SALE OF BLOODED STOCK

Thoroughbred Cattle Bring Fabulous Prices at Auction Sale on Frank O. Lowden's Farm

Judge Henry B. Willis, for many years a judge in the sixteenth judicial district, has accepted the call of the Supreme Court of the state to take his place on the bench of the appellate court at Ottawa.

Rockford is about to land another big manufacturing industry—an iron working establishment which will employ about 600 men the year round.

James K. Coleman, conductor for the Illinois Central Railroad company, was crushed to death between the cars of his own train at Freeport early Sunday morning while making up a train to go to Rockford and from there on an excursion to Dubuque, Iowa.

Rather than take part in the graduating exercises of his class in the Oxford, Pa., high school, all of which but himself were girls, James Andrews, 16 years old, drowned himself in White Clay creek.

The McHenry County Automobile Club has employed a gang of men to pick up the stones from the highways of the county.

Elgin has been asked to consider the proposition of the locating of a typewriter factory.

A statistician says that one out of every sixteen women in the United States is working for a living.

You have heard people say they had "worked like a dog all day." An exchange has figured that if this was literally true, the twenty-four hours would be spent thus: One hour digging out a rat, two hours gnawing a bone, one hour waiting for a cat to come down from a tree, half an hour begging to get into the house and the balance of the time sleeping on a mat in the cold doorway.

Sinsissippi farm on Thursday last was the mecca of stockmen from all parts of Illinois and the great stock centers of the country. The annual sale of thoroughbred shorthorns raised by Colonel Frank O. Lowden was the attraction and prominent stock raisers from many states were in attendance. The sale was held beneath a large tent and the canvass was not near large enough to shelter the crowd that desired admittance. Colonel Wood of Lincoln, Neb., was the auctioneer. The cattle disposed of brought an average price of \$422, the high figure being reached on a heifer calf purchased by an Iowa man for \$1,050.

The earnings of the Elgin National Watch Co. last year in round numbers amounted to no less than \$700,000. This is at the rate of 14 per cent on the capital stock.

ATTEMPTS SUICIDE

Frank Meyers Gashes Throat With Pair of Scissors

Frank Meyers, a well known resident of Hampshire, made an unsuccessful attempt to commit suicide by cutting his throat with a pair of scissors last Thursday afternoon. He was taken to Sherman hospital at Elgin Thursday night and may recover.

Meyers has been in poor health and it is said of late had been drinking heavily. Thursday afternoon while his wife was in another part of the house he secured a pair of scissors and made several ugly gashes in his throat. The scissors entered the windpipe but the wounds are not considered necessarily dangerous unless the shock to his rundown system proves fatal.

Meyers has resided in Hampshire and Burlington practically all his life. He has been employed the greater part of the time with a section gang for the Chicago, Milwaukee & St. Paul railroad.

SMITH LEMBKE

Popular Young People Joined in Wedding by Rev. Moltan

At the home of the bride's parents in this city Tuesday afternoon at 12:30 o'clock occurred the marriage of Mr. Lee L. Smith and Miss Minnie Lembke, Rev. Moltan, pastor of the German Lutheran church, performing the ceremony. The bride wore a beautiful gown of Alice blue silk. The attendants were Mr. Wm. Lembke, brother of the bride, and Miss Frida Lang.

Only members of the immediate families were present. After the ceremony an excellent dinner was served. The presents were many and beautiful.

Mr. and Mrs. Smith left on the afternoon train for the Dells of Wisconsin where they will spend a few days. They will soon begin housekeeping in the Morningside addition.

The groom is a son of the late Leonard and Mary Lyon Smith, and a brother of Mrs. Ira Douglas of this city. For some time he has been a faithful employe of Slater & Douglass and will retain his position with that firm.

The bride is the youngest daughter of John and Mary Awe Lembke and has always been held in the highest esteem by her associates.

UNCLE JOE CANNON

Sees Nothing but the Brighter Side of American Life

Uncle Joe Cannon is the prince of all optimists, so far as the outlook for the future of the American government is concerned. In an address he spoke of the threatened bureaucratic government for the United States, and said, speaking of the general condition of the country:

Today we have better morals, better laws, and, considering the increase in population, these laws are better enforced; better schools and colleges and universities; better civilization than ever before in the history of our republic. The present conditions that we have throughout the country from the legal, from the industrial, standpoint is but another presentation of the progress that the race is making in the United States, and when the problems are solved they are to be solved by the principles written in the constitution and laws of the land, both national and state. There are none in the republic greater than the law, and the law, like the grace of God, is strong enough to throw its arms about the weakest as well as to control the strongest. Civilization rests upon the self-interest of the individual.

ERRORS LOSE GAME

REGULARS HIT HARD BUT DO POOR FIELD WORK

ELGIN WHITE SOX ARE GOOD

The Same Thing Happens at Belvidere Sunday—Kirkland Reds are Next

The Elgin White Sox trimmed the Genoa Regulars last Saturday by playing an errorless game, altho in the natural order of things Genoa should have won. The Regulars had far the best of the argument in the stick work, but made inexcusable errors at a time when they did Elgin the most good. Neurauter pitched a good game and would have won the game with good support. Despite the errors it was an exciting game to watch, Genoa's batting making up for her deficiency in fielding. Rorabaugh got back into his old form with the stick, having four hits in four times at bat placed by his credit. One drive was for three bags and would easily have been a home run if the ball had rolled. Sager, Ackerman and Miller each got three hits.

The score:

Earned runs—Genoa 3, Elgin 3. Two base hits—A. Kling, Whitman, Miller 2. Three base hits—Rorabaugh, Stickling. First on balls—off Ring 3. Struck out—by Ring 3, by Neurauter 6. Double plays—Stewart to Miller to Rorabaugh. Kling to O. Parker to Stickling. Passed balls—Winchester 2, Mack. First base on errors—Elgin 6. Hit by pitcher—Stickling, Nelson.

Errors played an important part in the game Sunday, but the Regulars managed to keep the score even by superior stick work. Williams again made a three-bagger and three singles in five times at bat. In the third inning Rorabaugh went behind the bat where he belongs and where the fans like to see him. With him as catcher and another Kirby on first the results would be different. A good catcher and sure first baseman gives the balance of the team much more confidence.

The score of the Belvidere game follows:

KIRKLAND REDS SATURDAY

The Kirkland Reds, Genoa's old-time rivals, will meet the Regulars on the local diamond Saturday of this week. The Reds are making a good showing and will give Genoa an argument. Turn out and see the locals make a few three-baggers and home runs.

Other games scheduled are as follows: DeKalb, June 24; Hinckley, July 1; Elgin White Sox, two games July 4; Pecatonica, July 21; DeKalb, July 22. Of the above games only those with Elgin and Pecatonica will be played on the home diamond, the others being Sunday events.

WHITE SOX WIN

The Genoa White Sox went over to Kingston Saturday and trimmed the team there to the tune 12 to 0.

WANT LOWER RATES

Subscribers of DeKalb County Telephone Co. to Hold Mass Meeting Saturday

An effort is being made throughout the county to force the DeKalb County Telephone Co. to lower its rates for telephone rental, many petitions being circulated to that effect. In nearly every town a meeting of the subscribers has been held for the purpose of devising ways and means of bringing the company to their terms.

Franklin Hall and Mr. Maitland of Sycamore were here Tuesday and arranged for a meeting of the Genoa subscribers to be held at the city hall on Saturday evening of this week, June 23, at 7:30 o'clock. A speaker who is thoroughly acquainted with the facts will address the meeting.

SUPERVISORS MEET

V. A. Glidden of DeKalb is Again Made Chairman of Board

At the regular meeting of the board of supervisors last week V. A. Glidden was again made chairman. All the new members fitted into their places on the board like veterans and the business of the session was conducted harmoniously. Besides the regular routine of business it was decided to build a cement walk entirely around the court house square.

A Big Ditch

A big drainage ditch will soon be dug in Kane county which will eclipse in magnitude anything of the kind in this part of the country. A large steam boat dredge is now in position and as soon as there is enough water to float the boats work will begin. The ditch will be put in from a point near Stark's Station to Gilberts and will be from twelve to twenty feet wide. Hundreds of acres of land which is now absolutely worthless or under water will be reclaimed. One or two farmers have been assessed over \$2,000 for the improvement, but in most cases the tax is paid willingly.

THREE ARE CALLED

TWO OLD SETTLERS ANSWER FINAL SUMMONS

WM. KIERNAN 80 YEARS OLD

After Long Illness Mrs. J. W. Sowers Passes Away—Two Funerals Held Wednesday

William Kiernan died at St. Joseph's hospital in Elgin Monday morning, June 18, aged eighty years, seven months and seven days.

William Kiernan was born in County Westmeth, Ireland, November 11, 1825. The early part of his life was spent in the locality of his birth. He was united in marriage to Anna Merriman in 1853 and in the same year came with her to America and settled in Kingston township. Mrs. Kiernan died February 9, 1882. Mr. Kiernan continued to reside on his farm in Kingston township until 1893 when he moved to this place where he has since continuously resided.

Failing in health and needing constant care, to gratify his expressed desire to be in some good hospital he was taken about two weeks ago to St. Joseph's hospital in Elgin. Considerable improvement for a time gave some hope, but on Sunday, the 17th, he suddenly declined, dying Monday morning.

Of his immediate family he leaves surviving him two sons and two daughters as follows: William of Cherry Valley, James R. of Genoa, Mrs. Mary Kelley of Lincoln, Neb., and Marcella of Genoa.

Mr. Kiernan was born, lived and died in the Catholic faith. His actions in life were always governed by that faith which was also a source of comfort in his declining years.

The older people will remember Mr. Kiernan as a hard working, industrious man who attended strictly to his own affairs and profited thereby. The younger generation who knew him in the later years of his life will remember him as a kind hearted, affable old gentleman who always had a cheery word for his neighbors. When it became necessary some time ago for him to keep within his rooms, his presence on the street was missed by many who now mourn his death.

The funeral services were held at the home of Jas. R. Kiernan Wednesday morning of this week. Rev. Father Huth of Hampshire officiating in his usual pleasing and consoling manner. The interment took place in Genoa cemetery.

Mrs. Mary Ellen Sowers, maiden name Carnes, was born in Mayfield township, DeKalb county, Ill., April 14, 1856, and died at her home in Genoa, Ill., June 18, 1906. She was 50 years, 2 months and 3 days of age at the time of her decease. Her girlhood days were spent in the vicinity of Pleasant Hill, DeKalb county, where she attended school.

On the 22nd day of February, 1881 she was united in marriage to Mr. Wm. Sowers of Genoa, Ill., and into their home one son was born, Alva Boyd, who naturally sorrows deeply over the loss of a devoted mother.

In addition to her husband and son who are bowed down in sorrow over her departure, she leaves one sister, Mrs. Lois Adams, and one brother, George Carnes, both residing in Genoa, who mourn the loss of their sister as they realize that one more of the family has crossed the river of death. But not only do the loved ones and relatives sorrow over

her departure, but also a great many friends and acquaintances regret most deeply her almost untimely death.

Mrs. Sowers was a woman who lived much in her home. Naturally retiring, her thoughts and activities concerned in a marked degree the loved ones of her home. She was industrious and painstaking and especially solicitous in behalf of those she loved. Naturally generous, she was glad to extend a helping hand to any whom she could aid.

She enjoyed average good health until about six or seven months ago when she began to fail in a marked degree, and for the past three months she has been dangerously ill. Everthing was done that could be done to save her life but she gradually grew weaker as the days and weeks went by, until at last she departed this life in peace.

She was a member of No. 330 Della Rebeckah Lodge, having joined several years ago.

A few weeks before her death she was baptized in the Christian faith and became fully reconciled to her death if it was God's will to call her away.

Two of the beautiful hymns which were sung at the funeral were especially precious to her and she requested that they be sung at that service. They are: "Fare, fare, each earthly joy, Jesus is mine," and "Asleep in Jesus, blessed sleep." The services were held on Wednesday at 1:30 p. m. at the home and at 2:00 p. m. at the M. E. church, Rev. T. E. Ream officiating. The ladies' quartette furnished the singing for the services.

Richard Bentley, formerly an old settler in this community, who lived for 25 years on Derby Line near this city, died at the home of his daughter in Chicago last Friday.

Mr. Bentley was born in New York state and when a young man he came to this vicinity, residing here many years, making many friends both in Genoa and Sycamore townships. Several years ago he moved to Chicago to reside with his daughter, Mrs. Libbie Denmark, where he made his home at the time of his death.

Mr. Bentley was a man honored and esteemed by all who knew him and there are many in this community who sorrow because of his death.

Besides his daughter, Mrs. Denmark, he leaves a granddaughter, Mrs. Raymond, of Chicago, and a grand-son, Frank S. Denmark of Chicago.

The interment took place in Genoa cemetery where appropriate services were held, Rev. T. E. Ream officiating.

Birthday Surprise

Last Friday at her home in Charter Grove Mrs. E. E. Kelley was completely surprised by a number of her relatives, the event being her birthday. A delicious dinner was served and the day was enjoyed in various ways.

Those present were: Messdames A. J. Patterson, Fred Holroyd, D. S. Brown, Andrew Sowers, Jerry Brown, Everett Smith and Miss Esther Smith. Messrs. James Gaffney of Chicago and Jerry Brown.

Before leaving all wished the hostess many returns of the happy day and presented her with a nice remembrance of the occasion. That all had a good time cannot be doubted.

Butter Market

The quotation committee of the board of trade decided on 20 cents as the official price of butter. One hundred and fifty tubs of butter sold on the market to C. S. Kilbourne at the official price. The output for the district is 926,300 pounds.

WILL TRY IT AGAIN

ANOTHER PETITION FOR ELECTION BEING CIRCULATED

WILL YOU VOTE THIS TIME?

Petition Provides for Election on Bond Proposition and also on the Site Question

Another petition is being circulated this week and if enough signatures are procured another election will be held to decide the bond issue question. At the last election many were not satisfied because they wished to have something to say regarding the site. To satisfy them and give the people an opportunity to settle the whole business as they see fit, the site question has been incorporated in the petition and will be placed on the ballot. Here is the whole thing placed before the voters of this school district. Will all turn out and give the board of education an idea of what the general sentiment really is?

It seems that a few have misconstrued the meaning of the article published in the Republican-Journal last week by reading it as a threat. It was not intended as such, but was rather a plea. Those who have not grasped the meaning of the article are respectfully invited to read it again. All that the board of education desires is that the voter look at the situation fairly and without prejudice. This can only be done by becoming acquainted with the true state of affairs in the school. No matter what your ideas may be, when the election is called go and vote.

Since the above was put in type enough signatures have been secured and an election called for June 29.

Special Election

To the legally qualified voters of school district No. one, township 42, range 5, east of the 3rd P. M., in DeKalb county and state of Illinois:

Notice is hereby given that on Friday, the 29th day of June, 1906, a special election will be held at the school house in said district for the purpose of voting for or against issuing bonds against said district for a sum not to exceed five thousand dollars, for building a primary school house and purchasing a site for same.

The polls of said election will be opened at 2 o'clock p. m. and close at 7 o'clock p. m. of same day.

Dated this 19th day of June, 1906.
H. A. PERKINS,
Clerk of Board of Education.

Voters to vote whether said school house will be located on present school grounds or on lots nine and ten (9 and 10) Patterson's 3rd addition, as owned by James Hewitt. Lots 150 by 155 feet. Price \$800.

SUPPER WILL BE SERVED

Ladies' Aid will Spread a Feast Next Wednesday Evening, June 27

The ladies of the Aid Society of the M. E. church will serve a bountiful supper next Wednesday evening in the church parlors from five o'clock in the afternoon until all have been served. A great effort is being made on the part of the ladies to suit the taste of all.

Come and bring your family with you and enjoy a social time with your neighbors and friends.

4th of July Excursion

The C. M. & St. P. Ry. will sell excursion tickets on July 3 and 4 to points on their line within 250 miles at a fare and a third for the round trip, tickets good to return until July 6. J. M. Harvey, Ag't.

WHEN YOU BUY New Hay Making Implements BEAR IN MIND THE DEERING

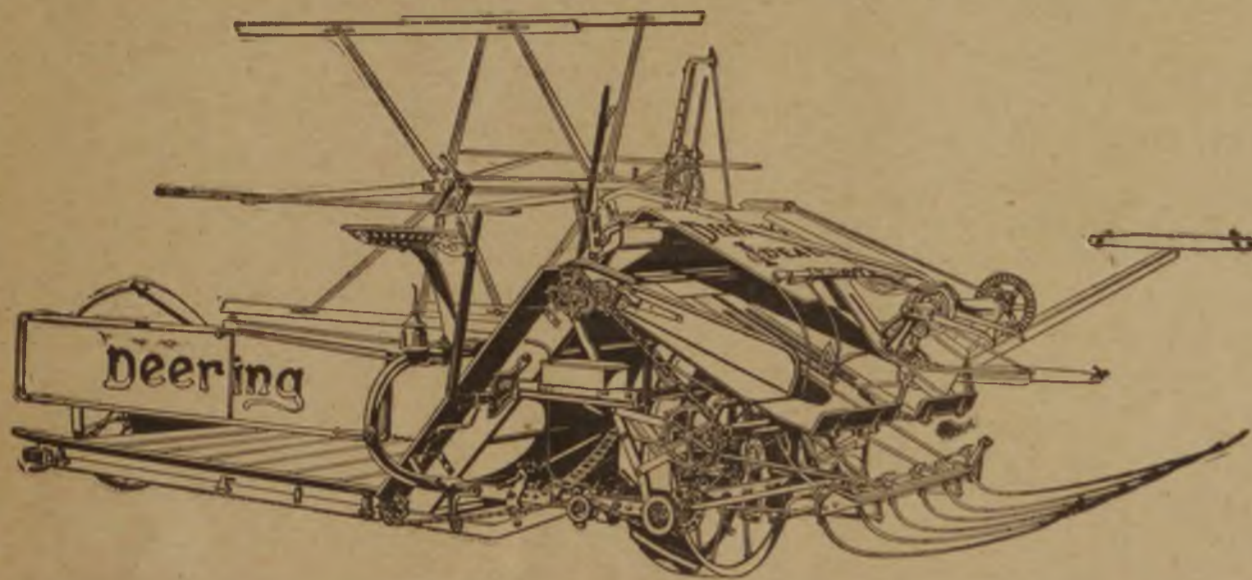

Farmers who have used mowers of various descriptions have wondered why one mower cuts so much easier and keener than others. It is the amount of traction which largely determines the cutting power. Traction is the result of sufficient weight together with proper construction. When the grass is unusually heavy, tough or wiry the cutting is difficult, the knife becomes choked and the wheels slide over the ground. To prevent this and to make the mower as effective in heavy grass as in light grass, the machine must have sufficient weight to produce positive traction. In this respect, as in every other, the Deering Ideal Mower meets every requirement.

The Deering Ideal Self-Dump Hay Rake

In point of material and design the Deering self-dump hay rake is without an equal. Deering Ideal rakes are unique in convenience and serviceability. A few of the characteristics are high carbon angle steel axel, oil tempered steel teeth perfect steel undercleaners, unusually simple dumping mechanism.

The New Deere Hay Loader

It is the most practical machine on the market, being equipped with the floated gathering cylinder and loads everything from lightest swath to heaviest windrows. If your neighbor has one of these loaders, ask him how he likes it.

Shoe Factory Notes

Mr. May was a Chicago passenger Wednesday.

Mr. Addler was in Chicago Saturday.

Minnie Clausen was on the sick list Tuesday.

Mrs. Elsie Fersen went to Elgin Friday to attend graduating exercises in which her cousin took part, returning home Sunday evening.

Mr. Beck and T. Bagley were DeKalb visitors Sunday.

Maude Downing began work Monday.

Earl Prouty visited his wife and two boys at Woodstock Sunday.

F. Anderson was a Belvidere caller Sunday.

Julius May, one of the head foremen of the shoe factory, has invented a wonderful machine to paris green potato bugs. The machine is mounted on a wooden

frame to which two wheels are attached to carry the large tank of water and paris green; it also has a steam gauge and steam safety valve. The whistle will undoubtedly be adopted as an improvement to call the bugs to the machine from a far distance. There is also an air pump attached to the tank with which air is pumped to be used as pressure to force the water in a very rapid stream in order to wash the dust off the bugs so they can partake of the green more comfortably. It is noticeable that the inventor of this wonderful machine has thought of everything to make it a success. Mr. May believes it would pay to have the hides tanned. They are somewhat small, but owing to the advance in the price of sole leather it would more than pay. The machine can be seen at his residence. Go and see it, it is worth your time.

Resolutions

WHEREAS, in view of the loss we have sustained by the death of our friend and sister Mary Sowers and of the still heavier loss sustained by those who are nearest and dearest to her, therefore be it

Resolved, That it is but a just tribute to the memory of the departed to say that in regretting her removal from our midst, we mourn for one who was worthy of our regard.

Resolved, That the heart-felt sympathy of Della Rebeckah Lodge be extended to her family in their affliction.

Resolved, That our charter be draped in mourning for a period of thirty days in respect of our departed sister, and that a copy of these resolutions be printed in the Republican-Journal and that these resolutions be spread upon the records of our lodge and that a page of our record be dedicated to the memory of our late sister.

SIMMONS HARDWARE COMPANY St. Louis, U.S.A., 238 Broadway, N. Y.

To Select a Buggy Is An Easy Task

It is an easy task if you go where there is a good assortment to select from. We are not stretching the truth when we say we have the largest stock of any house in DeKalb county. The entire second floor of our mammoth building is filled to its utmost capacity with buggies of every description, representing several car loads. This is an absolute fact. Those who look into our store room for the first time are surprised indeed. In this monster display are rubber and steel tire vehicles to suit any taste or any pocket book, including

SURRIES, TOP BUGGIES, TRAPS AND RUNABOUTS

We make a specialty of the old reliable Staver buggies, which have stood the test of years. We also have cheaper makes. It does not pay to send an order to a mail order house. We can duplicate any buggy sold by these houses for less money, and if necessary will prove this assertion. We guarantee every buggy that goes out to be just as represented whether you pay \$45.00 or \$125.00. If a buggy is cheap we tell you so and sell it cheap. If it is a Staver \$125 buggy we guarantee it from the tips of the thills to the last stitch in the top. Is that not fair enough? If we cannot suit you in style, make, quality and price, there is little use of your looking farther.

HARNESS, WHIPS AND ROBES

Our stock in these lines is complete in every detail. Whips from ten cents up to the best whale bone, and robes at all prices. In harness there is nothing lacking for driving or working, either single or double.

We buy, sell and trade horses. Buggies in exchange.
