ballots cast were mutilated while a few did not vote on the question at all, probably because they were not sufficiently acquainted with the facts. Many voted on the question with facts before them while others could see nothing but (enlarged) figures. The readers of the Republican-Journal are aware of the fact that we were in favor of the township high school and expressed our views in an honest and impartial manner. The defeat is taken with good grace and the Republican takes off its hat to the will of the majority. On the other hand, had the proposition carried we would not desire it so without comparative harmony and good will prevailing, for above everything else there must be harmony in all school questions to get the best results.

Without doubt this same question will come up again and again until it is thoroly and impartially understood by all voters, both as regards the actual facts and conservative figures.

In the election for township officers 439 votes were cast, being about 150 less than the township can poll. There were at least fifty in the village who did not vote. In the village last spring 425 votes were cast. Deductions from this will show that the above estimate is about right.

The only contest was for the office of highway commissioner, H. M. Crawford winning out over Jos. Patterson by eighty votes, a greater majority than the supporters of Mr. Crawford expected. The straight ticket on which Mr. Crawford's name appeared received 223 votes, more than enough to elect.

Several ballots were cast out on account of mutilation. Following is the result in figures.

#### False Report

It having been reported that I am a candidate for the office of sheriff to help the candidacy of Daniel Hohm, I take this method of denying the report and will state that I am working for the interest of my own candidacy and none other and that I will remain in the contest to the finish. Trusting that this will serve to disprove this or any other report that may be circulated, I am, Yours truly,

**Are Dollars Alike?**  
Yes. Each has 100 cents. But you know and we know that 100 cents will get more and better things in some places than in others. That is why we buy toys direct from Germany, hosiery straight from southern mills, etc., etc. Are you as careful about your buying? You wouldn't hire out for \$1.50 if others were getting \$1.75. Then why pay \$1.75 for the same goods for which others are paying only \$1.50?

## Does Your Heart Beat

Yes. 100,000 times each day. Does it send out good blood or bad blood? You know, for good blood is good health; bad blood, bad health. And you know precisely what to take for bad blood—Ayer's Sarsaparilla. Doctors have endorsed it for 60 years.

One frequent cause of bad blood is a sluggish liver. This produces constipation. Purgative substances are then absorbed into the blood, instead of being removed from the body daily as nature intended. Keep the bowels open with Ayer's Pills, liver pills. All vegetable.

Made by J. C. Ayer Co., Lowell, Mass. Also manufacturers of HAIR VIGOR, AGUE CURE, CHERRY PECTORAL.

I have installed a machine for sharpening pulverizer discs and colters, with gasoline power. Have this work attended to before the spring rush.
