**FOUR PERSONS KILLED**

Mendota Is Struck by Cyclone Friday Afternoon

During last Friday afternoon, the rain fell in torrents, but from reports Genoa fared well.

The cyclone swept down on Mendota along towards evening, taking four lives and injuring many others.

Quite a number of Genoa people annually attend the Advent Christian camp meeting on the college grounds there. The campus is a wreck, being a mass of trees all twisted. The wires of the two telephone companies and the electric light wires are all down, and the town is all in darkness. Several of the wounded are not expected to live.

Many living in town and country have lost horses and cattle, and dozens of buildings were wrecked.

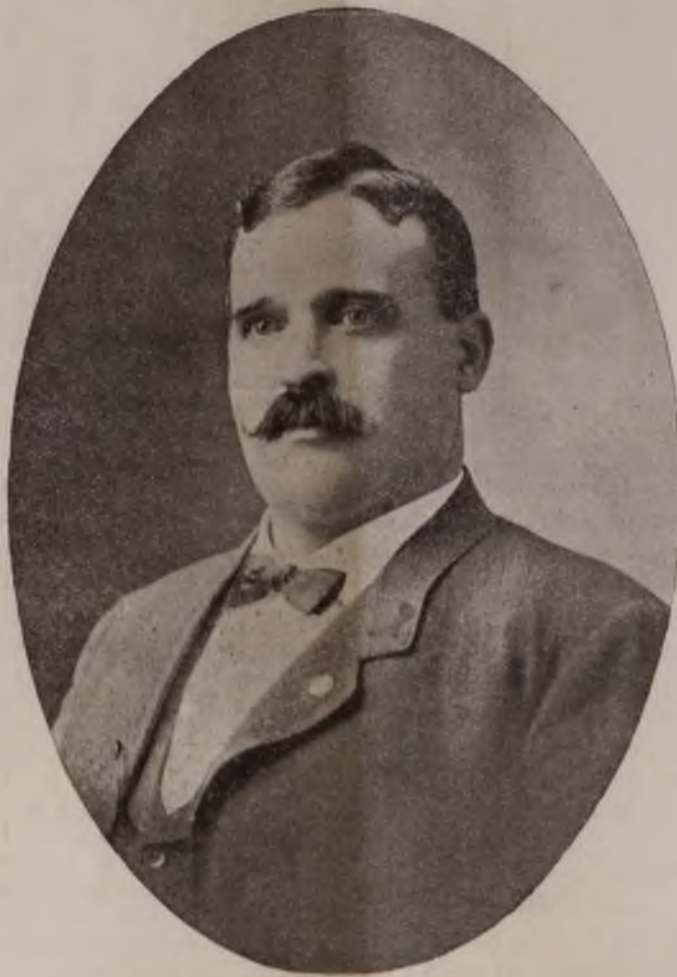

**A Sight of a Lifetime**

1000 Chinese silk worms at work in our store feeding on mulberry leaves, spinning the silk cocoons, an interesting study of one of nature's most wondrous processes. They are the genuine Chinese silk worms procured through the influence of U. S. Minister Conger and received by us direct from Washington, D. C.

Everyone, especially the young, should embrace this opportunity to learn a lesson in natural history for there is no branch in entomology so fascinating to the student as the contemplation of the habits and work of these little manufacturers. The exhibit will continue during this week and next. Theo. F. Swan, Elgin.

Dr. Rutledge arrived home from Rock Island last week Thursday, and on Friday and Saturday was receiving congratulations from his many friends. Dr. E. L. Kern of Moline, whom he succeeds, held the office four years and was promoted to membership on the newly created medical board, whose headquarters is at Rock Island.

## DROWNS IN KISHWAUKEE

Miss Carrie Shirley Loses Life in the River

Miss Carrie Shirley of Irene, a cousin of Rev. T. E. Ream of Genoa, was drowned in the Kishwaukee river near Irene last Saturday. She was accompanied by her aged father 68 years old and nearly blind. The latter was saved but was unable to assist his daughter.

The tragedy took place as the father and daughter were going from their home to Fairdale and tried to cross the Kishwaukee river by way of what is known as Earnest ford. The river was quite high at that point and in some way the buggy was tipped over and the two occupants thrown into the water.

Miss Shirley became entangled in the buggy and could not free herself. Mr. Shirley retained hold of the lines and the horse breaking loose from the vehicle dragged him ashore.

The buggy and the woman were carried down stream and the father was utterly unable to assist in the slightest, his age and lack of eyesight handicapping him.

### RURAL ROUTES

They Are to Continue—Misunderstanding Removed

The postoffice department has made public the following:

"There seems to have been a misunderstanding as to the present attitude of the department regarding rural free delivery. The statement has been published quite generally, particularly in the west, that rural routes that do not handle 3,000 pieces of mail per month and supply 100 families are to be discontinued.

It is not the purpose of the department to disturb routes already established, unless they are manifestly unnecessary. There are now on file in the department petitions for more than 100 families than can be established with the present appropriation. This being the case, the department does not feel it wise, equitable, or just to establish a route supplying less than 100 families to the exclusion of routes that will supply more than 100 families, the greatest good to the greatest number being the fundamental principle upon which rural free delivery is being established. As long as all of the routes that are asked for cannot be established, because of the lack of sufficient money the routes that will supply the greater number of families should certainly have preference."

### POLE IS FINED

For Hitting Frank Earney in the Head with a Club

A. R. Mentzke, the Pole who hit Frank Earney with a club and laid the young man out cold, paid fine in Justice Slagle's court at Rockford yesterday for assault and battery, the fine assessed \$10 and costs. The evidence showed that the Poles had a right to demand rental for the land where the picnic party landed but they had no right to club the members of the party when they refused to pay and started to move off the land.—Belvidere Northwestern.

## AGED CITIZEN IS DEAD

August Earnest John Lettow Is No More

WAS OVER 79 YEARS OLD

Had Been Feeble for Some Time—The Funeral Tuesday Largely Attended by Relatives and Friends

Last Saturday morning at 10 o'clock August Lettow passed away at the advanced age of seventy nine years, three months and nine days. The funeral services were held Tuesday at 1:30 p. m. from the house and at 2 o'clock from the German Lutheran church Rev. Molthan officiating. The services were largely attended many following the remains to their last resting place in the Genoa Cemetery.

Mr. Lettow was born April 13, 1824 at Greitenberg, province of Pommern, Germany. There he married Miss Johanna Rode, later removing to the United States.

Nine children were born to them, seven of whom, with their mother, survive.

Since coming here some sixteen years ago, Mr. Lettow has been a faithful member of the Genoa Lutheran church.

### NEW OATS IN

First Samples of Crop Appearing in the Local Markets

New oats were quoted by the local milling and grain companies last Saturday says the Rockford Star. Though the harvest is hardly on, a few of the farmers have succeeded in having a part of their early crop threshed and brought a few bushels to market.

Threshing will be taken up in earnest this week toward the latter end, and from then on it is expected there will be large amounts of the new crop marketed. The opening prices for the crop were 32 cents for the white and 31 cents for the yellow.

The farmers in this vicinity are somewhat behind this, but many are beginning to harvest their crop of oats.

### APPEARS IN VAUDEVILLE

Robert D. Atchison Begins Theatrical Career in Chicago

Robert D. Atchison of Elgin, who is well known to many Genoa people and many times has appeared here in entertainments, began his theatrical life Sunday night.

His first appearance was in vaudeville at Ft. Sheridan beer garden in a one act sketch entitled, "Papa, the Burglar." Associated with him will be Ward Pierson and Miss Ursula Thompson, both graduates of Northwestern University.

About two years ago, Mr. Atchison took the leading part in a theatrical revival in Elgin, acting "Shylock" in the "Merchant of Venice" and the leading characters in several other plays.

Pastor of Grace M. E. Church

GRACE M. E. CHURCH  
Elgin, Illinois

In a commendable article in the Elgin Daily Courier of a recent date appeared the following on Rev. F. F. Farmiloe, formerly of Genoa. His many friends here may learn what they think of him in his present home.

"Rev. F. F. Farmiloe, pastor of Grace Methodist Episcopal church in Elgin, will have completed his fifth year here next October. Before the conference changed the time limit of five years he was retained the full time in every charge he held. For years he was statistical secretary of Rock

River conference and introduced a system of recording which elicited the commendation of the conference members.

"Mr. Farmiloe is an enthusiast on camp meeting work. During his stay at Lena he had charge of the meeting grounds in that vicinity, edited a camp paper and led the singing. He began his work as musical director of the Rockford district meeting when the sessions were held at Cherry Valley and has continued in the service up to the present time. This year he will not be in a posi-

tion to take an active part on account of accepting the appointment of platform director at the Rockford Chautauqua. He is a member of the Rockford district camp meeting executive committee.

"Mr. Farmiloe has the distinction of being the first head chaplain of the head camp, Modern Woodman of America, a position which he filled acceptably for many years. He is a familiar figure at banquets and other social functions and holds himself in readiness to serve the sick and dying members of the order."

### Baptist Church Minister in Somonauk

Rev. and Mrs. F. F. Whitcomb and family are getting nicely settled in their new home in Somonauk. The Somonauk Reveille had the following to say about their reception:

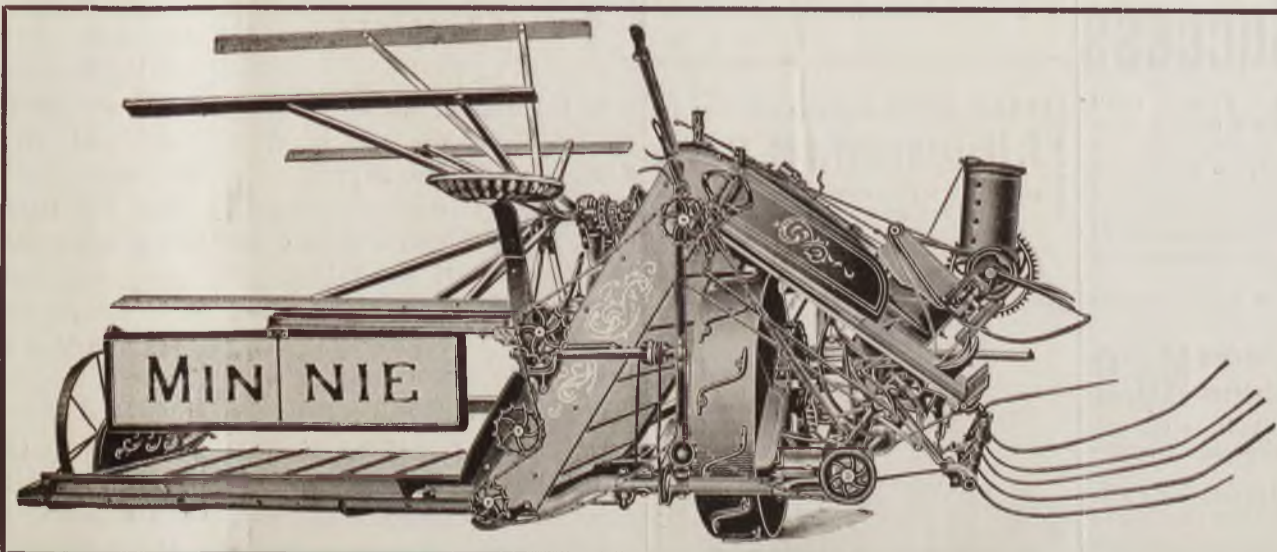

Rev. F. T. Whitcomb, the new pastor of the Baptist church, was extended a cordial welcome to Somonauk at the evening services last Sunday.

The Congregational church was closed in honor of the event and many of the members of that organization were in attendance at the meeting. Rev. W. L. Lewis delivered a neat welcome address, to which Rev. Whitcomb responded in a happy frame of mind.

The new pastor has made a very favorable impression upon all who have had the pleasure of listening to him or have become acquainted with him, and the church will no doubt be strengthened as a result of his labors here.

**50 Years of Success**

This is our record. From a small beginning we have grown until our factories now cover many acres. Many of our machines sold forty to fifty years ago are still giving their users faithful service. Can anything be more convincing of their merits and durability? Did you ever hear of any other machine with such a record?

Note a few of the many superior points of the

**Wheeler & Wilson No. 9 Sewing Machine**

The Rotary Hook displaces the old, out-of-date, unmechanical and troublesome shuttle.

The Frictionless ball bearings and perfect mechanical construction enable it to be operated with one-third less exertion than is required by ordinary machines. It sews three yards of goods while a shuttle machine sews two.

It makes the most elastic and most perfect stitch whether sewing light or heavy goods.

With our superior attachments the greatest variety of work is possible.

Do not make the mistake of buying a sewing machine until you have given the Wheeler & Wilson No. 9 a trial.

The record breaking month was June, when 35 were given permission to wed.

If you get no big fish today, your chances are better for tomorrow.

An exchange remarks that many a woman parades up the church aisle in a new and stylish hat and gown, followed by her husband in a threadbare coat and last year's hat. Yes, and many a man parades down the street with his tank full of beer and a cigar between his teeth, whose wife hasn't had a hat or coat in 'steen years and who daily works over the washtub to gain a livelihood for herself and children.

Brutally Tortured

A case came to light that for persistent and unmerciful torture has perhaps never been equaled. Joe Golobick of Colusa, California, writes: "For 15 years I endured insufferable pain from rheumatism and nothing relieved me though I tried everything known. I came across Electric Bitters and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." Just as good for liver and kidney troubles and general debility. Only 50c. Satisfaction guaranteed by F. T. Robinson, Druggist.

Very Remarkable Cure of Diarrhoea

"About six years ago for the first time in my life I had a sudden and severe attack of diarrhoea" says Mrs. Alice Miller, of Morgan, Texas. "I got temporary relief, but it came back again and again, and for six long years I have suffered more misery and agony than I can tell. It was worse than death. My husband spent hundreds of dollars for physicians' prescriptions and treatment without avail. Finally we moved to Bosque county, our present home, and one day I happened to see an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy with a testimonial of a man who had been cured by it. The case was so similar to my own that I concluded to try the remedy. The result was wonderful. I could hardly realize that I was well again, or believe it could be so after having suffered so long, but that one bottle of medicine, costing but a few cents cured me." For sale by F. T. Robinson.
