FORMER GENOA MAN ELOPES

Burt Thompson who Once Lived Here Aways on Honeymoon

Burt Thompson, the driver for Leitner's bakery at Elgin, who so mysteriously disappeared last Tuesday, as stated in the Elgin Press last Monday, was married Wednesday in Chicago to Miss Florence Irene King and is now away on a wedding trip.

His whereabouts are unknown however.

Thompson was not known to be in love until Sunday of last week when he told an intimate friend he was going to be married to Miss King. He said, "I've struck it rich."

The bride is the daughter of a well to do Chicago business man and is very popular in south side society circles.

SUMMONS SERVED

Village of Genoa Made Defendant in Suit with Joliet Bridge & Iron Co.

The village of Genoa is defendant in a suit for \$1,386, brought by the Joliet Bridge & Iron Co., to be tried at the next term of the circuit court. The sum in question is the balance due the company for two steel tanks put in by them in connection with the water system of the village. The water pressure is obtained by air in the tank under high pressure, but the village authorities claim that the tanks leak and are therefore not up to the contract, and refuse to pay for them until the company puts them in proper condition.

Village officials were not aware that suit had been started until Wednesday afternoon, when the summons was served on H. A. Perkins, president of the village board.

The Best Liniment

"I have derive great benefit from the use of Chamberlain's Pain Balm for rheumatism and lumbago," says Mrs. Anna Hagelgans, of Tuckahoe, N. J. "My husband used it for a sprained back and was also quickly relieved."

In fact it is the best family liniment I have ever used. I would not think of being without it. I have recommended it to many and they always speak very highly of it and declare its merits are wonderful." For sale by F. T. Robinson.

Verdict Returned

A case which has been crowned with much publicity, in which Mme. Sobra brought suit for \$75,000 against President Franks of the Rockford Watch Company, was closed Monday.

The plaintiff brought suit on a charge of breach of promise, and the facts recorded each day by the Chicago publications often touched on the tender things of matrimony claimed to have been extended by the defendant and entertained by the plaintiff.

The last of the cross-examination was heard Monday at 12:15 when the case was given to the jury and at 2:45 the verdict of "not guilty" was announced.

Woodmen Picnic at Janesville

For the Woodmen picnic to be held at Janesville, Wis., June 4, the C. M. & St. P. Ry will sell excursion tickets at \$1.50 for the round trip. Special train will be furnished for the occasion, time of which will be announce later. J. M. Harvey, Agt.

A man's mistakes come from forgetting details; a woman's from remembering them.

WILL GIVE DANCE

The Genoa Ball Team will Give a Dance in Opera House next Thursday Night

Genoa fans are again aroused with enthusiasm for the representation of Genoa with a good ball team for the season of 1903, and in order to place the treasury in a substantial financial condition the members of this year's team will give a benefit dance in the Genoa opera house. Thursday evening, May 21, 1903.

The affair will be one of the social events of the season. Many will be present from the surrounding towns.

A splendid program of fifteen dances, including the harp waltz, will be participated in during the evening. The music of the evening will be furnished by Gualano Bros. orchestra, of Sycamore, and many rare selections have been chosen to make the evening an enjoyable one. The tickets are on sale at fifty cents a couple.

MANY VISITORS LAST WEEK

People are Coming to Genoa Every Week to See the Town.

An unusual number of strangers have been noticeable in Genoa the past few days. Many drive over from neighboring towns, inspect the new factory and the new addition, drive through the beautiful residence streets of the village, stop down town for refreshments, and then depart regretfully for their homes. Others are here seeking employment, and it begins to look as if Genoa could accommodate all comers.

J. B. Stephens drove over from Sycamore last Saturday, accompanied by ex-Mayor Townsend and Mr. Weyland. The party spent the day here, leaving with the impression that Genoa has a great future before her.

C. W. Thomas, an electrical engineer, was here last week looking about the village. He expects to move his family here in the near future, and will undoubtedly find a good job in the new factory.

Mr. and Mrs. A. K. Dorr, of Elgin, were here a few days ago inspecting real estate, and departed much pleased with Genoa.

James Loughry was over from Marengo, and filed an application for a position in the new factory, as many others have already done.

I. Chalifoux, of Chicago, an expert wood worker, spent last Saturday here, and is planning to move his family to Genoa this summer. Take it all in all, Genoa seems to be about the liveliest town in the county.

Buy Now!

15 REASONS

Why You Should Buy Eureka Park Lots
NOW!

- Buy Now! 1st. Because it is a well known fact that in the past fifty years of our history money invested judiciously in realty has increased many times faster than it would have done at compound interest.
- Buy Now! 2nd. Because it is absolutely certain that Genoa real estate can never again be purchased as low as today.
- Buy Now! 3rd. Because it gives promise of yielding larger profits in the near future to the investor of today than even the earliest land owner of Genoa has made by rise in values.
- Buy Now! 4th. Because real estate investments in a growing city have been not only large but have proven they are the SURE profit winners.
- Buy Now! 5th. Because wealthy men of today were the purchasers of real estate ten or twenty years ago. The wealthy men of years to come will be those who are today laying the foundation by purchasing real estate.
- Buy Now! 6th. Because "that only by saving and putting aside into some profit yielding form some portion of his daily earnings is it possible for the wage earner to become, in his later years, independent of the labor of his hands."—Henry George.
- Buy Now! 7th. Because by our easy payment plan any wage earner has an opportunity which his father before him did not have—that is

- the opportunity to secure a beautiful home in the choicest part of Genoa and pay for it in a way that he will hardly feel.
- Buy Now! 8th. Because at the prices asked now there is not a single lot that is not a genuine bargain either to a home seeker or an investor.
- Buy Now! 9th. Because so long as a person is undecided he is to a certain extent unhappy. When he has come to a conclusion he experiences a peculiar satisfaction, and after deciding to select a lot in Eureka Park addition this experience of satisfaction will be all the more pleasant as there can be no cause for regret.
- Buy Now! 10th. Because "Poverty is the slough of despond which Bunyon saw in his dream" and in which good books and good advice may be poured forever without result unless the wage earner can be led to get rid of the burden of rent paying.
- Now-Now 11th. Because to make people industrious, prudent and intelligent they must first be relieved from want. No family whose support depends upon wages or salary can long be secure from want without the ownership of property, the ownership of at least a home.
- Now-Now 12th. Because if you are a wage earner, in the factory, store or office, your employer will think more of you if he knows you are saving your money for a home. You will be a better workman. You will take on new thoughts, new interests. You will be a new man.
- NOW!** 13th. Because our present prices will positively be advanced early in June, or just as soon as the new factory is occupied. If the sale continues as started all the lots offered will be sold before that time.

We are doing
...GOOD 14th. Because every lot we sell for a poor man's home helps to extirpate pauperism, abolish poverty, raise wages, lessen crime, elevate morals and purify government. Our creed is: "There is no higher form of benevolence than this of leading, inspiring and helping people to home ownership." It is the possession of property, and especially a home, that gives a man a stake in the country and an interest in its government.

Our
Ambition 15th. It is our ambition to see Genoa a city of 5,000 people or more. A model city of happy homes, contented and prosperous people. We are more encouraged than ever and have full confidence that our fondest hopes will be realized.

Others Are Buying Now-----You Had Better **START NOW!** If you don't buy now you will probably put it off from day to day until too late and to your sorrow. Do it NOW! Time is worth money, so in buying these lots or any lots in Genoa, the longer you wait the more you must pay.

TO NON-RESIDENTS We say "There is Something Doing" at Genoa. There will be work and money for all. You had better COME, SEE and BE CONVINCED. There are more good things coming for Genoa. REAL ESTATE has advanced 10 per cent. monthly since Feb. 1, when it was definitely decided that the Eureka Electric Co. and the Advance Electric and Telephone Co. of Chicago would consolidate and remove their combined plants to Genoa, where magnificent buildings are now being erected for them. That values will continue to rise is conceded by all. Come and see, or send for descriptive folder and full particulars.

PIONEER PASSES AWAY

W. W. McDonald of North Kingston Passed Away Friday

ILLNESS OF SHORT DURATION

Funeral Services were Held Sunday at 11:30 a. m. at the Home—Interment in North Kingston Cemetery

In the death of Wallace McDonald, on Friday evening at 8:30, the community in which he has lived so long was greatly shocked to hear the sad news. Although he had been in feeble health for more than a year, his final illness was of short duration.

William Wallace McDonald was born at Lowell, Washington county, Ohio, March 17, 1820, and departed this life May 7, 1903, aged 83 years, 1 month and 20 days.

On December 9, 1845, he was married to Susanna Heckman, of Morgan county, Ohio, who died after ten years of wedded life. To this union were born four sons—John, George, Daniel and Wallace. On October 14, 1858, he was married to Sarah E. Stevens, of Morgan county, Ohio, who survives him. Three children were born to them—Ed and Misses Susie and Lizzie McDonald, who share with the wife the sorrow of a loved one.

In 1852 he came west to DeKalb county, and in 1855 settled on the farm, where he resided until death took him.

Mr. McDonald was a highly respected citizen, regarded as a friend and neighbor by those who were associated with him. His character was an unimpeachable one, that ever commanded the respect due a good man.

The funeral was held from his late residence last Sunday, where was gathered a large gathering of neighbors and friends, who came to pay their last respects to his memory. Rev. Clay spoke many words of comfort—from Job 5:26—after which his remains were laid to rest in the cemetery near the old home.

Among relatives present from a distance were Warren Stowe and Jas. Laverty, of Elgin. Also, John, George, Daniel, and Wallace, and their respective families of Elgin.

PRETTY HOME WEDDING

Robt. R. Foster and Mrs. Sarah Clark Are Married

AT HIGH NOON WEDNESDAY

Many Relatives Attend Event From a Distance—Bride and Groom Leave for a Visit in Chicago

A very pretty home wedding was solemnized at the home of Mr. and Mrs. J. W. Foster in Kingston on Wednesday at high noon when Robert R. Foster of Twin Lakes, Colorado, was united in marriage to Mrs. Sarah Clark of Kingston. The ceremony was in charge of Rev. F. F. Whitcomb, pastor of the Baptist church.

Following the marriage service an elegant repast was served to which all did ample justice.

The bride and groom will visit in Chicago and several places of interest, and will then return to the mountains for the summer.

After an absence of more than forty years this was a happy reunion of the remaining members of Mr. Foster's family as well as a very pleasant occasion.

Mr. and Mrs. Robert R. Foster were given a serenade in the evening by the mandolin club. Mr. J. W. Foster introduced the bride and groom, and in a few words thanked the club for their music. The groom made a neat speech.

ROCKFORD DISTRICT

The Methodists will hold Camp Meeting August 13-21, as Decided Last Year.

Efforts were made Tuesday at the meeting of the Epworth Grove camp meeting association to change the date, August 13-21, decided upon last year, in order to avoid conflict with the Chautauqua assembly at Rockford.

The efforts proved unavailing, however, and the camp meeting schedule will be carried out as planned, although this will deprive the association of the services of Rev. F. F. Farmiloe, of Elgin, who is under contract with the Chautauqua management.

Advertisements having appeared in various publications wherein Sears, Roebuck & Co., offer Wheeler & Wilson sewing machines, we wish to warn the public that **they are not our authorized agents** and that we do not sell our machines to them nor any other catalogue house or department store.
Their advertisements are not for the purpose of promoting the sale of our machines. They are using our reputation as makers of the highest grade machines only, in order to get the names of possible buyers and persuade them to purchase one of their cheap **STENCILED MACHINES**, the manufacturers of which they are, evidently, ashamed to make public.
If you want a genuine Wheeler & Wilson machine, do not waste your time writing to anyone who is unable to furnish it.  Thomas Marshall and son, of Chatter Grove, will soon leave for an extended visit in England. Mr. Marshall has not been back to his old home since he came to America a half a century ago, and he is living in expectation of spending a pleasant summer there. They will be absent about a month.

Born in Erie Pa., in 1837. Died Tuesday in Chicago.

Lester P. Wood died Tuesday at the home of his sister, Mrs. John Dyer, in Irvine Park, Chicago. Mr. Wood was well known in Genoa, as he was raised one mile west of town, and during the '80's was sheriff of DeKalb county. He also lived on the Rudolph farm for a number of years.

He removed to Pennsylvania, remaining a few years, when he returned to DeKalb county, and was again elected sheriff. He has also lived in California.

At the time of his death he was sixty-seven years of age, surviving his wife by some years. He leaves a sister, Mrs. John Dyer, of Irvine Park, Chicago, and a brother, George E. Wood, of Grand Rapids, Mich., one son (Fred), and two daughters, Jennie and Addie. S. Abraham, of this place, is an adopted son.

The remains arrived in Genoa today (Friday) at 10:23 a. m., and services were conducted at the M. E. church. Interment was beside his wife in the Genoa cemetery.

Cyrus Waite is Dying.

As we go to press, Cyrus Waite, one of Genoa's pioneers, is believed to be dying of cancer of the stomach. His aged mother and a brother arrived yesterday, and are at his bedside. Although Mr. Waite has been in feeble health for some time, he has been confined to his bed only about two weeks. The news that his disease must terminate fatally will cause general sorrow in and about Genoa.

A Common Trading Point

Most every individual has some particular store in the different lines, where the bulk of his trading is done.

WHY? Is it simply a co-incidence, or is it the natural result of Courtesy, Fair Dealing, and Good Judgment in Buying and Selling?

We believe our large and growing patronage is the result of the latter, and judging from the appearance and quality of the new goods arriving daily, we shall be enabled to retain all of the old and add many new customers this season.

A Sure Thing

It is said that nothing is sure except death and taxes, but this is not always true. Dr. King's New Discovery for Consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. VanMetre of Shepherdtown, W. Va., "I had a severe case of Bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely." It's infallible for Croup, Whooping Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by F. T. Robinson Druggist. Trail bottles free. Reg. sizes 50c, \$1.00.

To convince the people of Elgin and vicinity that we do what we claim, for one week from the opening of our office we will do all kinds of dental work at one-half our regular prices.

You will find here in the office gentlemanly operatives having ten to fifteen years' experience. All our work is guaranteed for ten years, therefore we cannot afford to hire inexperienced help.

Still They Come

Although the Spring has been backward, it has put no damper on our trade. Our business this Spring is far ahead of anything we have experienced in former years.

There is a reason for this. The public is beginning to find out more that their money will go farther here than at any other store in this part of the state. The fact is that we can watch Chicago prices on anything in our line, and we do it every day in the year. Then again, we carry such an immense stock to select from that no one needs to go away disappointed.

We are willing at all times that you compare our prices and goods with any other store that sells the same class of goods as we do, and you will find that this is the place to trade if you want to do justice to yourself.
